TORCH & TREFOIL

THE QUARTERLY PUBLICATION OF ALPHA PHI OMEGA
NATIONAL SERVICE FRATERNITY

Summer 2007

FY2006 Annual Report **350,000 and Running Strong**

On December 4, 2006, Alpha Phi Omega initiated its 350,000th member since our founding in 1925. We initiated our 300,000th member in April 2000 and our 250,000th member in December 1993. As you can see, our growth rate has been steady throughout the past 14 years. We are committed to growing the Fraternity and adding more students on more campuses to provide even more service! While consistency is good and much better than declining membership, which many student organizations have experienced over the past 10 years, we want to see our growth rate increase. This will result in Alpha Phi Omega developing more community leaders, and in doing so, improve the world in which we live.

We could not have accomplished our consistent growth over the years without the efforts of so many people. This issue of the *Torch & Trefoil* is just one small way of recognizing those members who financially support APO. We would like to thank the students, the volunteer staffs, Chapter Advisors and donors for their personal investment in the Cardinal Principles of Alpha Phi Omega – Leadership, Friendship and Service, which makes this a great Fraternity!

Throughout the following pages we have highlighted accomplishments from the previous fiscal year. The students raised their fees during the 2006 Biennial Convention; they have done their part to give us the means to continue to grow. We recognize alumni who have also done their share to help us achieve even greater heights.

Our goal now is to recruit more members to become Torchbearers so we can accomplish even more success. As you review the Torchbearers from your Chapter, don't just look to see who is listed – look to see who is not listed. Then, the next time you speak to these Brothers or chat with them on-line, ask them to visit "Support APO" at www.apo.org and consider becoming a Torchbearer.

PRESIDENT'S MESSAGE

BY MAGGIE KATZ, NATIONAL PRESIDENT

Thank You!

Many things contribute to the fine mix that is Alpha Phi Omega. Your donations are an important ingredient in that mix and I am most grateful for the generosity of all our Torchbearers. We literally could not do it without you. This is an exciting time in the Fraternity and I feel privileged to serve as the 23rd National President. I look forward to helping Alpha Phi Omega reach new heights.

Much has been accomplished in the Fraternity's 82-year history. We have continually grown in Chapters, members and service. We have reached out to those in need in increasingly creative ways, providing a force for good on campuses and in communities.

Chapters run blood drives that bring in thousands of pints of blood, impacting tens of thousands of lives. We raise hundreds of thousands of dollars for various charities each year through projects like Relay for Life and MDA Telethon. And, we impact single individuals like the elderly for whom we rake lawns and install smoke detectors.

As is always the case, there is much more to do. While it would be easy to rest on our laurels, patting each other on the back for all we have done, that is not the way of Alpha Phi Omega. No, we are never satisfied, always looking to be Leaders, be Friends and be of Service.

The Board of Directors is committed to helping our Chapters and Alumni Associations enhance their ability to serve their campuses and communities. We are thinking globally while helping Brothers succeed locally. Our charge is to provide tools that will strengthen Chapters and Alumni Associations. One important resource, of course, is our alumni.

I must confess to feelings of ambivalence when it comes to our alumni. On the one hand, I am so proud of the work done in the community by Brothers. I know that a good number of the leaders in Rotary, Kiwanis and other service organizations come from Alpha Phi Omega. I know that our alumni continue to serve in many ways, through their churches and temples, local libraries and their children's schools. Yet, I wish we were able to keep more of our graduates doing service through the Fraternity.

Alpha Phi Omega is not just something you do while in college. It is a way of life, a commitment to making the world a better place every day. Our alumni are living the principles of Leadership, Friendship and Service in hundreds of different ways in their communities. As proud as I am of those accomplishments, selfishly, I wish we were able to put more of those skills to work within the Fraternity structure.

Certainly, your status as a Torchbearer is much appreciated. I hope you will consider joining (or founding) an Alumni Association in your area. Perhaps seek out a local Chapter and offer your services as an advisor. Attend a sectional conference or, better yet, present a workshop to share your experience and expertise.

