SUGGESTIONS FOR CHAPTER SERVICE PROJECTS

The Findings of the Aims and Objectives Committee.

The Committee on Aims and Objectives at the Fifth Biennial Convention of Alpha Phi Omega endeavored to select a group of outstanding service projects which may be carried on by chapters of Alpha Phi Omega. The following list of projects have been used successfully in the past by some chapters of the fraternity and are worthy of the consideration of every unit in Alpha Phi Omega.

1. Citizenship Day Program—An all-student convocation, held during Anniversary Week of the Boy Scouts of America or at some other time agreeable to the school administration.

2. Inter-racial meetings—for all foreign students on the campus.

3. Orientation activities—a service to freshman Scouts and non-Scouts at the opening of school in the fall.

4. Scout rally on the campus—an occasion when Scouts from the surrounding territory are invited to be the guests of the Alpha Phi Omega Chapter. In the fall this program includes college football game, demonstrations and other types of activities. In the spring it may be a campus acquaintance program, especially designed for high school seniors.

5. Eagle Scout Conferences—An occasion when Eagle Scouts from the Council or from several surrounding Councils may be invited to the campus for a special program of events.

6. Chapter meetings—interesting, full of color, including a renowned speaker, songs, opening and closing ceremonies.

7. Pledge meeting—a smoker with talk and entertainment.

8. Annual Alpha Phi Omega Dance—either formal or informal, with alumni and guests invited.

9. Athletic Meeting—a get-together in the gymnasium, with a program of wrestling, tumbling, refreshments and so forth.

WALTER W. HEAD

"He Inspires Confidence"

Brother Walter W. Head, National President of the Boy Scouts of America, was born on an Illinois farm, but at the early age of seven moved with his parents to Buchanan County, Missouri.

He was required to work his way through the State Normal School and on the completion of his college work began a schoolmastership at De Kalb, Missouri.

WALTER W. HEAD

Realizing that a business experience would be most helpful in life, he spent his first two summers working in a bank without pay. A new bank was formed in De Kalb, Missouri, and Brother Head was named cashier, a splendid tribute to the confidence his associates and his fellow townsmen had in him as a young man.

From that time on his progress was most rapid. Within a few years he had served as a bank examiner and later became the cashier of the largest banking institution in St. Joseph, Missouri. He was called from that position to the Omaha National Bank, the outstanding financial institution in the State of Nebraska. In 1929 he

CITIZENSHIP DAY

An Editorial which appeared in the Col-
 umbus (Ohio) Journal, March 4, 1935.

If ever there was a time in the history of our country when the young people needed teaching in citizenship that time is now, when the constitution is stretched to attempt to cover political policies, when much of the legislation that is enacted is prepared and ordered by the administration, and when there is a tremendous growth of Communism, and theories by the baker's dozen.

Alpha Phi Omega, scouting fraternity at Ohio State University, will hold Citizenship day exercises on the campus Wednesday, and will endeavor thereby to arouse the interest of faculty and students to greater concern for American ideals and intelligent participation in government.

The science of civics, or, as it is sometimes called, civil government, is taught in the schools, colleges and universities, but all too rare is the real teaching of citizenship itself. The graduates of all the educational institutions go out into life responsible for the affairs of local, state and national government, equipped for leadership in trades, professions and business, but too often sadly lacking in a very vital part of real education, namely, that of citizenship.

Too many persons ignore the responsibilities to which they are born. If there are bosses in politics, if the fundamental functions of government are changed and diverted, if the tendency toward dictatorship grows and if Communistic ideals flourish, whose fault is it?

THE NATIONAL PRESIDENT SAYS . . .

Spring is here and your chapter will soon be electing new officers to take over the reins of leadership in your institution when school opens in the fall. I want to urge every chapter to elect men of outstanding ability to fill the key positions. Upon the shoulders of the chapter officers rests the responsibility of developing the program which will insure the success of the chapter. Alpha Phi Omega with its full program of activities is dedicated to Friendship, Leadership, and Service. A challenging program which will command respect on the campus cannot be administered by men of mediocre ability. High cali-

bered men as chapter officers will present a big and challenging program.

