# TORCH AND TREFOIL

## SPIZZER

RETURNS TO CIVIES

Hi fellows! Yup! After three years and 85 points worth of G.I. experience they've let me out! Once the army got started an efficient job of kissing your buddy

they did good bye.

Ten days on the pond, two days in Boston and a week at the discharge center did the trick, oh happy daze!

Was it a treat to see the folks again—I even dropped that precious discharge giving Mom a smack! No brother regrets the time and toil he gave while in uniform—but, oh, how one appreciates all the little things making up civilian life (in America) once he gets back!

And was it heaven getting back to Analee—she looked even better than when I left for overseas two years before! Guess I'll have to wait till another letter to tell you about the wedding bell plans!

Like any good APO man yours truly headed for the campus pronto! The first live-wire man Spizzer met was—yep, you guessed it!—a brother APO! There was plenty of chatter, over cokes, after that!

I'm taking time out right now to give our brethren, who were in school during the war, a thunder-hand clap. APO was about the only frat' active during the entire period we were away, and by active I mean Service! The ex-G.I.'s are proud of the leadership given while we were away, and we're glad to be back to do our part once more.

See you next month fellows! Fraternally,  
MISTER Spizzer INKTUM

VOLUME 21 – NUMBER 2  
FEBRUARY, 1946

## BRONZE STAR MEDAL AWARDED POSTHUMOUSLY

**Christy M. Broughton, Jr.**

"For heroic achievement in connection with military operations against an armed enemy near \*\*\* France, on 22 October 1944. During a daylight attack by the First Battalion on a strong enemy hill position near \*\*\* Lieutenant Broughton, Company B platoon leader, by superior tactical ability advanced with his platoon over exposed terrain in the face of heavy enemy artillery, mortar and machine gun fire and with his small group secured the forward slopes of the hill. Although his platoon suffered many casualties, his display of leadership and courage inspired his men to hold tenaciously to their hard won positions on key terrain, despite the heavy concentration of enemy fire, until reinforcements reached them. By his action he enabled the First Battalion to accomplish its mission. That night while on a voluntary reconnaissance into the enemy held town of \* \* \* to obtain information concerning the enemy's dispositions, he was wounded, captured and is now listed as killed in action. His brilliant display of leadership, courage and selfless devotion to duty reflect the highest credit upon Lieutenant Broughton and the armed forces of the United States."

The above citation to Brother Christy M. Broughton, Jr., of Alpha Alpha Chapter has been awarded posthumously and received by Christy's father.

## TORCH and TREFOIL

February, 1946

Issued regularly eight times a year in September, October, November, December,

February, March, April and May.

Subscription price \$1.00 a year.

Entered as second class matter February 5, 1938, at the post office at Kansas City, Mo., under act of March 3, 1879. Office of Publication, 407 Land Bank Bldg., Kansas City, Missouri.

### "SCOUTS OF THE WORLD BUILDING TOGETHER"

We salute the Boy Scouts of America upon thirty-five years of valuable service to our nation. Today, members are helping brother Scouts throughout the world to reorganize and are helping develop understanding among the boys of all nations.

### AN OPEN LETTER TO ALL MEMBERS FROM THE NATIONAL PRESIDENT

My dear Brothers:

We have started our 21st year of Alpha Phi Omega with a very promising future. Definite Spring objectives pertaining to (1) service, (2) fellowship, and (3) membership have been set by the chapters from coast to coast, and there is every indication that those objectives will be reached.

Voting is now underway on the location for our 1946 National Convention to be held in December. The decision will be announced in the April issue. This convention, our first since the war, will give us a wonderful opportunity to evaluate our past activities and outline plans for the future. Look ahead to be sure your chapter is adequately represented at the National Convention.

Best wishes for continued advancement in APO on your campus.

Faithfully and fraternally yours,

National President.

**Peter Eliot Rice**

*Beta Theta Chapter*

Leaving the University of Wisconsin to answer his country's call, Pete became a radio-gunner on a B-25 and was a Staff Sergeant at the time of his death in action on Luzon May 18, 1945. He was an Eagle Scout and Assistant Scoutmaster. The Air Medal and the Silver Star were awarded to him.