There are a lot of ways to remain active with Alpha Phi Omega that fit in with your busy lives. Please consider helping today's college students benefit from what you have learned. For more information on Fraternity activities in your area, check out the Alpha Phi Omega web site at www.apo.org.

Again, thank you for all you do to make the world a better place. Keep up the good work!

In Brotherhood,

Maggie

Supporting Alpha Phi Omega's Endowment Trust

The purpose of Alpha Phi Omega's Endowment Trust is to provide long-term benefits for the goals and perpetuation of Alpha Phi Omega. The strength of the Endowment Trust grows through various types of planned giving instruments.

Programs Supported by the Endowment Trust:

Youth Service Grant – Chapters are provided the opportunity to identify a need in a community, and then develop/conduct a service project that meets that need and benefits local children and youth. The grant funding assists Chapters with the operational costs of a project.

Mack Scholarships – Through the Scholarship Program, Brothers are recognized for their exemplary leadership in the Fraternity and on their campus. Each year, approximately 20 Brothers are awarded this scholarship based on significant participation and leadership in extracurricular activities to benefit individuals in need and/or charitable and/or humanitarian organizations.

Program Support – Through the Leadership Fund, support is provided toward program development and growth. Examples of the programs that are supported through the Leadership Fund include:

APO LEADS – This leadership development program consists of five individual modular components. Topic areas explored include personal and organizational leadership, teamwork, project management, communication, conflict resolution, and goal setting.

National Volunteer Conference (NVC) – This conference serves as our cornerstone for providing Fraternity volunteers the skills necessary to support Chapter operations and increase Alpha Phi Omega's reach across the country.

National Office – The purchase of the land and building of the current National Office in Independence, Missouri, was made possible through gifts from Brothers across the country. During this effort, a fund that would provide for maintenance and unforeseen repairs was created. Through the Challenge Fund, repairs to the headquarters' building are completed on a proactive basis, keeping emergency costs to a minimum.

Types of Gifts Accepted:

- Gifts of Cash
- Gifts of Appreciated Securities
- Charitable Gift Annuities – setting up a lifetime annuity through APO (minimum of \$25,000 is required)
- Charitable Remainder Trusts
- Wills/Bequests – listing APO as a beneficiary in a will or bequest
- Life Insurance – designating APO as a beneficiary

For more information, contact the Development Director at APO's National Office by calling 816-373-8667 x18 or via e-mail at development.director@apo.org.

Alpha Phi Omega's 1925 CLUB

The 1925 CLUB is an undergraduate giving program that supports the organization's Annual Fund. Undergraduate Brothers who make a gift to the Annual Fund of \$19.25 or more each year will be recognized as a member of the 1925 CLUB, receive a lapel pin and be listed in the Annual Report.

FY 2005-2006 Financial Summary

Fiscal Year 2005-2006 was an unusual year because the Fraternity changed its fiscal year to begin on August 1 rather than September 1 each year. Among other things, this will allow Alpha Phi Omega to focus on the beginning of the academic year in September, rather than on closing out the previous fiscal year. Because of this change, FY2005-2006 was an 11-month year, while the budget that initially passed was for a 12-month year. Without counting one month's worth of expenses and revenue, the Fraternity's expenses weren't quite as large as budgeted, nor were its revenues. Taking the shortened year into consideration, APO ended FY2005-2006 in a good state financially thanks to fund-raising efforts, a closely monitored budget and the hard work of the National Office staff.

Revenue from membership fees in FY2005-2006 was slightly above what had been budgeted, owing in part to stronger recruiting on some of our campuses and the receipt of fees, which had been delayed in their submission in the previous fiscal year. Generous giving by our alumni, students, and friends to the Annual Fund totaled \$143,828.

I'm happy to report that eighteen \$500 scholarships were given from the Mack Scholarship Fund, and twenty Youth Service Grant projects were funded totaling \$6,025.

