# Leadership Friendship Service

*Xi Upsilon Brothers at the home-building site of the Extreme Makeover: Home Edition show in Boardman Township, Ohio.*

**Leadership** was one of the key roles exhibited by Brothers of Xi Upsilon Chapter at Mount Union College in Alliance, Ohio, when they accepted the chance of a lifetime to participate in ABC's hit television show *Extreme Makeover: Home Edition*.

Last fall, Ty Pennington and the *Extreme Makeover: Home Edition* gang worked to transform the lives of Jeff Novak, a recently widowed special education teacher, and his three young daughters of Boardman Township, Ohio, by rebuilding and renovating their problem-filled damaged house into a beautiful new home in just seven days. With the help of T.C. Quality Homes, a local builder, and hundreds of workers and volunteers, including 30 APO Brothers, Mount Union students, faculty, staff and alumni, this tremendous task was a success!

Joining together in **Friendship** and **Service**, Brother John Burkey, John's grandmother, Marilyn Schmidt, and John's mother, Dr. Linda Burkey, a Mount Union professor and Xi Upsilon Chapter advisor, organized this beneficial service effort. Group meetings were held and schedules were coordinated for APO Brothers and campus volunteers to work late-night shifts throughout the weekend, performing light-duty yard work and construction site cleanup. This endeavor was so much more than just an average service project – it was the chance to help change one family's life forever.

Many of the volunteers watch the show regularly, and they never would have dreamed that they could experience a momentous opportunity such as this.

**PRESIDENT'S MESSAGE**

BY DR. FRED C. HEISMEYER III, NATIONAL PRESIDENT

**Possibilities & Results**

This past year Alpha Phi Omega has faced wonderful opportunities, made significant changes, and experienced positive results that allow our Fraternity to be relevant in the 21st century.

We've faced wonderful opportunities to increase the support to our Chapters through generous donations by our devoted alumni and improved delivery of information through an updated website. We continue to benefit from a strong commitment from our key volunteers who assist active Brothers and Chapters in providing meaningful service in our communities.

We've made significant changes in the way we deliver programs and services to our Brotherhood and in our focus on not only short-term objectives, but long-term strategic goals.

We've experienced positive results in promoting our image on college campuses in increasing the reporting of service projects conducted by Chapters, and in professionalizing the training and preparation of key volunteers of Alpha Phi Omega.

Positive results remain the primary focus of our national efforts. The past year has been exciting, filled with possibilities and many positive results. However, the work continues. Each of us, active and alumni Brothers, key volunteers, and professional staff, must strive for excellence as our Fraternity continues on the path of success. We must remain focused, continually evaluating and adjusting, and always progressing and improving while embracing our Cardinal Principles of Leadership, Friendship and Service. Individually and mutually, we must strive to SHARE, GROW, IMPROVE and INVEST in our Fraternity. Alpha Phi Omega's positive results are committed Servant Leaders, strong and effective Chapters, and an organization that is nationally recognized as a leader in community service.

As we reflect on our accomplishments and dream of the possibilities ahead, I wish to sincerely thank all who have been part of our program to prepare campus and community leaders through service.

- Thank you, actives, for sharing and growing Leadership, Friendship and Service on your campuses.
- Thank you, key volunteers, for the countless hours you devote to improving the Fraternity as members of the leadership team.
- Thank you, alumni, for your financial investment to our beloved Fraternity.

# Supporting Alpha Phi Omega's Endowment Trust

by Wilfred M. Krenek, Chair, Endowment Trust

The purpose of Alpha Phi Omega's Endowment Trust is to provide long-term benefits for the goals and perpetuation of Alpha Phi Omega. The strength of the Endowment Trust grows through outright gifts and various types of planned giving instruments.

## Programs Supported by the Endowment Trust:

**Youth Service Grants** – Chapters are provided the opportunity to identify needs in a community and then develop and conduct service projects that meet those needs and benefit local children and youth. The grant funding assists Chapters with the operational costs with a project.

