Christmas Seals

... Your Protection Against Tuberculosis

A cheerful lamplighter, symbolizing the emergence of fresh hope after the darkness of the past years, is featured on the 1946 Christmas Seals which are being sold throughout the nation to raise funds for the control of tuberculosis. This is the 40th annual Christmas Seal Sale.

Tuberculosis is a major public health problem, because it kills more young people than any other disease, and because it is a communicable disease, spread from person to person, and taking as many lives as all other infectious and parasitic diseases combined. Its control is a matter of vital public concern because until all necessary steps have been taken to prevent its spread in the community, no one in the community is safe.

With funds raised solely from the annual seal sale, the Tuberculosis Society conducts a year-round program of health education, tuberculin testing of school children, X-raying of adults, nursing service, medical examinations of open air pupils and special projects which vary from year to year.

Gamma Chi Chapter Deeds Post Office to Howard College

Bill Patton, President of Gamma Chi Chapter of Alpha Phi Omega is handing the title of the Howard College post office to Major Harwell G. Davis, President of the College. Looking on through the window is Ernest Mickler, manager of the post office and an APO pledge.

Seven years ago, Gamma Chi Chapter started the campus post office by buying some second-hand letter boxes, and the chapter has operated it continuously as an APO project until this fall when the chapter's investment was donated as permanent property of the college.

Alpha Phi Omega and the Christmas Spirit

By Dean J. J. Higgins

Senior Faculty Advisor, Gamma Xi Chapter,
Rockhurst College

Best wishes for a Merry Christmas and a Happy New Year full of service to our fellow men!

Full of service is the prosperous year for a brother of Alpha Phi Omega. That's why our Brothers are very much at home around the Christmas Crib of Him Who came to be a Leader, to be a Friend and above all to be of service. We are kin to Him Who inspired the shepherds and the kings to give—He was to be the biggest giver of all. His name means savior and His life and death were a complete sacrifice of service to His children whom He chose to make and to call His brothers.

Brothers of Alpha Phi Omega, their feet, both of them on the ground, are so realistically brothers and followers of the Christmas Infant that if we should ever lose His motivation of working toward a life hereafter, our works of service and self-denial would become utter nonsense. When men go materialistic and look for nothing beyond the grave, there is no safe

motive left to keep them from going completely selfish. In the minds of such men service not paid for today is time and energy wasted—in their way of thinking they've drawn bad checks that can't be redeemed.

But the air is fresher in the company of men of APO. They don't waste time bickering for a reward, but they live the principles of the Christmas Infant—in the words of the gospel-writer, St. John: "If any man say, I love God, and hateth his brother, he is a liar. For he that loveth not his brother, whom he seeth, how can he love God, whom he seeth not?"

Though our universal brotherhood and kinship with Christ is the great motive that helps us to be of service to our fellow men, nevertheless there is a great deal of human satisfaction in giving. It is a form of expressing our sincere regard for those to whom we give. And the power of the spirit of service is so great that one modern business man and author writes of Christ as the founder of modern

business. "He that will be the first among you, shall be your servant." "He that findeth his life shall lose it, and he that shall lose his life for me shall find it." "And whosoever will force thee one mile, go with him other two." The service motive has re-made modern business, the author goes on to prove. And those who have gone that extra mile whole-heartedly have reaped the full harvest.

If we have our eyes wide open, Christmas should be a great inspiration to men of Alpha Phi Omega. God loves a cheerful giver. And it was to generous givers that Christ promised a hundred-fold in this life and a special place in the life to come.

Harmony, ideals and a warmth of good fellowship prevail in Alpha Phi Omega chapters from coast to coast.

CLEANINGS

FROM CHAPTER CORRESPONDENCE

BROOKLYN COLLEGE

At our latest rush smoker in Gamma Iota Chapter, we used the program outline suggested by National and found it quite helpful for a smooth, effective meeting. As a result, an excellent pledge class has been selected.

—Murray Warschauer, President.

UNIVERSITY HEIGHTS, N. Y. U.

With a record number of active members this semester, Gamma Omega Chapter is carrying on an expanding program of fellowship and service. We have published a student directory which will be distributed to all students on the campus in the near future. We are making plans for an extensive March of Dimes drive in January, which will be climaxed by a huge March of Dimes Dance in the gymnasium. In February we plan to sponsor a drive for the World Student Service Fund in conjunction with other groups on the campus.

