# TORCH AND TREFOIL

### OF ALPHA PHI OMEGA

### Service in Wartime

Alpha Phi Omega's No. 1 responsibility is to help win the war and prepare for a lasting peace. As we enter the fall term we must give priority to aiding Uncle Sam in the nation's all-out war effort. Brother Del Kinney, vice-president of Upsilon Chapter at Milwaukee, has sounded the keynote for this school year in his timely drawing on this page. We must roll up our sleeves and do more for our country this year than ever before.

Last year our war projects reached great proportions. Our chapters carried out hundreds of services to help speed victory, projects ranging from the noble service of giving life's blood to help save battle-injured men to the simple job

of sending the school newspaper regularly to fellow students in the military service. Many chapters are selling war bonds and stamps, others have conducted fingerprinting, others have solicited funds for the USO. Many members are serving as air raid wardens, auxiliary firemen and doing civilian defense work in various fields. Many chapters have collected tinfoil, scrap rubber, scrap metal and other vital commodities. Yes, a great number of other wartime projects have been successfully carried out as indicated by the long list of services which appears on pages three and four of this issue.

But this is not enough. We are far from serving to the full extent of our capabilities. There are service opportunities yet untouched, and we must find them. We must intensify our present projects, study ways of doing them better. We must enlarge our membership to have greater manpower available for increased service, and to do this we must strengthen our rushing and pledging program. We must wisely use the energies and talents of each brother and make sure that every member and pledge is given a specific job on one of the chapter committees.

And with all of our war service, we must not neglect our regular service projects. Such work as blood transfusions, hospital visitation, Christmas service, Red Cross drives, March of Dimes and scholarships for worthy students are just as important now as af any time in our history. These and many other regular projects should be improved and enlarged.

The motto of Alpha Pi Chapter at the University of Miami might well be adopted by every chapter. "It ain't the individual or the army as a whole, but the everlasting teamwork of every bloomin' soul." This philosophy works.

We have a big job to do. Alpha Phi Omega is trusted and respected as a service faternity. In many quarters we are being depended upon for timely and unselfish service. Let's give our best in 1942-43!

### MAN OF THE MONTH

### Harry Rinehart

Initiated February 14, 1940, he has led Alpha Phi Omega to a top position among campus organizations at the University of Miami. Serving as treasurer and then as president, he says that of all his extracurricular activities he has enjoyed most and gained most from his Alpha Phi Omega service.

Activities include two years as business manager of campus weekly, three years on yearbook advertising staff. He is listed in current "Who's Who Among Students" as well as elected to Iron Arrow, highest honor a man may receive at Miami. Won Alpha Kappa Psi scholarship medalion for highest scholarship in junior class in school of business administration. Served on freshman advisory council; member of Lead and Ink, honorary journalism fraternity. Socially he is charter member of Miami chapter of Sigma Chi and was first Tribune.

To earn college expenses, he got up at 3:30 a.m. every morning for three years to carry Miami Herald route. Now works in accounting department in an aviation school. Has enlisted in Navy Supply Corps reserves for active duty upon graduation.

The present high standing of Alpha Pi Chapter is largely due to his initiative, leadership and devotion. Congratulations and good wishes, Brother Harry Rinehart!

### An Open Letter to All Members From the National President

My dear Brothers:

Once again through the columns of the Torch and Trefoil it is my privilege to greet every member of our fraternity as we enter into another year of Leadership, Friendship and Service.

Never before have we faced the world in such turmoil as it is today. Our responsibilities were never so great, our challenge so vital, our responsibilities so worthy. Manpower will be the crying need. Many brothers who have carried on as our chapter leaders are now serving in the armed forces of our nation. The ranks of upperclassmen are decreased. To every man of Alpha Phi Omega on the campus at the opening of school comes a personal responsibility to do those things necessary to insure our strength and effectiveness in the months to come. Freshmen must be pledged in greater numbers than ever before and must be made to feel their responsibilities and opportunities from the very outset. Those of us who are not serving in the armed forces must give our utmost in service on the "campus front," to keep America the kind of a nation worth fighting for, to do our part in building for the America of the future.