**Bernard Rosenberg**

*Beta Iota Chapter*

Bernard was killed in action in Germany February 28, 1945. "He was the kind of fellow who lived for the ideals for which he died. His work in APO was such that he was deeply respected by all who knew him. He was first violinist in his school orchestra and a member of the track team. He worked unostentatiously for the things in which he believed."

## The Story of FIVE MORE GOLD STAR BROTHERS

**Adrian Chavannes Hunter**

*Beta Chi Chapter*

After completing CAA training in 1941 and completing further cadet training, Adrian was commissioned Ensign USNR in October, 1942. As an instructor he advanced to full Lieutenant. He flew a "Wildcat." In action near coast of Samar October 19, 1944, he executed a violent maneuver to avoid a crash which would have cost the lives of others, hit water and ship exploded. Service was held according to traditions of the sea.

**Bruce Sullivan Bales**

*Rho Chapter*

As an Ensign in USNR, Bruce was attached to Motor Torpedo Boat Squadron 24 near the coastal area of New Guinea March 7, 1944, when the PT boat was destroyed by enemy fire. Bruce and two others left the overcrowded life-raft and swam to shore in a courageous attempt to procure a more seaworthy craft to enable the party to reach friendly waters. No further contact with these men was ever obtainable. Since the island was known to be occupied by many enemy troops, it was assumed the men were taken prisoners by the Japanese. Since no further word was received from or about Bruce, the Navy Department on January 16, 1946, declared him deceased. Bruce's action in an effort to assist his shipmates truly exemplified the spirit of Scouting and Alpha Phi Omega.

**Charles D. Fiechter**

*Gamma Omicron Chapter*

He enlisted upon graduation from Queens College in July, 1942, and was a Staff Sergeant of Intelligence in the "Blue Devils Division" when killed in action March 14, 1944. He loved Scouting. He received the Purple Heart and was buried in U. S. Military Cemetery with honors.

#### UNIVERSITY OF COLORADO

The projects of Gamma Theta Chapter for the spring semester include sponsoring an all school dance every other week (A-Phi-O dance), ushering and other services at various school functions such as rallies, games, convocations, plays and concerts, service to the Scout Troops in this area and assistance in the orientation for freshmen. Along the social line we will have occasional dances with the dorms and sororities, a steak fry in the mountains, attendance at one church service in a body, a banquet for the installation of next semester's officers and various outings. Our spring membership goal is 50 active members and our long-range goal is 100 active members.

—James H. Abbott, President.

#### ILLINOIS INSTITUTE OF TECHNOLOGY

Capt. H. A. Lincoln, executive officer of the navy unit here, addressed our chapter recently. Capt. Lincoln is a former Scout and told of his naval experiences. This talk was one of a series of meetings at which former Scouts are guest speakers.

—James Woodling, President.

#### INDIANA UNIVERSITY

The spring projects will include a revival of the Eagle Scout Conference on the campus, handling the food and drink concessions at sports events, a campus-wide bridge tournament, a dance sponsored by a group of honorary members, and an Easter party. We have set a goal of reaching 50 active members during the spring semester.

—Lt. James L. Odell, President.

#### UNIVERSITY OF TEXAS

Some of the projects we have carried out recently include the clothing drive on the campus in conjunction with the Orange Jackets, assistance rendered to the Ex-Servicemen's Association in conducting a housing survey in Austin. Our plans are being formed in the next two weeks for the entire year.

—Ben Welch, President.

#### LOUISIANA TECH

Gamma Tau Chapter of Alpha Phi Omega has recently been reorganized, and with the return of two veterans who were formerly active, we have succeeded in getting our chapter underway.

—James W. Adams, Secretary.

#### TEXAS TECH

Beta Sigma Chapter is looking forward to an eventful and successful term of service. Several of our older members have already returned and registered and we are expecting more to arrive.

—Bob Click, President.