The charts below provide you with a graphic picture of the Fraternity's revenue sources and expenses. Note that our membership revenue makes up the largest portion of our revenue (65% of the total). Program Services (services to Chapters and petitioning and interest groups) commands a larger relative proportion 78% of our expenses.

In FY2005-2006, the Fraternity transferred the contributions for Youth Service Grant Program to the Alpha Phi Omega Endowment Trust, and the donor for the program donated additional funds to expand the program. Under this arrangement, the Fraternity will receive annual returns from this investment for the support of the Youth Service Grant Program.

Last year I noted that to continue the vital growth of Alpha Phi Omega and the outstanding services we provide, the Fraternity must work diligently to improve in several areas,

including: timely membership reporting; a commitment by every Chapter to strong membership recruiting and retention efforts; and increasing revenue from sources other than student fees. While membership reporting appeared to improve in the last fiscal year, the timely reporting of membership numbers and submission of membership fees remain vital to the financial success of our Fraternity and to the programs and services we can offer.

As revenues from membership fees make up 65% of our total revenue, the Fraternity's financial ability to provide expanded programming and services, like our Chapters' ability to have the greatest impact in their communities, is directly related to the strength of our Chapters. Membership recruiting and retention at the Chapter level are significant for many reasons, including the exceptional service we provide in our communities, those many individuals who benefit from APO's leadership and service programs, the long-term growth of the Fraternity, as well as the increased revenue to provide quality assistance to our Chapters and our members.

Fund raising is an essential component in keeping student fees low. The generosity of the Fraternity's donors is deeply appreciated, and the programs offered to students and Chapters are successful, in part, because of these gifts. The substantial growth of our donor base is important to the long-term financial stability of our Fraternity. In addition to our fund-raising efforts, Alpha Phi Omega must continue to develop other sources of revenue, such as participation in affinity programs so that increased program costs will be less dependent upon our student membership.

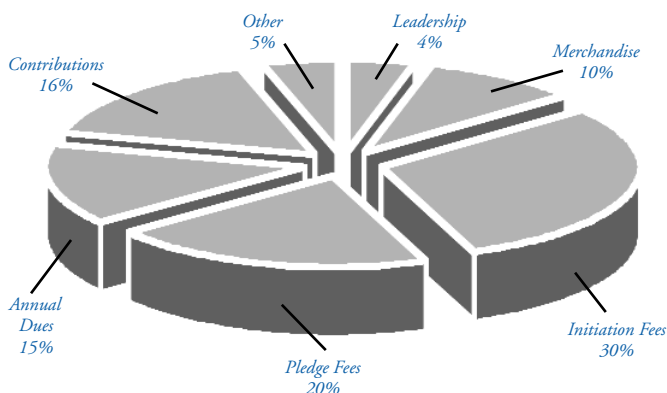

I want to take this opportunity to thank everyone who played a role in the Fraternity's success during FY2005-2006 and to say thank you for the dedication of those who donated to Alpha Phi Omega and whose efforts and hard work on so many levels helped ensure the Fraternity's solid financial position.

W. Brant Warrick

Alpha Phi Omega —

In February 2006, Alpha Zeta Chapter at the University of Kentucky in Lexington, Kentucky, participated in the very first "Dance Blue Marathon." More than 150 students from other campus organizations also volunteered for this event. For 24 hours, there was no sitting and no sleeping — just great music and dancing to help raise more than \$123,000 for the Pediatric Oncology Center at the University of Kentucky. Funds raised went toward improving support services offered to children diagnosed with cancer and their families. To learn more, visit www.uky.edu/StudentOrgs/APO/.

After devastating tornadoes hit Iowa City, Iowa, in mid-April 2006, Omicron Chapter at the University of Iowa stepped up to volunteer its services and help the community. The Chapter's largest effort was completed during Earth Day Spring Clean-Up, when Brothers assisted the owners of the local Dairy Queen by removing their roof from the Iowa River. More debris was collected from trees and yards and then disposed of during the five-hour service project. Visit www.uiowa.edu/~apo/ to read more about Omicron Chapter.