In my humble opinion, our enlarged responsibility to carry on war service as well as our regular projects is portrayed in most graphic fashion in the three-fold cartoon at the bottom of this page. To your chapter and every other chapter a big package is delivered as your school year opens. Its contents include service possibilities so great that they exceed anything heretofore dreamed of. It will take a lot of Alpha Phi Omega enthusiasm and patriotism and spizzerinctum to "hatch" the egg, but brother, when you crack it you will see come forth the biggest and liveliest set of responsibilities you've yet known. Then if all of us can say with our brother in the cartoon, "Brother, you're talking to a man" we will put over a great service program this fall.

Lots of good wishes, and may the year 1942-43 be one of tremendous and unsurpassed success. I hope to be hearing good news from every chapter in the very near future.

Faithfully your brother,

National President.

QUOTATION FOR SEPTEMBER

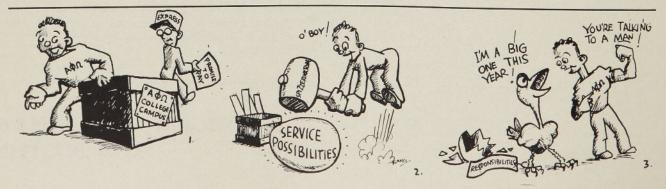

"Let us build our faternity strongly and work for a quick and decisive victory in this titanic struggle in which this world is now enveloped, for when the time comes the three principles that form the foundation of Alpha Phi Omega will be needed far more than ever before."

By Edward F. Chambers, President, Gamma Beta Chapter, San Jose State College. TORCH and TREFOIL

The Magazine of Alpha Phi Omega

Issued regularly eight times a year in September, October, November, December, February, March, April and May.
Subscription price \$1.00 a year.

Subscription price \$1.00 a year.

1938 at the post office at Kansas City, Mo.,
under act of March 3, 1879. Office of Publication, 407 Land Bank Bldg., Kansas City.
Missouri.

### BIG INCREASE IN SERVICE LAST YEAR

Over 180 different kinds of service projects were conducted by Alpha Phi Omega chapters in 1941-42. With emphasis on war aid, 26% more services were successfully carried out last year than in any previous year in our fraternity's history. As analyzed from the annual reports of chapter activities, here is a partial list of projects, indicating the wide variety of services included in Alpha Phi Omega's nationwide program (Check this list for suggestions for projects to be sponsored by your chapter this year):

year): Sell war bonds and stamps Fingerprinting Blood transfusions Blood donations to Red Cross Victory Book Campaign Information service Guide service Red Cross Roll Call Air raid duty Ushering Conduct student elections Distribute campus maps "Use the Walks" campaigns Freshman orientation service Campus cleanup Sponsor pep rallies March of Dimes Selective service registration Book exchange Build outdoor fireplace Homecoming aid Award scholarships Sponsor first aid meet Care of bulletin boards Aid to Civilian Defense office Guides for USO Sponsor study clinic Sponsor Victory Ball Install campus postoffice First aid demonstrations Aid on Senior Day Sponsor radio pro-

### Bowl A Ten Strike

## IN ALPHA PHI OMEGA THIS YEAR

Ten big factors make for full success in Alpha Phi Omega. Here is a guide for YOU. Study the past accomplishments of your chapter.

1. A STRONG SERVICE PROGRAM. An ever-increasing series of service projects for your campus, for your community and for the war effort.

2. ENJOYMENT FOR YOUR MEMBERS. To maintain a constant interest on the part of the members and to attract new members, your chapter activities must be made thoroughly enjoyable. You must include diversified meeting programs and a certain number of parties, outings, etc. These, along with the satisfaction that comes from carrying out service projects, will hold the interest of your present members and assist in recruiting new pledges.

 STRONG, CONSECRATED STUDENT LEADERSHIP. A "going and growing" chapter must have officers who believe wholeheartedly in their jobs and who make Alpha Phi

Omega their principal extra-curricular activity throughout their terms of office.

4. COOPERATIVE ADVISORS. An advisory committee composed of faculty men and Scouters who are ready and willing at all times to aid your chapter and who attend meetings as regularly as possible contributes much to the healthy growth of the chapter program.

5. ACTIVE COMMITTEES. In the most successful chapters "every member is a worker."
The committees are so arranged that every active member and every advisor has a definite responsibility in chapter affairs.

6. ADEQUATE MEETING QUARTERS. A room on the campus which your chapter can

call its own is a great aid in the smooth operation of the chapter program.