**Scholarships** – Through the Mack Scholarship Program, Brothers are recognized for their exemplary leadership in the Fraternity and on their campus. Each year, approximately 20 Brothers are awarded this scholarship based on significant participation and leadership in extracurricular activities to benefit individuals in need and/or charitable and/or humanitarian organizations.

**Program Support** – Through the Leadership Fund, support is provided toward program development and growth. Examples of the programs that are supported through the Leadership Fund include:

**APO LEADS** – This leadership development program consists of five individual modular components. Topic areas explored include personal and organizational leader-

ship, teamwork, project management, communication, conflict resolution, and goal setting.

**National Volunteer Conference (NVC)** serves as our cornerstone for providing Fraternity volunteers the skills necessary to support Chapter operations and increase Alpha Phi Omega's reach across the country.

**National Office** – The purchase of the land and building of the current National Office in Independence, Missouri, was made possible through gifts from Brothers throughout the country. During this effort, the vision of maintaining a fund that would provide for maintenance and unforeseen repairs was created. Through the Challenge Fund, repairs to the headquarters' building are completed on a proactive basis, keeping emergency costs to a minimum.

## Types of Gifts Accepted:

- Gifts of Cash
- Gifts of Appreciated Securities
- Life Insurance – designating APO as a beneficiary
- Wills/Bequests – listing APO as a beneficiary in a will or bequest
- Charitable Gift Annuity – setting up a lifetime annuity through APO (minimum of \$25,000 is required)

For more information, contact the Development Director at APO's National Office by calling 816-373-8667 x18 or e-mail at [development.director@apo.org](mailto:development.director@apo.org).

## Members of the Blue and Gold Society have made a gift or commitment to the Endowment Trust of Alpha Phi Omega at the following levels:

- Diamond – A lifetime gift of \$250,000 or more or a deferred gift of \$500,000 or above.
- Emerald – A lifetime gift of \$100,000 or more or a deferred gift of \$250,000 or above.

# Fiscal Year 2004-2005 Financial Summary

Alpha Phi Omega ended FY2004-2005 in a good state financially thanks to fundraising efforts, a closely monitored budget and the hard work of the National Office staff. While our total revenue for the year exceeded our budgeted revenue, our revenue from our membership fees was below budget. This does not appear to be the result of poor membership numbers, rather a delay on the part of many Chapters to submit pledge and/or initiate fees in a timely fashion. Generous giving by our alumni, students and friends to the Annual Fund totaled \$159,604, exceeding the budget.

I'm happy to report that twenty \$500 scholarships were given from the Mack Scholarship Fund, and nineteen Youth Service Grant projects were funded totaling \$5,075.

The charts below provide you with a graphic picture of the Fraternity's revenue sources and expenses. Note that our membership revenue makes up the largest portion of our revenue (50% of the total). Program Services (services to Chapters, petitioning and interest groups) commands a larger relative proportion (62%) of our expenses.

In FY 2004-2005, the Fraternity transferred the funds raised in our Leadership Fund Campaign to the Endowment Trust for management of those funds. Under this arrangement, the Fraternity will receive annual returns from this investment for the support of our Leadership Development Program.

To continue the vital growth of Alpha Phi Omega and the outstanding services we provide, the Fraternity must work diligently to improve in several areas, including timely membership reporting, a commitment by every Chapter to strong membership recruiting and retention efforts, and increasing revenue from sources other than student fees. The timely reporting of membership numbers and submission of membership fees are critical to the financial success of our Fraternity.

and to the programs and services we can offer.

As revenues from membership fees make up 50% of our total revenue, the Fraternity's financial ability to provide expanded programming and services is directly related to the strength of our Chapters. Membership recruiting and retention at the Chapter level is significant for many reasons, including the exceptional service we provide in our communities, those many individuals who benefit from APO's leadership and service programs, the long-term growth of the Fraternity, as well as the increased revenue to provide quality assistance to our Chapters and our members.

