The View From the 40th Story

"Mountains cover the white sun, And oceans drain the golden river, But you widen your view three hundred miles By going up one flight of stairs."

HE UNKNOWN Chinese poet of the T'ang Dynasty, who wrote those inspired lines a thousand years ago, could well have penned them for Alpha Phi Omega.

The Fraternity, next December 16, will stand at the apex of forty years of Service to college and university campuses. For some, this will be a nostalgic experience, as they think back to APO's founding; for most it will be a time to look forward to the unfolding challenge that is ours across the vast sweep of America, from Puerto Rico to Alaska, from Hawaii to Plymouth Rock.

The achievements of the past are a noble prologue for that which is yet to be. Now, as never before, Alpha Phi Omega faces the challenge of new lamps for old, in the type of Service expected in this age of personal involvement. To be a Friend and to be of Service, and to give Leadership where the need is greatest, is our commitment.

The times demand a program beyond anything conceived forty years ago, or even as recently as a decade ago. Chapters located in or near large cities will find meeting human needs in "Inner Cities" a rewarding and educational experience. The Service chapters now extend has no geographic boundaries, as APO brothers in the Peace Corps so clearly demonstrate.

The view from the 40th story of Alpha Phi Omega's House of Service is indeed impressive. In all directions new campuses appear, old ones add structures, and enroll ever increasing numbers of students.

We cannot stand idly by and ignore the provocative challenge to share APO experiences with more men, and more campuses. Only by so doing can we become more useful and helpful. We must carry on with the same faith and devotion which has characterized APO during the past forty years. We can, We must, We will.

THE NATIONAL EXECUTIVE BOARD MEETS

The National Executive Board held an action-packed meeting, Saturday, October 16, at Cleveland, Ohio.

Dr. Tom T. Galt, the National President, presided and challenged the Board members to "Step Up and Step Out for APO." The eighteen members responded heartily. They received, discussed, and took up recommendations embodied in most of the 22 reports from Committees, plus

five special reports and recommendations from the President and the National Director.

Every phase of the Fraternity's broadening national program was carefully considered. Major actions were taken as follows:

In the field of Finance, the Board received, reviewed and accepted the Audit for the 1964-65 fiscal year, prepared by Arthur Young & Company. The budget for 1965-66 was checked and approved; employment of an accountant was authorized; and the President was empowered to appoint a committee to raise money for the Fraternity.

The Board was pleased to note the increase in the Fraternity's Endowment funds.

Service projects were considered. Assistance to the Peace Corps was re-affirmed as APO's National Service Project, with the added recommendation that chapters consider as possible projects World University Service, assistance to the Knights of Dunamis, to HOPE, to the Mental Health Association, to the Readers Library Association, and to the Big Brother program.

Expansion to additional campuses introduced the subject of APO's Long Range Program. There now are approximately 1100 Universities and colleges in the United States, plus an additional 650 Junior Colleges and specialized schools. Approximately 700 of these appear suitable at this time for APO chapters and efforts will be made to reach all of them.

Other actions taken included:

1. Approval of the petition of Tuskegee Institute for chapter status.

2. Acceptance of the invitation of the National Council, Boy Scouts of America, to provide an APO Service Troop for the 1967 World Scouting Jamboree, to be held in Idaho.

3. The continuance of the relationship with the L. G. Balfour Company as our official jeweler.

4. Approval of the Radisson Hotel, Minneapolis, as the 1966 Convention headquarters.

5. The preparation and updating of guide manuals for Sectional Chairmen and the conduct of Sectional Conferences and Seminars.

6. A registration fee of \$4.00 for the 1966 Convention.

7. An all-out effort to secure delegate representation from all chapters at the 1966 Convention.

8. Authorization to the Constitution Study Committee to request approval at the 1966 Convention of a National Constitutional Convention, to be held in 1967.

The Board voted appreciation to the President for his leadership, to Elmaar H. Bakken for the excellent relationship between the Fraternity and the National Council, BSA, and to Dr. Delmer H. Wilson for his untiring and successful efforts to build and expand APO.

Those present at this decisive board meeting were Dr. Tom T. Galt, National President; E. Ross Forman, First Vice President; Manfred O. Aws, Jr., Treasurer; Aubrey B. Hamilton, Legal Counselor; Joseph J. Scanlon, Executive Director; Ed Andrews, Elmaar H. Bakken, Prof Harry C. Barnett, Dr. H. Roe Bartle, M. R. Disborough, Dr. Lawrence L. Hirsch, Paul M. H. Lienhardt, Sidney B. North, Gen. H. O. Paxson, Rev. Robert J. Payne, Gerald M. Plessner, William S. Roth, and Dr. Lester R. Steig.