7. PUBLICITY. Alpha Phi Omega is not primarily a publicity-seeking organization, but a reasonable amount of desirable publicity offers two real advantages, it expresses approval of services rendered; and it lets the public know that there is such a fraternity as Alpha Phi Omega available in times of need.

 ACCURATE CHAPTER RECORDS. The records of your Chapter Secretary, Treasurer, Historian and Alumni Secretary have an important bearing upon the success of your chapter.

9. CHAPTER CONSTITUTION AND BY-LAWS. Every well-managed organization must have regulations to govern its operation and development. A chapter constitution and by-laws, drafted, adopted and adhered to by your members, will make for efficiency and expediency in your chapter program.

10. STRONG MEMBERSHIP. There is strength in numbers, and the alert chapters of Alpha Phi Omega constantly induct new members in order to have sufficient man-power

at all times.

# THE "BIG TEN" IN MEMBERSHIP GROWTH IN 1941-42 Texas Tops List With 52 New Active Members

Congratulations to the ten leading chapters in membership growth for last year! With Alpha Rho Chapter Number 1 in expansion, the top ten include three state universities, three technological schools, two teachers colleges, one state college and one private university.

Here they are (and a big hand to every one of them): Alpha Rho - University of Texas. 52 new members 37 new members Alpha Gamma - Purdue University..... 30 new members Delta - Alabama Tech. Beta Psi - Southeast Missouri Teachers.... 28 new members .24 new members Eta - Northern Illinois Teachers 23 new members Gamma Zeta - Georgia Tech... Alpha Eta - University of Kansas City..... 22 new members 21 new members Beta Beta - Michigan State.... 21 new members Beta Eta - University of Missouri 21 new members Tau - University of Florida

Several other chapters initiated 20 members each, some 19, some 18, some 17, giving a very healthy growth in the great majority of our chapters. Still greater opportunities for service call for a further increase in membership this fall. Strong rushing and pledging is essential to the continued growth of your chapter! Now is the time!

### RUBBER DRIVE ANTICS AT IOWA STATE

Displaying too much enthusiasm in the campus scrap rubber campaign are two coeds shown in picture. Anxious car owner, brandishing a fire wrench, has difficulty convincing them that wheels are not supposed to accompany the fires to the scrap heap. The rubber drive, sponsored by Xi Chapter of Alpha Phi Omega at request of student war council, was climaxed by a Rubber Ball, student dance in the Memorial Union Building, with "The Jersey Bounce" the theme song. Price of admittance one pound scrap rubber for a couple, half pound for a stag. (Photo by Bill Lapp was first published in Iowa State Daily Student and is reprinted by courtesy of editors.)

### S. M. U. PLEDGES AT WORK

Some of last year's pledges in Alpha Omicron Chapter removing paint left by football opponents on the steps of Dallas Hall. Pledge service of the elbow-grease variety.

### (List of projects continued from Page 3)

Handle publicity for student council Paint furniture for nursery Solicit for community chest Parties for underprivileged children Build model airplanes for Navy Establish student loan fund Scrap metal collection Aid at commencement exercises Sponsor student convocation Promote Red Cross first aid training Aid to campus Y. M. C. A. er for college

### 

your chapter is represented at the National Convention in Kansas City December 28 and 29, 1942. Plan now for your two official delegates. Watch for further news of arrangements in October Torch and Trefoil!

### FOUR NEW CHAPTERS INSTALLED LAST MAY

### Total of Ninety-eight Chartered Chapters Now in National Fraternity

New charters were issued last May to the petitioning groups at North Texas State Teachers College, University Heights College of NYU, University of Cincinnati and University of Oklahoma. These four new chapters, bringing the national roster to ninety-eight, have enthusiastically accepted the responsibilities and opportunities for service in Alpha Phi Omega.

### Gamma Rho Chapter at North Texas State

The installation of Gamma Rho Chapter was conducted May 17, by Dean Arno Nowotny of the University of Texas, member of the National Executive Board, officiating on behalf of the national fraternity. The ritual was effectively conducted by the degree team of Alpha Omicron Chapter of S. M. U.

The charter was presented by Dean Nowotny to Brother A. J. Fulkerson, Scout Executive, who received it on behalf of the Fort Worth Area Council. Brother Fulkerson in turn presented it to Dr. W. J. McConnell, president of the college, who then presented it to Professor W. A. Cooper, senior faculty advisor. Professor Cooper in turn presented the charter to the new president of the chapter, Brother Frank Spencer.