In 2006, 4,334 Alpha Phi Omega members contributed 30,592 service hours during Spring Youth Service Day while reaching 41,929 youth. During National Service Week, 5,460 Alpha Phi Omega members delivered 33,472 hours of service.

For their Youth Service Grant project, Brothers from Alpha Gamma Zeta Chapter at Houston Baptist University in Houston, Texas, coordinated a "Literacy Carnival" at a local elementary school in the spring of 2006. More than 200 children enjoyed an eventful day with popcorn, cotton candy and fun carnival activities, including a Moonwalk! Special booths featured literacy-related projects, including spelling, coloring and a bookmark station. Half-Price Books generously donated 12 boxes of books to hand out as prizes to the children.

We're All About Service!

Iota Phi Chapter at the University of California at Davis in Davis, California, organized a "Dance for Kids" event at the local Veterans' Memorial Hall. Decorations were displayed and food was prepared for more than 35 attendees at this special prom-type dance for children who are physically and mentally challenged. For more information about Iota Phi Chapter, visit the website at <http://www.iotaphi.org/>.

In December 2006, more than 1,700 Brothers joined together for "Unbridled Service" at Alpha Phi Omega's 39th National Convention in Louisville, Kentucky. This memorable four-day event, held at The Galt House Hotel & Suites, began with a Reunion Carnival where Brothers visited with old friends and learned about the upcoming workshops and service projects. Keynote speakers included Daniel Kalef with the Muhammad Ali Center and Kate Farrell Westlake, 2006 Fall Pledge Class Namesake Honoree. We hope you'll make plans to join us for APO's 40th National Convention in December 2008 in Boston, Massachusetts.

Brothers from Tau Omicron Chapter at Indiana University Purdue University – Indianapolis in Indiana celebrated their fifth year of fund raising at the Indianapolis Motor Speedway in 2006. The Speedway offered Tau Omicron work for all three summer events – the Indianapolis 500, Formula One and the Brickyard 400, which allowed the Chapter to earn enough funds for its entire operating budget for the year. This valuable experience also offered some great opportunities to work in a team environment while interacting with customers, dealing with money, ordering supplies and preparing food. To learn more visit www.apoto.org.

A total of 30 Brothers from Theta Chapter at the University of Virginia in Charlottesville, Virginia, headed to New Orleans, Louisiana, during Spring Break 2006 to volunteer their services. They joined together with Common Ground Relief, a non-government group of volunteers, to clear debris from damaged homes and churches left over from the devastation of Hurricane Katrina. As one member commented, "It was a Spring Break well spent, and one that will not soon be forgotten." Find out more at www.student.virginia.edu/~aphio.

2006 Torchbearer Anniversaries

Alpha Phi Omega's Torchbearer giving program includes many donors who have generously contributed to the Annual Fund throughout the years. Congratulations to the following Torchbearers who, in Fiscal Year 2006, celebrated 25, 20, 15, 10, and 5 years of giving to Alpha Phi Omega. These are significant milestones in the Fraternity's giving history. We also wish to acknowledge that there are many members who are in the process of achieving these milestones.

- Alumni Interested In or Already Volunteering
- National Board & Committee Members
- Sectional & Regional Level Volunteers
- APO & Other Workshop Facilitators & Presenters

Visit www.nvc.apo.org for more information.