—Lawrence S. Freedman, Secretary.

UNIVERSITY OF OKLAHOMA

Delta Beta Chapter is sponsoring the Christmas Seal Campaign on the campus and it is going fine.

—C. E. Goldsmith, Secretary.

SAN DIEGO STATE

Alpha Delta Chapter is off to a good start in its reorganization. The administration and faculty are acutely aware of our presence on the campus this year from the requests we have received so far for services.

—J. Rollin Watson, President.

IOWA STATE COLLEGE

XI Chapter is now conducting the Christmas Seal Campaign and we are securing trash containers to be placed around the campus.

—Don Anderson, President.

OREGON STATE COLLEGE

Recently, the Junior High School building burned, and it became necessary for these students to use the Senior High School building from 12:30 to 5 p.m. This presented quite a problem in the securing of Den Chiefs for our Cub Packs. During this emergency, members of Alpha Phi Omega are serving as "Den Advisors" to assist the Den Mothers until the Boy Scouts again have their afternoons free.

—Judson W. Compton, Scouting Advisor.

MISSOURI SCHOOL OF MINES

This is homecoming week and a combination Parent's-Engineer's Day is planned. This chapter is furnishing chapter guides in collaboration with Blue Key and the Campus Veterans Association.

Our club room is being furnished by the school, and is being entirely remodeled. It will be kept open as a between-class rendezvous for members and pledges.

—W. A. Schaeffer, Secretary.

GEORGIA TECH

This past October we have been conducting our "Ugly Man Contest." The proceeds, as in past years, has been given to the Community Chest Drive. We turned over \$475.02 this year.

—Chester Crowell, President.

Delta Alpha Chapter now has a desk and filing cabinet in the men's organizations room in the student union building. We have initiated an excellent group of new members.

—Alfred E. Isaac, Acting President.

Our Chapter has built a sizeable treasury this fall. We earned \$250 selling automobile licenses and about \$100 addressing envelopes for a Minneapolis firm. Because of the increased size of the chapter, we have been granted a larger office in the Union.

—Jack Parker, Secretary.

SOUTHERN METHODIST

Our pledges have cooperated wholeheartedly in chapter activities such as Homecoming and Christmas projects.

—George A. Davis, Jr., Secretary.

CLEMSON COLLEGE

We are handling many useful projects in the Christmas season. Our main activity will be the annual distribution of boxes of food and clothing to the needy families of the Clemson community.

—Henry G. Grimball, Secretary.

C.C.N.Y.

The seventh anniversary dinner of Gamma Delta Chapter was held in September and we now have several projects underway. We are in charge of the school traffic problem and will serve as hosts at the Dean's reception for freshmen. In the future we will conduct the drive for the National Cancer Fund and also the sale of Christmas Seals.

—Alvin Bernstein, President.

MICHIGAN STATE

President George O'Neal did me a Good Turn last week. On my Sunday afternoon "Campus Caller" broadcast, I've been interviewing leaders in research, administration, extension work and so forth on campus. . . . well, comes it an emergency! The secretary of Michigan's state board of agriculture cancelled late. . . . so, rather than let the show fall through, I called O'Neal and asked if he would "let" me interview him about Alpha Phi Omega. He most assuredly would. . . . so we whipped up a dandy chat, tied in with the Community Chest campaign. Ah, yes. . . . the ideals of Boy Scouting continue on through college. . . . consider Michigan State for example. . . . etc. We covered APO's history, organizational highlights, projects, and so on. It was one of the best shows in our Campus Caller series. . . . profitable, we trust, to APO since WKAR's signal covers Michigan plus portions of Indiana and Ohio.

—Tom Vedder Waber, Alumnus.

UNIVERSITY OF TEXAS

Fall student elections are now being held. As usual Alpha Rho Chapter is carrying the biggest share of the load. With the increased enrollment (more than 17,000) this voting process is a huge job.

—Wilson L. Dyer, President.

UNIVERSITY OF IOWA

Beginning now, each pledge group in our chapter will have its own officers and conduct certain projects under its own leadership.

—Tom F. Neenan, President.