Select wisely, I beg of you, your chapter officers for the school year of 1935-36.

The majority of our chapters have been most successful in securing suitable meeting rooms for their exclusive use on the campus. The quarters which Alpha Phi Omega chapters occupy should be sufficiently large to hold chapter meetings, socials, special meetings, committee meetings, officers' council meetings, and yet small enough so that personal conferences can be had with the proper degree of intimacy. Any chapter that does not have adequate meeting quarters should make arrangements with their university officials to set aside a room on the campus for its use.

Alpha Phi Omega should be THE service unit on every campus: Service to the student body, Service to the faculty, Service to the institution should be incorporated in the chapter activity program.

Any project that is worth while, regardless of whether it is large or small, should have careful planning. Committees should be appointed this spring to plan for all special chapter projects which will be included in the fall program. Freshmen and Scout orientation, rushing and pledging activities, Founder's Day program, Citizenship Day program, and all other important projects should be carefully planned before the end of the school year.

Permit me to extend to you a bit of wisdom from the pen of that great English author, Thomas Carlyle:

"Labor is life: from the inmost heart of the worker rises his God-given force, the sacred celestial life-essence breathed into him by Almighty God. His inmost heart awakens him to all nobleness—to all knowledge, self knowledge and much else, so soon as work fitly begins."

National President.

NATIONAL CONSTITUTION AND BY-LAWS REVISED

Six Important Changes

The most significant changes which were made in the National Constitution and By-Laws of Alpha Phi Omega at the Fifth Biennial Convention may be listed as follows:

1. The establishment of a Life Membership. A Life Membership in Alpha Phi Omega has been created especially for those members of the fraternity who wish to continue active association with Alpha Phi Omega after they have completed their college and university work. A detailed article with regard to this new membership may be found on page 9 of this publication.

2. Designation. Alpha Phi Omega has been designated and classified as a National Service Fraternity. This classification was adopted in order to make clear the purpose of this organization.

3. Status of Faculty and Scouting Advisors. The Faculty and Scouting advisors have been granted the privileges of active membership in their respective chapters. The advisors may or may not be required to pay chapter and national fees. This decision is left to each chapter.

4. National Executive Board. The National Executive Board, formerly the Supreme Council, now consists of twenty-one members of the fraternity, elected by the National Convention. The names of the National Officers have been changed to National President, National Vice-Presidents, National Secretary and National Treasurer. This change was made with the idea of eliminating the "mystery" which was attached to the former titles.

5. Chapter officers. The titles of chapter officers have also been changed to President, Vice-President, Secretary, and Treasurer. Two new chapter officers were added—Historian and Alumni Secretary. The name of Senior Faculty Advisor was retained as the title for the leading advisor of the chapter.

6. Fees and assessments. The initiation fee was divided into two parts, a pledge fee and an active fee. The minimum pledge fee is \$1, this amount to be forwarded to the National Treasurer. The active fee is \$5 and of this amount \$4 is sent to the National Treasurer and \$1 is retained in the

The National Council of the Boy Scouts of America has appointed a National Advisory Committee on Senior Scouting. Under the direction of this committee will be the development of the Senior Program of the Boy Scouts of America.

This committee includes two members of the National Executive Board of Alpha Phi Omega. They are Brother William J. Campbell (N. H. M.), Chicago, and Brother Raymond O. Davies (Omega), New York City.

Other members of the committee are Dr. James E. Russell, Dean Emeritus of Teachers College, Columbia University, Chairman; Dr. William C. Menninger, Skipper of the National Flagship, S.S.S. chapter treasury. By this arrangement the total amount paid by each new member is just the same as in the past.

An optional Life Membership fee was established to be paid by active, honorary and advisory members in consideration of Life Membership in the Fraternity and life subscription to the official publication. This fee is now \$8.00. Beginning January 1, 1937, the fee will be \$10.00.