The next meeting of the Board will take place March 25-26-27, 1966.

ALPHA PHI OMEGA

APO's International Ambassador last summer was Pastor Frans A. Victorson of St. Joseph, Michigan, leader of the American delegation to the Israeli Scout Jamboree.

"I discussed APO with men from Belgium, France, England, Israel, and Arab countries represented. The interest was high. One of the young men attending the University of Jerusalem asked for my APO patch and I gave it to him. I had some literature along

Rev. Frans A. Victorson

and shared that, too. I found everyone delighted to learn about Alpha Phi Omega and its program of Service to

campus, community, and nation," Brother Victorson reported.

The opportunity to spread the APO message will be even greater, he feels, when the World Jamboree of Scouting is held in 1967 in the United States.

Brother Victorson is one of APO's distinguished national leaders. He was an undergraduate member of Omega Chapter, Drake University, has served as a National Vice President, and has personally organized a number of APO chapters. He is presently Chairman of APO's National Ritual Study Committee and of the National Public Relations Committee as well.

INTERNATIONAL??

Alpha Phi Omega will have a Service Troop at the World Jamboree. The National Executive Board voted acceptance of the invitation to provide such a troop at its meeting, October 16, in Cleveland.

TEXAS DEANS and **A PHI O**

Texas Deans of Student Life and Deans of Men, and their associates, heard a great deal about Alpha Phi Omega during their three-day conference, November 1, 2, 3, at Texas A & M University. Representatives of forty-five Universities, Colleges, and Junior Colleges attended.

Dean James P. Hannigan of Texas A & M presided as President of TASPA, as the Association is known in educational circles. Dean Lewis N. Jones of Texas Tech conducted a panel on "Housing, Feeding, and Resident Hall Activities." Both are members of the National Executive Board of APO.

Joseph Scanlon, the National Director, distributed APO literature and discussed the organization of chapters with deans from campuses without APO, as well as those with chartered groups.

"The interest of Texas Deans in Alpha Phi Omega is increasing," Dean Jones reports. Dean Hannigan expressed appreciation for the work of Ron Radtke, the newest of Alpha Phi Omega's National Service Representatives. "The Deans of every University and College he has visited tell me their chapters have benefited by this extension of our National Service. They are delighted that APO at long last has taken steps to insure this much needed assistance to Chapter Advisors and Members."

Dean Waller M. Ethridge of East Texas Baptist College expressed his appreciation to Dean Hannigan and to the Brothers of East Texas State College for the installation October 24 of the Omicron Omega Chapter on his campus. Mr. Radtke assisted.

During the session the National Director met with the Brothers of Xi Delta at Texas A & M. They pledged sixteen new men the evening of November 1 and said they expected to pledge that many more by the middle of November.

Alpha Phi Omega is delighted to have the opportunity of meeting with Deans in their sectional and national gatherings. The Fraternity values their interest in and support of APO. The Texas session was outstanding in the number of Deans present with chapters on their campuses. The Fraternity's 40 years of experience clearly demonstrates that no chapter succeeds without faculty and administrative support. The chapters with the best records over the longest periods of time prove this, without exception.

Deans of Students and Deans of Men on Texas campuses sponsoring APO chapters, posed for the above photo at the TASPA conference, Nov. 1-2-3, 1965, at Texas A. & M. University. Texas Deans plan to participate next March in SWASPA, the Southwest Association meeting, to be held at Hot Springs, Arkansas. Dean Jones is Vice President of SWASPA.

Sixty Campuses in 60 Days

Ronald D. Radtke

Roger A. Sherwood

Alpha Phi Omega is delighted with the response from Sections and Chapters to the national program of Chapter Visitation Service and work with Sections now under way.

Roger A. Sherwood and Ronald D. Radtke, the Fraternity's traveling National Service Representatives, have been to more than sixty chapters in the past sixty days. They have conferred not only with Chapter Officers and Advisors, but also with Deans of Men and Sectional Chairmen

The interest in their work is intense.

Dean James P. Hannigan of Texas A & M University, the Sectional Chairman for East Texas, said the reaction to this National Service has been especially noteworthy from Deans in his area. "A dozen Deans spoke to me at the TASPA session about this new and much needed Service by APO. Without exception they voiced their approval and endorsement.'

Dean Hannigan's reaction is similar to that of Sectional Chairmen and educators in Michigan, New York, New York City, Illinois, Missouri, Mississippi, Alabama, Arkansas and Ohio.