UNIVERSITY OF FLORIDA

Many new students have looked up members of Alpha Phi Omega to inquire how they may join. It is really gratifying.

—Thomas M. Parker, Jr., President.

UNIVERSITY OF MISSOURI

Every member has been appointed to a committee for real work in Beta Eta Chapter. The committees for our immediate projects are Fingerprinting, Scouting, March of Dimes and Dance, Ugly Man Contest, and Social. The chapter has voted to use the money from the contest to establish an Alpha Phi Omega Scholarship Fund at the University.

—M. B. Ward, President.

UNIVERSITY OF IDAHO

Once again old Gamma Nu swings into action. Much water has passed under the proverbial bridge, but a lot of the old members are back on the campus and we are on the job.

—Stewart Clelen, President.

SPRINGFIELD COLLEGE

Gamma Eta Chapter is now being re-established after being dormant during the years in which the college facilities were turned over entirely to the armed forces.

—John C. Norsk, Scouting Advisor.

C. C. N. Y.

Gamma Delta Chapter has come to have the confidence of the Dean and the Administration so that the members have been turned over the job of directing traffic in this sixteen story building, which under the present crowded conditions means a great deal of responsibility. This is the result of several years of faithful service and effort in doing a similar job in a less degree and I must say made us feel pleased at the recognition of genuine hard work.

—Dr. Ernest S. Bradford,

Senior Faculty Advisor.

MICHIGAN

One of our pledges is Ferdinand Dierkens, from the University of Brussels, Belgium, who is studying at the University of Michigan on an exchange fellowship. He was a senior Scout leader at the University and at our last meeting gave a very interesting talk on the role played by the Scouts in the underground movement during the German Occupation.

—Gilbert Iser, Secretary.

DE PAUW UNIVERSITY

We have recently been engaged in an extensive Community Fund campaign on the campus.

—Ned M. Bailey, President.

WILLIAM JEWELL COLLEGE

You've heard about Alpha Mu's luncheon meetings at the local hotel. We think they're the latest thing in good APO meetings and just the thing for men who are extremely busy with countless other campus activities.

—M. C. Ballenger, President.

OHIO UNIVERSITY

Our pledges in Delta Gamma Chapter have successfully completed the assigned project of collecting donations for "Possibilities Unlimited," an amputee organization in Cleveland.

—Robert Wetherholt, President.

OREGON STATE

We have completed this period's swimming lessons for Scouts of the community. A large number of plans are being formulated for other events.

—Arthur Krichevsky, Secretary.

NEW YORK UNIVERSITY

Having successfully completed several service projects (freshmen assembly and tours, tug of war, award of pennant in the Stuyvesant Scout District for the best camping troop) we are now working on others. Chief effort now is the annual Beta Iota Movie Revival, being sponsored for the Tuberculosis Drive. Last year this raised \$100. All expenses for the drive come from our treasury, all proceeds go to the TB fund. In conjunction with the revival, we are planning a barber-shop quartet contest, with clubs and fraternities competing. Other projects pending include revival of the old NYU Outdoor Club, in which we will be aided by our Alumni.

—Larry Baker, Secretary.

UNIVERSITY OF OKLAHOMA

A recent project of Delta Beta Chapter was to help in running of the election booths and the counting of votes in the Student Senate election.

—Walter F. Mahoney, President.

UPSALA COLLEGE

Movement is underway to reestablish Alpha Phi Omega on our campus.

—John R. Anderson.

SAN DIEGO STATE

Alpha Delta Chapter has voted to present keys to all pledges when formally initiated.

—Dan Votaw, Secretary.

WILLIAM JEWELL COLLEGE

Our new student directory, published by Alpha Mu Chapter, came off the press November 7 and sales started with a bang.

—Dr. L. J. Gier, Senior Faculty Advisor.

KANSAS STATE

Pi Chapter has set a goal of selling \$300 worth of Christmas Seals and we are making plans for the "March of Dimes Dance" the latter part of January.

—John R. Tweed, Secretary.