DEBUT OF THE "TORCH AND TREFOIL"

With this edition the magazine of Alpha Phi Omega takes its new name, "Torch and Trefoil." This new name for our publication was devised by the Fifth Biennial National Convention with the belief that it carries much more significance than did the former name, the "Lightbearer." The "Torch" is the emblem of Education; the "Trefoil" is the emblem of Scouting. Alpha Phi Omega brings together Education and Scouting, hence the significance of this new name for our magazine.

Brother Theodore R. Pfalsgraf, Editor of the "Torch and Trefoil," has endeavored to make this magazine much more interesting than it has ever been in the past. It is his desire that this publication shall be full of interest for all members of Alpha Phi Omega as well as for other persons who are privileged to review its pages. Brother Pfalsgraf will welcome suggestions and material from the chapters for the subsequent issues of this publication.

ALPHA NU CHAPTER AT ST. NORBERT COLLEGE

H. Roe Bartle, National President, Installs New Chapter

The Alpha Nu Chapter of Alpha Phi Omega was formally installed at St. Norbert College, West De Pere, Wisconsin, on March 24, 1935. The installation banquet and ceremony were held in the Beaumont Hotel in Green Bay.

Brother H. Roe Bartle, National President of the Fraternity, served as the installing officer. The team included Brothers Willard Shinnors, President of Upsilon Chapter, Monroe Huher, Gene Bosl, and Professor Guy Penwell, College Coach and Senior Faculty Advisor of Upsilon Chapter.

Welcomed By The Rector

After the initiation, Brother Bartle charged the members with their duties to the Fraternity, the campus, and the Nation, and explained the ideals of the Fraternity—Friendship, Leadership, and Service. Addresses were also delivered by the Very Reverend Dr. A. M. Keefe, O. Praem., Rector of St. Norbert College, who is one of the faculty advisors of the group, and Peter H. Norg, Scout Executive of the Nicolet Council, who is one of the Scouting advisors of the chapter. Father Keefe spoke on the three types of fraternities—social, honorary, and professional, defining each and pointing out their particular values. He welcomed the new group to St. Norbert and expressed great hopes for its value to the school. He

lauded the group that makes up the chapter.

Brother Norg spoke on the chapter's possibilities as an aid to the Nicolet Council, showing that the Fraternity was of particular value as a medium of carrying Scouting to the college campus and to the business and professional worlds.

Judge Henry Graass, "father" of Scouting in northern Wisconsin, spoke briefly on the value of the organization and the importance of its standards in after life. "Your life is what you make it," he said, "and if you don't control it, it will control you. Don't drift on aimlessly. The lives of achievement, the lives of service, they are the lives worthwhile."

Guests at the Banquet

In addition to the chapter and its advisors and the installation team, the guests at the banquet included Judge Graass, Mr. Jack Stiefel, Mr. E. H. Cranston, members of the local Scout Council Board of Directors.

UPSILON CHAPTER HOLDS PLEDGE SMOKER

On Wednesday evening, February 27, Upsilon Chapter of Milwaukee State Teachers College, sponsored a pledge smoker. There were thirty rushees in attendance. Each of the chapter officers spoke for a few moments on the program and purpose of Alpha Phi Omega. The entire group of prospects indicated their desire to become members of Upsilon Chapter.

This chapter recently entered a basket ball team in the college Inter-Fraternity League. It was successful in reaching the quarter finals. Under the leadership of Brother Willard Shinnors, President, the chapter is carrying on an extensive program of activities this semester and a committee is at work planning the activities for the coming school year. Upsilon is on the map at Milwaukee!

The "Walter W. Head Class" of Pledges Who Were Initiated Into Alpha Phi Omega at the Fifth Biennial Convention by the Ritualistic Team of Eta Chapter

the University of Southern California with the assistance of Alpha Eta Chapter. The title of the song was "Fight On" and the words were changed from those used at Southern California to make the song significant to the development of Alpha Phi Omega.

Dr. Wyland presented the report of the Committee on Aims and Objectives and Brother J. C. Underwood (Omega) presented the findings of the Nominating Committee. The following members were nominated and elected to the National Executive Board of the Fraternity:

The address at this closing luncheon was delivered by Brother Stanley M. Harris, National Director of Inter-racial Scouting. Brother Harris told of his many experiences in connection with the chapters of Alpha Phi Omega and charged the delegates to continue this great program of ser-

vice to Youth.