A partial list of chapters visited by Mr. Sherwood includes: Gamma, Cornell University; Gamma Delta, Bernard Baruch School, New York City; Gamma Epsilon, City College of New York; Gamma Iota, Brooklyn College; Gamma Omicron, Queen's College; Gamma Omega, New York University; Epsilon Gamma, Alfred University; Kappa Beta, Brooklyn Polytechnic Institute; Kappa Epsilon, Wagner College; Lambda Gamma, Manhattan College; Lambda Eta, Hunter College; Xi Xi, Fordham University; Lambda Theta, Columbia College; Epsilon Nu, New York State University College at Oswego; Epsilon Sigma, New York State University at Buffalo; Phi, Syracuse University; Mu Beta, Colgate University; Mu Lambda, University of Rochester; Xi Zeta, Rochester Institute of Technology; Eta Mu, Utica College of Syracuse University; Mu Psi, Niagara University; Epsilon Psi, Kent State University, Ohio; Xi Upsilon, Mount Union College; Theta Upsilon, Case Institute of Technology; Epsilon Phi, Youngstown University; Theta Beta, Cleveland State University; Eta Pi, University of Detroit; Beta Beta, Michigan State University; Gamma Pi, University of Michigan; Zeta Pi, Wayne State University.

The National President and the National Executive Board desire to extend this Service to the entire nation. The National Service Staff will be increased as and when APO finances permit. The annual contributon of \$15 which chapters make for national expansion and Service, help make this work possible.

PEACE CORPS - Don't Forget

September 6, 1965

Alpha Phi Omega Fraternity 1100 Waltower Building Kansas City, Missouri United States of America

Attention: National Secretary

Dear Sir:

A little over two years ago I joined the Peace Corps, and I am still with the organization for a third year. In that time I have lost contact with my local chapter of Alpha Phi Omega at

Bradley University, Peoria, Illinois. Wishing very much to contact the chapter and its officers so that they may contribute to a project here in Ethiopia, would you be so kind to send me the names of the current officers, and, if possible, their school addresses. Your help would be very much appreciated.

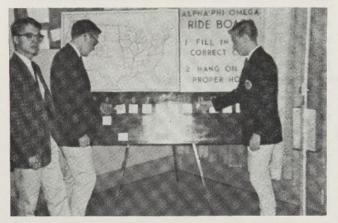

> Yours sincerely, WARREN R. FRITZ Past President. Zeta Alpha Chapter

P.S.: Please use air mail as the surface mail takes over two months.

· · · CHAPTER SERVICE

HE HEART of Alpha Phi Omega is the ultimate service it can render under our proud banner. Each month we try to tell you, if in only a few words, what you as the men in individual chapters, are doing. There is no end to the each chapter's genius in finding new ways to do new things on campuses across our land.

MU ALPHA, Georgetown University, recently added a ride board to their long list of campus services. The campus has taken advantage of Mu Alpha's generosity and have used the board quite frequently. Father Daniel Power, S.J., serves as the Advisory Chairman. James J. O'Malley is Chapter President.

Brothers O'Malley, Conaghan, and Thomas display the use of Georgetown University's new APO ride board.

ALPHA DELTA, San Diego State College, have centered many of their fall activities around the current football season. After painting numbers on the 16,000 seats of the Aztec Bowl, the brothers escorted eighteen mentally re-tarded children to the annual homecoming football game. The Chapter is presently striving for \$2,500 from the sale of student directories. The Advisory Chairman is Dr. John Yarborough and the Chapter President is Wayne W. White.

NU, Upsala College, reports all is going well with their Book Exchange and hospital visitations. The Chapter is now giving leadership to the commuter cafeteria. They supervise and clean it on an annual basis. The Chapter President is William Dodge, and the Advisory Chairman is Professor Hugo Lutz.

THETA ALPHA, Stevens Institute of Technology, is deeply involved in freshman orientation with tours, teas, and information. The annual Orphans Day program is now being planned. The Chapter President is Robert S. Pease; the Advisory Chairman is Father Walter Thompson.