KIRKSVILLE COLLEGE OF OSTEOPATHY AND SURGERY

On December 5, Alpha Omega Chapter initiated the fifteen men of "The H. Roe Bartle Class." All of these men have done fine work on their pledge projects and are continuing on several projects as active members. Projects include a Cancer education program, a free nursery for student wives, a blood bank and blood donor file, compiling an information handbook for incoming freshmen, compiling an Intern Hospital information chart for use of graduating seniors, and sponsoring a Red Cross first aid instructors course. We will hold our semi-annual Senior Banquet on January 9.

—Ralph L. Willard, Historian.

UNIVERSITY OF FLORIDA

The H. Roe Bartle pledge class of Tau has two projects on tap, running errands for the patients in the University infirmary, and conducting a poll among the students in the form of personal interviews to find out whether a direct mail delivery to the dormitories would solve the mail problem on the campus.

Due to increased enrollment the University post office is a madhouse at mail time.

Tau is sponsoring blood donations to the blood bank at the University infirmary, and the annual camporee which will be held soon.

—Reuben Capelouto, Historian.

ROCKHURST COLLEGE

Gamma Xi Chapter has participated in the Community Chest drive and various other activities this fall.

—Robert Rabuse, President.

NEW YORK UNIVERSITY

Projects recently completed in Beta Iota Chapter are the annual tug of war and ushering at the freshman convocation. Other projects scheduled for the future are an Ugly Man contest, Book drive (books for Europe), and the Christmas seal drive.

—Don S. Leeds, Acting President.

Songs of Alpha Phi Omega

BLUE AND GOLD

(Tune: "Taps")

Hail to thee,
A. P. O.—
We will spread
Thy fair name
O'er the land
True to you
Forever more—
Blue and Gold
—By Alpha Rho Chapter

CHALLENGE SONG

(Tune: "Field Artillery Song")

A. P. O. give a cheer as we go on through
the year,
Spreading goodwill throughout all the land,
We will strive with our might for the cause
we know is right,
Giving each man a firm helping hand.
For as you see, our fraternity,
Is guided by friendship old and new,
To succeed in this task, we must always ask,
For the help of our brethren so true.
—By Phi and Beta Iota Chapters

MARCHING SONG

(Tune: "Onward Christian Soldiers")

Alpha Phi Omega, loyal brothers all,
Hear the voice of Friendship,
And the Service call.
We are not divided, our fraternity
Onward, ever onward, leaders we will be.
When the future beckons, and as time
grows old
We will always answer
Dear old blue and gold
—By Alpha Rho Chapter

CHORALE

(Tune: "Ode to Joy" from Beethoven's

Ninth Symphony)

From Atlantic's storm-swept ocean
To the calm Pacific coast,
We are one in our devotion
To the creed we honor most.
Brothers all, throughout the nation
Help to blaze a new-made trail
Service and cooperation—
Alpha Phi Omega, hail!

—By Brother David S. Mosesson,
Gamma Delta

FRIENDSHIP SONG

(Tune: "The Barrel Polka")

What makes a barrel?
A lot of staves, one by one.
What binds a barrel?
Hoops—and the job is all done.
In Friendship's tether,
We stand in unbroken row,
All of us are bound together
By good old A. P. O.

—By Brother David S. Mosesson,
Gamma Delta

TOAST SONG

(Tune: "Alma Mater")

Here's to Alpha Phi Omega,
Loyal Brothers we,
True to self and to each other
Firm in loyalty.

Daily working, daily striving,
Ever more to be,
Men of Alpha Phi Omega,
Our Fraternity.

—By Brother Dale Bartlett, Iota

COMRADE SONG

(Tune: "Song of the U. S. Marines")

From the halls of Alma Mater
We march in unbroken row,
And we sing this gay cantata
As out into life we go.
So let every voice be eager
And each heart with pride a-glow
For our Alpha Phi Omega
And the men of A. P. O.

So, dear comrades, fill your glasses
And get ready for a toast,
Through each mind just one thought passes—
It's the name we honor most,
And e'en Time, that old intriguer
These fond mem'ries won't outgrow
Of our Alpha Phi Omega
And the men of A. P. O.

—By Brother David S. Mosesson,
Gamma Delta

PEP SONG

(Tune: "Field Artillery Song")

Over hill, over plain,
You can hear the loud refrain
As the Blue and the Gold comes along.
Should it rain, should it shine,
We will keep a steady line
As our brothers come singing along.