#### NEW YORK UNIVERSITY

The spring objectives of Beta Iota Chapter will include freshman orientation and tours, distribution of college newspaper, Scout anniversary week, window display award, scholarship fund, mailing newspaper to service men, and others. In fellowship, we will sponsor a softball tournament, a three-day camping trip, a boat ride and picnic, and a city wide APO dance. We have set a membership goal of 50 active members to be reached by the end of the spring semester.

—Howard J. Cassel, Past President.

#### HOWARD COLLEGE

Gamma Chi Chapter now has on the press the first Student Directory published here since 1943 and it will soon be ready for distribution. We have also sponsored the sale of tickets for the local March of Dimes benefit basketball game, and we are taking steps to build our chapter back to its pre-war strength.

—Doc S. Wesson, Secretary.

#### CCNY

Gamma Epsilon Chapter is pleased to report plans for great strides forward this year. We are happy to welcome back several brothers from the armed forces, and many more will soon return. With the addition of pledges during the coming semester, we will be able to undertake more service assignments. Our projects for the spring term include assistance at freshmen registration, freshmen orientation tours and assembly, assisting in the medical examinations, a display at the college during Scout Anniversary Week, conducting Student Council weekly dances, ushering at the college varsity show, assisting the Scout troops in the vicinity of the university, and others, and we will also have several social events. Our membership goal for this spring is 45 active members.

—Bennett J. Parsteck, President.

#### BUTLER UNIVERSITY

"The initiation of our fall semester men was held on the national birthday, December 16, bringing our active enrollment to the highest point since the beginning of the war. New officers have been installed, with Brother Lomax, as president."

—Paul R. Meyers, Pledge Supervisor.

#### UNIVERSITY OF ILLINOIS

Our spring projects in Alpha Alpha Chapter will include conducting freshmen tours, participation in the Red Cross drive on the campus, continuation of a projected booklet on the traditions and buildings of the campus, assistance at the state wrestling tournament and several fellowship events.

—Willis Snow, President.

#### ALABAMA TECH

Our projects in Delta Chapter for the spring months include a weekly Poll of Opinion on the campus, erection of booths for the school carnival, assisting in the World Student Service Fund drive, and improvements in our chapter room. Our social events will include a chapter dance, a buffet supper and rushee smoker. Our membership goal for the spring semester is 40 active members.

—Jack W. Anderson, President,  
John S. Bath, Secretary.

#### ILLINOIS TECH

The initiation for our fall term pledges was held February 9 and we anticipate a large new group during the spring semester.

—Wendell L. Omer, Vice-President.

#### BUTLER UNIVERSITY

Our spring projects include a campus clean-up and we will be available for all services requested by the faculty and student council. We will have two initiation ceremonies during the spring semester and expect to increase our membership to our goal of 30 active men.

—Victor W. Lomax, President.

#### SYRACUSE UNIVERSITY

Our service projects for the immediate future include chairmanship of the Winter Carnival, chairmanship of the Sno-Ball, care of the campus bulletin boards, work on the War Chest drive, leadership in the local Scout Council, and serving as hosts at the Chancellors Reception and the freshmen mixer. In addition to these, we have scheduled an over night camping trip, two Sunday hikes, two rush smokers, one initiation banquet, and an informal dance plus our regular meetings for the spring semester.

—Hank Tyler, President.

#### WILLIAM JEWELL COLLEGE

Alpha Mu Chapter has recently published a Student Directory which we believe will be useful to all students and faculty.

—Dr. L. J. Gier,  
Senior Faculty Advisor.

#### MILWAUKEE STATE

Several former members who have returned from the Armed Forces, along with our new members and pledges, are putting their shoulder to the wheel. Our Executive Committee (officers and advisors) is meeting regularly to improve our organization, strengthen our membership, and increase our service program.

—Dr. Maxwell M. Freeman,  
Senior Faculty Advisor.

#### UNIVERSITY OF MISSOURI

The spring objectives of Beta Eta will include fingerprinting of the girls of Stephens and Christian Colleges, conducting the Ugliest Man Contest with proceeds to go to the Scout Troop in the crippled children's ward in the local hospital, and assisting in the clothing campaign. We will have monthly parties and a spring dance. We now have 26 active members and our spring goal is 40 active members.