ZETA IOTA, Temple University, is looking for twenty thousand Christmas cards to send to the service men on duty in Vietnam. The rseponse to date has been overwhelming. Regardless of personal feelings concerning foreign policy, the students of Temple have followed APO's lead to insure that the 140,000 men in Vietnam are not forgotten during the holiday season. The Advisory Chairman is Mr. Maurice Keen and the Chapter President is Richard F. Address. **MU CHI,** Indiana State College, is staging a "Bleed-in" to obtain 400 pints of blood needed by wounded service men in Vietnam. The 20-member Chapter is working with the local Red Cross Chapter to recruit donors for this special blood drive. Last year Mu Chi won the trophy for production of blood during the Red Cross annual visit to the campus. The Chapter President is David A. Smith, and the Advisory Chairman is Willis J. Richard.

OMICRON THETA, Monmouth College, found great joy in a brother-rush service project held at the Child Care Center in Farmingdale, New Jersey. It proved to be so successful for everyone concerned that the brothers plan to repeat the event on a monthly basis. The Chapter President is Van Chmara, and the Advisory Chairman is Dr. Leland N. Langbein.

Smiles are always abundant when the brothers of Omicron Theta visit the Child Care Center in Farmington, New Jersey. The joy in these faces is real and your help and concern are never forgotten.

LAMBDA DELTA, Newark College of Engineering, reports one of its Advisors, Dr. Herman A. Estrin, was awarded a Citation of Recognition last month by the National Council of College Publications Advisors, honoring him for five years as National Chairman of the organization. Congratulations, Dr. Estrin. Richard Fox is Chapter President, and Professor William D. Brower is Advisory Chairman.

DELTA OMEGA, University of Houston, received the order to build a bonfire for the annual homecoming rally. Build they did—thirty feet high. Just a spark of the flame to come as Delta Omega throws the wood to their fall program. The homecoming bonfire, followed immediately by a successful "King Ugly" contest, has already demanded more than 100 man-hours from several brothers during a semester not yet half completed. Recent events found Dr. Lester R. Steig, Past National President of APO, visiting with the men of Delta Omega. The educator from California even enjoyed a few swings during the Chapter's fund-raising car smash! The Advisory Chairman is Sterling Baker and the Chapter President is John L. Mattern.

ACROSS THE NATION · · ·

LAMBDA ZETA, Ripon College, is starting a "Double Again" program. Last spring, due to increased proceeds from UMOC, the Chapter presented not one, but two scholarships. The goal for 1965-66 is to give four scholarships to worthy students at Ripon College. The Chapter President is Dennis Wusler and the Advisory Chairman is Dr. William Fleming.

EPSILON IOTA, Mississippi State College, grossed more than \$1,600.00 from their Book Exchange during the first month of school this fall. Slide rule registration and Lyceum ushering provide additional service to Mississippi State. Congratulations are in order to Harold Hall, Faculty Advisor, now the new Dean of Men. The Advisory Chairman is Professor Richard H. Herron and the Chapter President is Richard W. Carlson.

IOTA RHO, Florida State University, recently "fed" a computer for the purpose of producing a 120-page student directory. Five frantic night of key-punching names, addresses, and phone numbers climaxed this 600-man-hour project. Thanks to EDP, this directory went on sale within three weeks after the start of classes. The proceeds of the sale were split between the Campus Religious Activities Fund and Iota Rho's Financial Aid Fund. Marvin O. Davis, Jr., is the Chapter President. The Advisory Chairman is Dr. Stephen S. Winters.

Florida State University President John E. Champion, left, receives the first of several thousand copies of a new campus directory. Largely the work of lota Rho, whose president, Marvin Davis (center), and project manager, Tom Berrisford (right), hand Dr. Champion a copy.

ETA OMEGA, University of Montana, is busily engaged choosing a new Faculty Advisor and building a service program. The Chapter is obliged to Anthony Valach, assistant to the Dean of Students, for his leadership and guidance.

NU ALPHA, Quinnipiac College, donated the proceeds of their spring UMOC contest to the Hamden, Connecticut, Children's Orphanage. The orphanage, an adjacent neighbor to the college, uses the money to provide summer recreation for the children. The Chapter President is Walter A. Polski, and the Chapter Advisory Chairman is Ivan Hubbard.

ETA MU, Utica College of Syracuse University, is beginning preparation for their annual UMOC contest. This year's contest is expanded to include dorm candidates. Project Hope receives the proceeds of the contest. The Chapter President is Gregory A. Hamlin, and the Advisory Chairman is Dr. Ralph N. Schmidt.

XI DELTA, Texas A. & M., is pushing to exceed the 3,000 man-hours logged by the Chapter last year. The demand for stationery sales, started last year, keeps the brothers and printer alike on the move constantly. Recently the Aggies have been completely snowed under in their attempt to raise \$20,000.00 for the United Chest of College Station. The Chapter President is William E. Bammel, Jr., and the new Faculty Advisor is Col. Walter H. Parsons, Jr.