The officers elected to serve this

### Faculty and Scouting Advisors

(Installation News Continued on Page 6)

### CONDUCTING FLORIDA'S BOOK EXCHANGE

Brothers Ed Lang and Walter Timberlake, first vice-president, are seated at the table, waiting on a student at the book exchange conducted at the beginning of each semester by Tau Chapter. By bringing together the buyers and sellers of used text books, the members of Alpha Phi Omega save Florida students several thousand dollars each year.

### DIRECTING PARENTS DAY ACTIVITIES AT ST. NORBERT

These six members of Alpha Nu Chapter formed the committee in charge of last year's Parents Day at St. Norbert College. The chapter is again in charge of the arrangements for this year. Seated left to right are Brothers Thomas Beno, new president; Clarence Rothe, past president and chairman; William Oliver; Standing, Augie Gauthier, Bernard Jankowski, and Roger Cady, new vice-president.

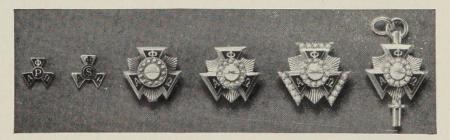

### SAVING ELECTRICITY AT UNIVERSITY OF MINNESOTA

To assist the power wardens appointed in each class of the university to cut down use of electricity, signs pleading, "Lights Out" have been placed at all light switches in all buildings on the Minnesota campus. Gamma Psi Chapter of Alpha Phi Omega is in charge of the far-reaching program to conserve vital materials for Uncle Sam.

### Gamma Omega Chapter at University Heights College of NYU.

By Julius Roth, Historian

Installation ceremonies were held for Gamma Omega Chapter on May 9, 1942. It was a real success in that it enabled our members and advisors to gain a full understanding of our privileges and duties as members of Alpha Phi Omega.

Dr. Ray O. Wyland, member of the National Executive Board, served as chief installing officer, aided by Brother Joe Green, district chairman, and four brothers from the chapters in New York City.

The officers installed at the cere-

### Delta Alpha Chapter at University of Cincinnati

By A. Brandt, Jr., President

Brothers H. Roe Bartle, national president, and Kenneth Cedarland of the national executive board, did a thrilling job in installing Delta Alpha Chapter on May 26. All of our members were inspired beyond measure by the principles and opportunities of Alpha Phi Omega as presented to us at the ceremony.

In accepting the charter, our university president, Dr. Raymond Walters, and our local Scout Executive and Scouting Advisor, Brother Arthur E. Roberts, gave excellent talks for the success of the chapter. We were honored by having Dean Arthur S. Postle, our dean of men, present the membership certificates and cards to all charter members.

Our officers staff includes: Adolf Brandt, Jr ..... President Jesse Wolfe... ....Vice-President John Moegling .... Secretary Lionel Tinfow .... Historian Donald Sempsrott..... Treasurer John Rushmer..... ....Sgt. At Arms John Klover .... .....Alumni Secretary W. A. Campbell.....Senior Faculty Advisor Faculty and Scouting Advisors

Prof. S. H. Guthrie Arthur E. Roberts
Prof. Ward E. Bullock Donald A. Handy
Prof. Rupert A. Anderegg

### Delta Beta Chapter at University of Oklahoma

On May 24, the ninety-eighth

chapter of Alpha Phi Omega was installed at the University of Oklahoma. After a three-year period of service and preparation, this group received its national charter.

The installation was conducted by Brother Sidney B. North, national secretary, and a degree team of four officers of Alpha Eta Chapter of the University of Kansas City.

The new officers elected to serve Delta Beta Chapter during the first term are:

Prof. William M. Sattler R. L. Billington
Prof. A. S. Orenburger Dr. H. R. Gravelle
Prof. Herbert H. Scott C. A. Ward
T. R. MacDonald Prof. L. H. Cherry

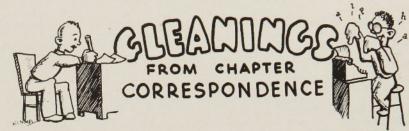

Alpha Phi Omega heartily welcomes these four new chapters and wishes them full success in carrying out the responsibilities of Leadership, Friendship and Service.