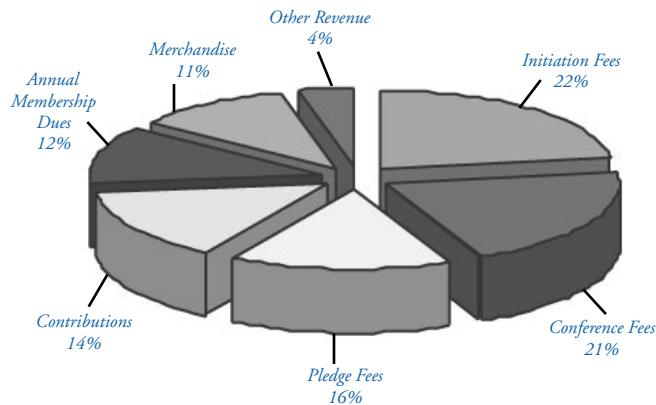

Fundraising is an essential component in keeping student fees low. The generosity of the Fraternity's donors is deeply appreciated, and the programs offered to students and Chapters are successful, in part, because of these gifts. The substantial growth of our donor base is important to the long-term financial stability of our Fraternity. In addition to our fundraising efforts, Alpha Phi Omega must continue to develop other sources of revenue, such as participation in affinity programs so that increased program costs will be less dependent upon our student membership.

The Fraternity must continue to push forward with generous giving, dedication in our Chapter's membership recruiting and retention programs, accurate and timely reporting, and prompt submission of membership dues.

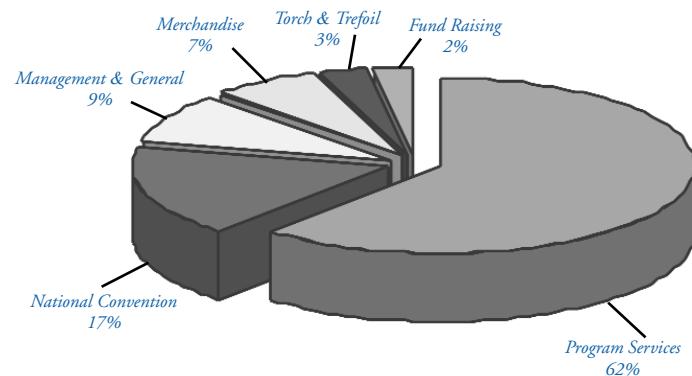

I want to take this opportunity to recognize everyone who played a role in the Fraternity's success during FY2004-2005 and to say thank you for the dedication of those who donated to Alpha Phi Omega and whose efforts and hard work on so many levels helped ensure the Fraternity's solid financial position.

*W. Brant Warrick  
Finance/Operations Program Director*

More than 150 APO Brothers attended Region X's Fall Fellowship hosted by **Theta Iota Chapter at the University of Arizona** in Tucson, Arizona. The theme was "Reach Out and Touch Base" with overwhelming participation from **Eta Eta (Arizona State University)**, **Rho Pi (University of California at San Diego)**, **Rho Rho (University of California at Irvine)**, **Alpha Kappa (University of Southern California)**, **Alpha Delta Theta (University of California at Riverside)**, **Iota Phi (University of California at Davis)** and **Gamma Beta (San Jose State University)**. Daytime activities included leadership workshops, field day fun with three-legged races, a water balloon toss, family feud and more. The event concluded with an elegant evening banquet, dancing, arcade games, and pool and ping-pong tournaments.