—Ray Hohman, President.

**NORTH TEXAS STATE COLLEGE**

Gamma Rho Chapter is starting off the new year with a widely-planned program of service.

Its war depleted ranks being filled with returning service men and new pledges, the new year looks like quite a prosperous one for the fraternity. With last semester's president, James Hopper, Navy-bound in March, Jess Hensarling has been elected as president for the new semester. Hensarling has been active in fraternity affairs in the capacity of secretary. Bill Patterson has been elected vice-president, and Prof. W. A. Cooper is senior faculty advisor.

The chapter voted to sponsor the "March of Dimes" campaign on the campus. A booth was erected in the corridor of the administration building, and a member of the fraternity was assigned a certain hour of the day to stay at the booth and take contributions. The drive was climaxed with an all-college "March of Dimes" dance, February 8, all proceeds from which went to the campaign.

With the advent of a great number of service men returning to the campus, Gamma Rho chapter is sponsoring a guide service where members of the fraternity are on duty at all times, to show the returnees around the campus or to answer any question that he may ask concerning the college. This service has been praised highly by members of the faculty.

With new men coming back to the campus, the members of Gamma Rho are always on the lookout for prospective pledges, men that they think will be an honor to the fraternity, and those that will benefit by the associations acquired in the fraternity. As usual Gamma Rho is mapping out a program of pledgship that will be of benefit to the men, the college, and the community.

—R. Wesley Brock, Secretary.

**SOUTHEAST MISSOURI STATE COLLEGE**

All members of Beta Psi Chapter have offered their blood to the local hospitals, thus easing considerably the critical need of blood for transfusions in this city. As in past years our chapter sponsored the March of Dimes on the campus and helped considerably in the collection of clothing for the needy in war-torn countries. Our present plans are to help re-organize a Red Cross chapter on the campus and sponsor the forthcoming drive. We hope soon to regain our prewar reputation as the most outstanding organization on the campus.

—Robert L. Bartlett, Secretary.

**WESTMINSTER COLLEGE**

Our chapter has made plans to increase our activities during the coming semester, and with the enrollment growing we will be able to enlarge our membership. Three new members were initiated on January 22.

—Richard Wilhelm, Secretary.

**SOUTHWESTERN LOUISIANA INSTITUTE**

We are now putting on an extensive pledging campaign to build up our chapter after losing many of our members in Navy transfers.

—Florian Cornay, President.

**FOOTBALL END WINS "BEAUTY CONTEST" AT KANSAS U.**

In the land of the Jayhawkers, Lambda Chapter sponsored and conducted the March of Dimes Dance again this year. A beauty contest, strictly for males, was a highlight of the intermission program. The picture above shows Dick Ong, chapter president, introducing the candidates. You guessed it! Norman Pumphrey, football star, (fourth from left) was the winner. Dance proceeds netted \$205.12 for the infantile paralysis fund.

**AT MICHIGAN STATE**

Beta Beta Chapter helps maintain "No Smoking" tradition on campus. Here Russell Scovill, Richard Bloom and Jesse Woodring are shown with some of the signs erected.

**AT ILLINOIS TECH**

Delta Epsilon Chapter at Illinois Tech used this novel idea in support of the 1946 March of Dimes campaign. The goal was oversubscribed in 2 1/2 days of contributions.

**SOUTHWEST MISSOURI STATE TEACHERS COLLEGE**

"Our annual banquet will be held on January 17 and we are now making plans for fingerprinting the students of our campus."

—Leonard Ernstman, Past President.

**SOUTHWESTERN LOUISIANA INSTITUTE**

"Christmas and New Years greetings were sent by our chapter to all alumni and service brothers."

—Dr. R. H. Bolyard, Senior Faculty Advisor.

**UNIVERSITY OF PENNSYLVANIA**

Delta Zeta Chapter is cooperating in the Victory Clothing Drive for the people of Europe and Asia. We are holding our campus campaign January 23 to February 1. Also, we are in the process of securing a permanent meeting room and we hope to obtain a filing cabinet in which to keep our records and materials and to accumulate the history of our chapter.