So it's hi-hi-ho,
Here's to A. P. O.
Shout out its praises loud and strong
RAH! RAH!

Where'er you go
You will always know
That our spirit is rolling along.

—By Alpha Rho Chapter

PEP SONG

(Tune: "Song of the Vagabond")

Alpha Phi Omega,
We are always eager,
For we're here to do our best,
Mind and body steady,
With a heart that's ready
And by sacred friendship blest.

Onward, upward,
Through the years ahead,
By your spirit ever we'll be led.
Hear our voices blended,
In the pledge so splendid
We'll be loyal unto you, YEA!

FELLOWSHIP SONG

(Tune: "Notre Dame Victory Song")

Here's to you, brothers, loyal and true,
You'll be a friend whate'er we go through
You'll stand up through thick and thin,
Keep up your spirit, and strive to win,
Friendship and service—leadership, too,
Those were our guides as we grew and
grew.

So all you men of A. P. O.,
Keep up the good work—Let's go.

—By Phi and Beta Iota Chapters

SERVICE SONG

(Tune: "Auld Lang Syne")

Let's raise our voices in a song
And sing our praise of thee,
For leadership and service, too,
We'll toast you loyally.

To nobler cause we'll bind our lives
We'll serve in friendship's name
To bring to Alpha Phi Omega
Everlasting fame.

—By Brothers Ted Hollander and
Marvin Levine, Gamma Sigma

JINGLE

(Tune: "Jingle Bells")

Brothers, gathered round,
On this we agree,
To each other we are bound
By one loyalty,
For in every heart,
Warmed by friendship's glow,
There's a corner set apart
For old A. P. O.

Chorus:

A. P. O., A. P. O.
Stands for loyalty—
Be a friend, a hand extend
To a brother's plea.
Our ideals, each one feels,
Ever wider grow,
This refrain, sing again—
"Long life to A. P. O."

—By Brother David S. Mosesson,
Gamma Delta

HARMONY SONG

(Tune: "Anchors Aweigh")

Greet each good brother here,
Give him your hand,
So, for another year
In happy harmony we'll stand.
We'll make a host of friends,
Loyal and true,
And when the session ends
We'll wish it would begin again anew.

This every brother knows
That, year by year,
A. P. O. ever grows
To every brother's heart more dear.
Let all of us rejoice
In close-knit ranks,
And loud affection voice
For Alpha Phi Omega—praise and thanks!

—By Brother David S. Mosesson,
Gamma Delta

BULLETIN BOARD

MARCH OF DIMES

January 15 to 30 the annual March of Dimes campaign will be conducted to raise funds for the National Foundation for Infantile Paralysis. This is a nationwide drive in which all communities, large and small, participate.

In past years, many chapters of Alpha Phi Omega have sponsored the campus solicitation for the March of Dimes. Some sponsor a dance to raise funds, with the theme, "Dance So Others May Walk," whereas other chapters solicit funds in the containers furnished for this purpose.

This is a project of top importance. Get further facts about it by contacting the Chamber of Commerce in your community.

LOOKING AHEAD

The beginning of the new year of 1947 is an appropriate time to "take stock," to evaluate past activities, and make plans for the future. We suggest a meeting of your chapter's Executive Committee be held early in January for the express purpose of outlining the projects and events to be carried out during the spring semester. Long-range planning is important. A prepared "calendar of events" will be helpful in accomplishing your spring objectives.

CONVENTION REPORT

When your delegates return from the National Convention, it is suggested a regular meeting program be devoted to their reports. The delegates should be asked to tell the entire chapter the highlights of the convention and to present such ideas as they gleaned which may be useful in your chapter. In addition, a written report will be published by the national office to be sent to all chapters.

The benefits of this convention to your chapter can be greatly enhanced by having thorough reports by your delegates in person and by thorough use of the written report as soon as it is available.

NEW PETITIONS

Delta Lambda Chapter was installed at Coe College, December 13, Delta Mu Chapter at Kansas State Teachers College and Delta Nu Chapter at Yale University, December 15. Pictures of these groups will soon be published.

Additional petitions received for installations after the Christmas vacation are from the University of Connecticut, Trinity University, Ball State Teachers College, Wabash College, Rutgers University.

Three applications are expected to be presented at the national convention to be voted upon by the assembled delegates.