During National Service Week, **Beta Psi Chapter at Southeast Missouri State University** in Cape Girardeau, Missouri, generously offered time and skills to Habitat for Humanity. APO members worked together to build a retaining wall around a local home and then filled the area with dirt to plant several beautiful bushes. *For more information about Beta Psi Chapter, visit <http://www2.semo.edu/apo/>.*

*In 2005, 4,651 Alpha Phi Omega members delivered 32,460 service hours as part of National Service Week, while 4,907 Alpha Phi Omega members contributed 43,909 service hours during Spring Youth Service Day.*

Last fall, **Eta Phi Chapter at American University** in Washington, D.C., was honored with the Tyler Rusch Help the Homeless Award. APO Brothers were recognized for their exemplary commitment to service through their volunteer work at Metropolitan House, a homeless shelter located at Metropolitan Memorial United Methodist Church. Eta Phi Chapter went on to complete more than 625 hours of service in just 27 hours during National Service Week. Activities during "Do Your Service Day" included a campus trash pickup, a canned food drive, the Help the Homeless Walk, an Air & Space Museum Family Day, card-making for veterans and soldiers in Iraq, and the Juvenile Diabetes Research Foundation Gala. Visit <http://www.auapo.org/> to learn more about Eta Phi Chapter.

**Zeta Omicron Brothers at California Polytechnic State University** in San Luis Obispo, California, volunteered at the first Halloween Costume Gala, a fundraising event for the Los Padres Council, Boy Scouts of America. APO members exemplified great leadership skills by creating and operating a haunted house with fun-filled games and activities for local Scouts and other community youth. Zeta Omicron is a registered Venturing Crew with the council. To learn more about Zeta Omicron, visit <http://homepage.mac.com/slo-matt/apo/home/index.html>.

# Investing in Alpha Phi Omega

In recognition of Spring Youth Service Day, Brothers of **Theta Mu Chapter at Vanderbilt University** in Nashville, Tennessee, organized Girl Scout Badge Day. More than 150 young girls attended the service event held at the university's campus. One of many demonstrations included learning how to use a propane stove, for which girls earned a badge for Emergency Preparedness. All of the activities were successfully organized, including a fun break for lunch. Visit <http://www.vanderbilt.edu/AlphaPhiOmega/> for more details about Theta Mu Chapter.

Brothers of **Zeta Psi Chapter at the University of Oregon** in Eugene, Oregon, organized the Chapter's first Bicycle Safety Fair for young children at a local elementary school. APO members created and organized five essential stations, including a helmet fitting/decorating station, a bike parts Bingo station, a bike maintenance station, a Simon Says traffic signals station, and an obstacle course to help teach children the importance of bicycle safety. Each participant received a free bike helmet and a bag with bike gear. For more information about Zeta Psi Chapter, visit <http://gladstone.uoregon.edu/~apo/>.

Brothers of **Lambda Phi Chapter at Eastern Michigan University** in Ypsilanti, Michigan, sponsored the Chapter's Winter Blood Drive. Response from the campus community was tremendous with more than 200 pints of blood collected. Visit <http://www.emich.edu/studentorgs/apo/> to learn more about Lambda Phi Chapter.

**Kappa Rho Chapter at Seattle University** in Seattle, Washington, volunteered at the Healthy Kids Fair, an entertaining and informative event promoting physical activity that was sponsored by the local YMCA. Members of APO assisted children of all ages with crafts and activities in recognition of Spring Youth Service Day.

## Matching Gifts

Throughout the year, Alpha Phi Omega receives Corporate Support through a member's employer. This method provides the donor the opportunity to double (and in some cases, triple) their support to the Annual Fund by using their employer's matching gift program. Donors should check with their employer's Human Resources office to see if this type of program is offered and to obtain appropriate forms to make a gift.

Alpha Phi Omega thanks the following corporations that matched employee gifts to Alpha Phi Omega during Fiscal Year 2005:

<b>Bank of America</b>	<b>RH Donnelley</b>
<b>Charles Schwab</b>	<b>Rohm and Haas</b>
<b>First Data Western Union Foundation</b>	<b>Saint-Gobain Corporation</b>
<b>Microsoft</b>	<b>Temple-Inland Foundation</b>
<b>Motorola</b>	<b>The Chubb Corporation</b>
<b>PepsiCo Foundation</b>	<b>Verizon Foundation</b>