Following Brother Harris's address, the National President called upon his very good friend, Brother George H. Charno, to deliver the final challenge to the Fifth Biennial Convention. Quoted here are the closing paragraphs of Brother Charno's address:

"Go forth and be big men! I wish you well. Your willingness is negligible until you have given your all to the pure principles of this fraternity. Go forth and earn your college degrees! But, remember, the greatness of your degrees comes through service. I witnessed your Christmas season. It is beautiful in spirit. You profess to be Christians; I would you were Christians. I pray you live as such instead of talking about being Christians. The Christ you worship and I respect, endows you with a birthright to establish in the world Peace and Goodwill among Men, if you are big enough to live his teachings.

"The challenge of this fraternity is not that you are 'one of the boys,' not that your name is publicized, not that you wear a fraternity pin. The challenge is, will you be big enough to give unto your fellowmen all you have, to be God-like enough to return to your respective chapters and live the principles of Alpha Omega.

"Gentlemen, Friendship, Leadership and Service is your faith. That is my faith. Are you big enough, are you God-fearing enough to return to your chapters, your communities, your homes, and live the exemplification of that faith? The game is in your hands. I pray you play it well."

Following this stirring challenge, Dr. Elmer Guy Cutshall delivered the benediction.

The gavel fell and the National President declared the Fifth Biennial Convention of Alpha Phi Omega adjourned.

LIFE MEMBERSHIP IN ALPHA PHI OMEGA

After having received many requests from members of the fraternity for a Life Membership, the Supreme Grand Master, Brother H. Roe Bartle, appointed in February, 1934, a Commission on Alumni Membership to make a concentrated study upon this subject. Dr. Louis H. Renfrow was the chairman of this commission. Dr. Renfrow presented his findings to the National Convention, held in Kansas City during the past Christmas holidays, and from it came the adoption of a Life Membership to be granted to active, honorary, or advisory members of the fraternity upon payment of the Life Membership Fee. A fee of eight dollars was set up for the years of 1935 and 1936. Thereafter, the Life Membership Fee is to be ten dollars.

This Life Membership will entitle a member to active participation in the fraternity's affairs throughout his lifetime and to a life subscription to the official fraternity magazine.

This membership is especially designed for members who have a real desire to keep actively in touch with the activities of Alpha Phi Omega after they have completed their college or university training. The magazine which the member receives will bring him news which is of particular interest to the fraternity at large and which will aid him in following the development of Alpha Phi Omega.

Life membership may be secured upon application to the National Office of the Fraternity, 505 Land Bank Building, Kansas City, Missouri.

In 1925 he married Helen Schneider, a graduate of Northwestern University in 1925 from the College of Liberal Arts.

Brother Goodman was the Director of New-Student Promotion at Northwestern University. He was on a trip through the western states in the interest of the University and Alpha Phi Omega with Mrs. Goodman when they were killed in a motor car accident near Phoenix, Arizona.

Funeral services were held November 14, 1934, at the Community Church in Kansas City, Missouri, with Dr. C. E. Edmondson, pastor of the Country Club Methodist Church, and Dr. Quincy R. Wright, pastor of the Broadway Methodist Church, in charge. Alpha Phi Omega was represented at the funeral services by two members of the Supreme Council, Brothers H. Roe Bartle and Sidney B. North, and a delegation from Alpha Eta Chapter at the University of Kansas City.

Brother and Mrs. Goodman are survived by their four-year old daughter, Virginia Lou Goodman, Rev. and Mrs. John W. Schneider, Mrs. Goodman's parents, and her four brothers, and Mr. and Mrs. E. L. Goodman, Mr. Goodman's parents.

At Northwestern University Brother Goodman was loved and respected by everyone who was privileged to contact him. He was Senior Faculty Advisor of Sigma Chapter and gave unusual leadership in this capacity.