KAPPA EPSILON, Wagner College, wants blood, and lots of it. The brothers at Wagner pushed their recent Red Cross Drive to yield ten pints above last year's drive. Still below their potential, these men are pushing even harder to raise above the point of receiving fifty per cent of the campus donating to this worthy cause. The Advisory Chairman is Mr. Arnold Thompson and the Chapter President is Roger Barchitta.

MU TAU, West Virginia Tech, logged three hundred enjoyable service hours during registration this fall. Along with campus tours, freshman receptions, and a large freshman picnic, the task of moving freshman women into their respective dorms proved to be most popular. The homecoming dance, featuring Count Basie, also provided a tidy sum to the Student Loan Fund. The Advisory Chairman is Roderick W. Wilson and the Chapter President is Roger H. Legg.

Roger Legg, president of Mu Tau, Tom Garthy and Mike Kees receive luggage during the Chapter's registration project.

FLASH -

THE NORTHEAST BLACKOUT

E LECTRICAL power failed throughout the entire Northeast of our nation, but the stalwart men of A Phi O rallied again to this urgent need of human suffering. "Alpha Phi Omega was there" shoulder to shoulder with the emergency units as well as instituting their own offerings to the emergency. In floods, riots, blackouts and hurricane, our men come forward to lead the way. When men look back from tomorrow, they may read the record in Service to men which studs the day-to-day history of Alpha Phi Omega. Here are timely letters we are making room to print, one from a dean and the other an excerpt from the end of one we received as we went to press.

November 11, 1965

Mr. Joseph Scanlon, National Executive Ssecretary ALPHA PHI OMEGA 1100 Waltower Building Kansas City 6, Missouri Re: KAPPA BETA CHAPTER BROOKLYN POLY.

Dear Joe:

As you undoubtedly have read, we had ourselves a real power failure and blackout on Tuesday night. I am sure that brothers from other metropolitan chapters will have some stories to report, but I did want you to know about my brothers in Kappa Beta.

They moved right in with our staff, helping to evacuate the buildings, assisting in the checking of laboratories where there was always constant danger of explosion, and even taking over the police duties on the street, permitting traffic which elsewhere was completely snarled to flow as smoothly as possible.

Our President was very proud of them, and both on his behalf and mine I have written to the chapter President to express our appreciation and our pride. Even the following day the boys were on duty with their armbands, just in case a threatened reoccurrence might take place. This was real Leadership, Friendship, and Service, and I am proud to be associated with such men.

With warmest personal regards and good wishes.

Cordially,

HQM:ss cc: Hy Katz HENRY Q. MIDDENDORF Dean of Students

R.I.T. - XI ZETA

"As this letter was being written the lights went out. Alpha Phi Omega played a part. We delivered five generators, coordinated over two hundred R. I. T. students, sending them to the various hospitals in the city as needed, and by directing traffic out of town. Our advisor, Les Greenberg, after helping to clear the 50 Main Building, got some nasty burns on his hands from the flares used to direct traffic. It was quite an experience to see the whole city without lights. I was able to get a few pictures of the brothers at their dispatch center. I imagine that Alpha Phi Omega was quite busy all over the Northeast.

Extending best wishes to you and your wife, I remain;

Fraternally,

DAVID A. PAGE, JR.

As soon as the lights went out, the call was issued from the city police dept. Within 30 minutes, our brothers had managed to collect over 200 students to work. Working with the police, the men were given flares and transported to cross roads to direct traffic, others went to hospitals, while others helped civil defense distribute generators to areas where they were needed.

Brothers of Xi Zeta, Rochester Institute of Technology, at the chapter's Northeast Blackout Dispatch Control Center; pictured above, left to right, are Ron Antioco, Paul Wilson, both pledges; Brothers Jim Olin, Jack Glover, Bob Studley, Ed Magee and Gary Williams.

FALL SECTIONAL

A PHIO can be justly proud of the vitality exhibited in the sections throughout the nation. The zest and zeal with which our Sectional Chairmen organize and execute the committee meetings and sectional conferences is evidenced by the continuing growth at this level. Sectional action and planning is the heart of the Fraternity's growth and maintains that balance of representation so needed.

NEW JERSEY

HOWARD R. PATTON, SECTIONAL CHAIRMAN

The Sectional Committee of Section 25, New Jersey, met at the National Office of the Boy Scouts of America on Sunday, October 3, 1965, at 2 p.m. Ten of the twelve chapters were represented.