—James E. Manis, Secretary.

**UNIVERSITY OF MIAMI**

Alpha Pi Chapter celebrated the twentieth anniversary with a dinner at the Coral Gables Country Club on December 15. President Hickman was toastmaster and Dr. James Carney, representing the faculty, gave an inspiring talk concerning the services of our chapter. On January 8 a rush smoker was held for prospective pledges.

—Norman Sigal, Historian.

**CARNEGIE TECH**

Four members of Kappa Chapter served as Student Aides at the forty-third commencement of Carnegie Tech February 3, 1946, including Peter Bertelson, Joel Bigelman, Richard Bock and John Coffin. This service is provided regularly by our chapter.

—Prof. Kent D. Shaffer,

National Executive Board.

**MISSOURI SCHOOL OF MINES**

"At the fall Parents' Day here our chapter served as guides. We have outlined several other projects which are now in the beginning stages."

—Don Eason, Secretary.

**UNIVERSITY HEIGHTS NYU**

Our spring service projects include publication of a student directory supplement and a faculty directory, assisting at training courses of the local Scout Council, aid at freshmen orientation, conducting the Red Cross financial campaign, a Scout survey of the entire university, and teaching swimming to Scouts. In addition we will have several fellowship activities and we have set a goal of reaching 45 active members by the end of the spring semester.

—Lewis Rusoff, President.

**CCNY**

The proposed activities of Gamma Delta Chapter for the spring semester include the Red Cross drive on the campus, ushering at the various events, selling tickets for all athletic events and several social activities. We now have 20 active members and anticipate pledging a group of 10 more fellows during the spring semester.

—Alvin Bernstein, President.

**UNIVERSITY OF WISCONSIN**

Beta Theta Chapter is now engaged in the clothing campaign for relief in war-torn countries. We will have a Scout Week exhibit in the university library and will soon complete the out-door campus fireplace started several years ago. We will assist at the Scout drum and bugle corps concert from which net proceeds will go to Camp Wabeek. We have set a membership goal of 35 active members for the spring semester.

—Donald Furman, President.

**UNIVERSITY OF IOWA**

Omicron Chapter has several projects underway for the spring semester including our city wide paper drive, hospital visits, the United Nations clothing drive, March of Dimes, swimming and other instructional aid to local Scouts, participation in freshmen orientation, sponsorship of the annual Senior Scout Ball, and several outings. We have set 50 as our standard membership, and will work toward reaching that objective this spring.

—Carrol F. Schneider, President.

**SOUTHERN METHODIST UNIVERSITY**

"Alpha Omicron chapter has assisted in the collection of used clothing by arranging a container on the campus in which to have students deposit clothing they wish to contribute to people in war-torn countries."

—Coit Butler, President.

**GEORGIA TECH**

"Our most recent group of pledges were initiated on November 18 and included in this ceremony were three new honorary members, Colonel Blake Van Leer, President of Georgia Tech, Dean Cherry Emerson, Dean of Engineering, and Dr. George P. Hayes, Professor at Agnes Scott College."

—Arthur Hinners, Secretary.

**KANSAS CITY UNIVERSITY**

"Our annual Turkey Hop this past fall was a fine success, and our forthcoming projects include sponsoring the March of Dimes on the campus and the Red Cross financial campaign."

—Ronald Farmer, President.

**HONORED**

**Lt. Herman Howard**

Alpha Omicron Chapter

This brother from SMU received a battlefield promotion to Second Lieutenant in action in Europe April 4, 1945. We congratulate Herman upon this distinct honor.

**HONORED**

**Ensign Robert Svenson**

Delta

For work as a mechanical engineer, coordinating and planning various projects having to do with mines, depth charges and torpedos, Bob was awarded a certificate of commendation. Congratulations!

**LIBERATED**

**Lt. Albert L. Thomas, Jr.**

Delta Chapter

After being taken prisoner on a mission over Germany, Albert was later liberated and is now in school at Cornell University. He is now serving as vice-president of Gamma Chapter of APO.