2006 TORCHBEARERS

Contributions to Alpha Phi Omega's Annual Fund help support the day-to-day operations, including member services, Chapter support and programming, National Service Week, Fraternity publications, APO's leadership programs, and operating needs. Individuals making gifts of \$75 or above are recognized as a Torchbearer. Gifts of \$150 or above are recognized at the following levels:

**Silver Torchbearer - Gifts of \$150 and above; Gold Torchbearer - Gifts of \$250 and above;
Diamond Torchbearer - Gifts of \$500 and above; Silver Founder's Circle - Gifts of \$1,000 and above;
Gold Founder's Circle - Gifts of \$2,500 and above; Diamond Founder's Circle - Gifts of \$5,000 and above.**

Thank you to the following individuals for their support towards Alpha Phi Omega's Annual Fund during the 2005-2006 Fiscal Year (09/01/2005-07/31/2006). Individuals listed are categorized according to their initiating Chapter unless the donor requested otherwise.

Matching Gifts

Throughout the year, Alpha Phi Omega receives Corporate Support through a members' employer. This method provides donors the opportunity to double (and in some cases, triple) their support to the Annual Fund by using their employers' matching gift program. Donors should check with their employers' Human Resources office to see if this type of program is offered and to obtain appropriate forms to make a gift. Alpha Phi Omega thanks the following corporations that matched employee gifts to Alpha Phi Omega during Fiscal Year 2006:

Bank of America
 ExxonMobil
 First Data Western Union Foundation

at development.director@apo.org if
there is an error so that we may
update your information.

Congratulations to APO's 2006 New Life Members

Life Membership in Alpha Phi Omega is an opportunity for members to support the Fraternity's long-term stability and stay connected to the Brotherhood for the rest of their lives. More than 22,000 Brothers have become Life Members throughout the years. During the 2005-2006 fiscal year (09/01/05 - 07/31/06), 504 Brothers became Life Members, including 141 Undergraduate Brothers who received Life Membership as a gift.

A Tribute to John Mack

On January 14, 2007, Alpha Phi Omega lost a good friend and dedicated Brother, John Mack, who passed away after a long struggle with Alzheimer's disease. Formerly of Evanston, Illinois, he resided in Ottumwa, Iowa, before his death, to be close to his daughter who assisted with his care. John was the owner of Life Associates, Inc., an insurance agency, which he managed up until his retirement.

John grew up in Kansas City, Kansas, and was initiated in Alpha Eta Chapter at the University of Missouri – Kansas City in June 1940. He then served in the Navy in World War II as part of the Pacific Fleet. In May 1947, John transferred his membership to Delta Zeta Chapter at the University of Pennsylvania, where he served as Chapter President.

John is best remembered for his involvement with Scouting – specifically with local Troop 12 in Evanston. His achievements included Eagle Scout, Troop Leader, Assistant Scoutmaster, Scoutmaster, and committee chairman and committee member. He attended the 1969 National Jamboree in Idaho and the 1971 World Jamboree in Japan as a leader. John was one of the founders of the non-profit Camp & Trails Patches, Inc., an organization that continues to assist the local council with camp restoration, high-adventure programs and scholarships to camp for Troop 12 members. In 1972, he received the Silver Beaver Award through his local Boy Scout Council.

John was also awarded the Alumni Distinguished Service Key (DSK) in 2001. He was a Life Member of the Fraternity, a Torchbearer and Sapphire member of the Blue & Gold Society.

John Mack (center right) pictured here with the first recipients of the John Mack National Scholarship.

Motivated by his personal spirit and valued experiences in Alpha Phi Omega, John made a generous donation in December 1995 to begin the John Mack National Scholarship; other substantial gifts were received in 1996 and 1997. The interest earned on these investments has allowed the Fraternity to recognize undergraduate Brothers for their outstanding participation and leadership in extracurricular activities to benefit individuals in need, charities and humanitarian organizations.

In 2001, the balance of the John Mack Fund was transferred to the Alpha Phi Omega Endowment Trust to earn additional interest. As of today, more than 180 John Mack National Scholarships have been awarded to deserving Brothers of the Fraternity. Twenty-three Brothers have been awarded scholarships for the 2007-2008 school year. To learn more about applicant requirements, visit www.apo.org/site/site_files/john_mack_application.pdf.