### A NEW ALPHA PHI OMEGA SONG

By Prof. David S. Mosesson
Faculty Advisor, Gamma Delta Chapter
(Tune: "Song of the U. S. Marines")
From the halls of Alma Mater
We march in unbroken row;
And we sing this gay cantata
As out into life we go.
So let every voice be eager
And each heart with pride a-glow
For our Alpha Phi Omega
And the men of A. P. O.

So, dear comrades, fill your glasses
And get ready for a toast;
Through each mind just one thought passes—
It's the name we honor most;
And e'en Time, that old intriguer
These fond mem'ries won't outgrow
Of our Alpha Phi Omega
And the men of A. P. O.

#### ALABAMA TECH

"More active and extensive service than ever before is anticipated in Delta Chapter in 1942-43."

Professor A. L. Thomas, Senior Faculty Advisor.

#### CARNEGIE TECH

"We predict good progress this coming year especially in connection with our defense committee."

> Dr. Robert D. Gregg, Senior Faculty Advisor.

#### INDIANA UNIVERSITY

"Increased membership and increased all around service is in store in Mu Chapter this year."

Robert H. Shaffer, Senior Faculty Advisor.

#### TEXAS TECH

"I predict that Beta Sigma Chapter will become a stronger organization than ever before in this coming year."

Dean James G. Allen, Senior Faculty Advisor.

### SOUTHEAST MISSOURI STATE TEACHERS

"Last year has been the most successful thus far in Beta Psi Chapter history. We should have a good year in 1942-43. We will do our best."

Professor O. M. Skalbeck, Senior Faculty Advisor.

### SYRACUSE UNIVERSITY

"We have an excellent foundation in Phi Chapter for future progress and improvement."

Dr. Joseph L. Illick, Senior Faculty Advisor.

### CENTRAL Y

"Beta Gamma Chapter will continue to progress solidly."

George W. Schaeffer, Senior Faculty Advisor.

### MICHIGAN STATE

"Our officers in Beta Beta Chapter are ambitious to carry on the service program and outdo our previous records."

Professor Harry C. Barnett, Senior Faculty Advisor.

### UNIVERSITY OF MINNESOTA

"I look for a bigger and better year of service ahead."

Dean E. H. Comstock, Senior Faculty Advisor.

Promote the sale of War Bonds and Stamps on your campus. Back our brothers with bullets.

#### UNIVERSITY OF TEXAS

"Alpha Rho will remain strong in the face of war uncertainties, and we will especially enlarge our war service program this year."

Dr. F. J. Adams, Past Senior Faculty Advisor.

#### DEPAUW UNIVERSITY

"I predict that Alpha Upsilon Chapter will continue during the coming year to be the most energetic and progressive group on our campus."

Dr. W. E. Umbreit, Senior Faculty Advisor.

#### LEHIGH UNIVERSITY

"We predict that 1942-43 will be one of our most active years in Alpha Psi Chapter."

Dr. Fay C. Bartlett, Senior Faculty Advisor.

### UNIVERSITY OF SOUTHERN CALIFORNIA

"We have been assisting one of our American-Japanese students, who is living in Whirlaway's stall at Santa Anita Assembly Center, with books and material for Scouting. They have organized 175 Scouts and 250 Cubs over there, and Alpha Phi Omega is cooperating."

Dr. Francis Bacon, Senior Faculty Advisor.

### UNIVERSITY OF FLORIDA

"The spirit among members of Tau Chapter is excellent. We predict that the service that will be rendered in 1942-43 will be even greater than in any previous year."

Dr. A. L. Shealy, Senior Faculty Advisor.

### SCHOOL OF BUSINESS, CCNY

"We anticipate 1942-43 will bring steady progress and plenty of solid work in Gamma Delta Chapter."

Dr. Ernest Bradford, Senior Faculty Advisor.

### BROOKLYN COLLEGE

"Prospects are good for growth in Gamma lota Chapter both in membership and in service."

Dr. Frederick L. Westover, Past Senior Faculty Advisor.

### UNIVERSITY OF IDAHO

"I believe the activities of Gamma Nu Chapter will be increasingly successful in the coming year."

Professor Elmer M. Million, Senior Faculty Advisor.

### UNIVERSITY OF CHICAGO

"I believe Gamma Sigma Chapter will grow considerably during the coming year. The officers are keen, alert men who are right on the job."

Dean Zens L. Smith, Senior Faculty Advisor.