# BARRACKS BANTER

FROM BROTHERS  
IN THE SERVICE

## DELTA ZETA CHAPTER INSTALLED AT UNIVERSITY OF PENNSYLVANIA

The 102nd chapter of Alpha Phi Omega came into being on the campus of the University of Pennsylvania at ceremonies conducted December 17, 1945.

Instigated by seven members from other chapters who transferred to Penn in the Army and Navy units, the chapter is off to a good start. Elected president was Donn K. Haglund (from Drake University); Vice President, William Owsley (from the University of Texas); Secretary, James E. Manis (from Indiana State Teachers College). Sidney B. North, National Secretary, officiated at the installation.

The TORCH AND TREFOIL extends congratulations and good wishes to Delta Zeta Chapter. A picture of the chapter will appear in a later issue.

Ensign Robert T. Peak (Iota)  
In Japan  
Writes:

I'll never forget my first view of Japan. We were all at our battlestations prepared for anything, for we were the first force to arrive in this area. At 0500 it was light, with a thin cloud haze and the remnants of a fiery sunrise. The low, rolling peak of Erimo towered from the southern tip of Hokkaido. The Jap coastline was cold, rugged and bleak across the choppy water. Honshu was dead ahead, with a mountain peak jutting on the horizon.

A Jap frigate came out to meet us in order to act as a guide through the heavily mined Tsugaru Strait. The vessel was flying a white flag and carried surrender emissaries. Our light carriers, steamed slowly behind a protecting screen of minesweepers to Ominato, where surrender ceremonies took place. We have been "swinging on the hook" for the most part since our arrival here in September, however, we did support landings at Aomori, which is just down the Bay from Ominato, and also at Hakodate and Otaru on Hokkaido.

I saw my first Jap movie while on liberty at Otaru. The theatre was nice but it had the same foul odor that seems to be ever present in all Japanese buildings—so we didn't stay to see the end of the picture. There are several big department stores in Otaru, as well as numerous small shops, but nothing in any of them worth buying. I have yet to see a grocery store. The drug stores, which actually sell nothing but drugs (Katz should hear about that) are the cleanest and neatest stores of all.

The people are, of course, very interesting to watch. Only I can't figure out how they keep their wooden sandals, or "getas" as they call them, on their feet while they walk.

Pvt. Tom Patterson (Beta Theta)  
Camp Grant, Illinois  
Writes:

"I was glad to attend a meeting of Beta Theta chapter recently at which several prospective members were on hand. All of them according to my analysis would make ideal men and would get in and pitch in the chapter.

Frederick W. Culpepper, Jr., 1/c  
(Gamma Zeta)  
Portsmouth, Virginia  
Writes:

After completing my Navy service I plan to attend the Virginia Polytechnic Institute. Fortunately my Navy duty has been light enough to permit me to continue my Scouting actively.

T/5 William E. Newby (Alpha Eta)  
In Germany  
Writes:

"I hope 1946 will be a terrific year for APO. I am planning that boat trip in the spring but to the Army I am just now 49 points. Anyway, it's KCU in September '46 or bust."

Walter H. Dodd Phm 3/c (Beta Theta)  
Staff, U. S. Naval Hospital  
Medford, Oregon  
Writes:

I have been out of touch with the Wisconsin Chapter for some time but I am planning to return to college and am definitely interested in maintaining active relationship with the fraternity.

Pfc. William Bowers, Jr., (Gamma Rho)  
Manila, Philippine Islands  
Writes:

I expect to be here for sometime. I miss the fraternity and all it stands for since being away and I want to keep up with it by means of the TORCH AND TREFOIL. In the short time I have been in the Army I have met a few fellows who are members of APO and have been able to see through them the great influence our organization has upon our fellowmen.

Lt. Robert E. Murphy  
Kenning, China  
Writes:

"I have served in the C B I Theatre. I am due to ship to Shanghai soon. My duty is Wire Officer in the Army Signal Corps."

**GET THE CAMERA BUG.** Take pictures of your chapter projects and send them to the national office for use in the TORCH AND TREFOIL.
