

A Quarterly Publication of Alpha Phi Omega National Service Fraternity

Sixty Years of Heritage

SPRING 1986

Above at a recent Region VI Conference, National President Earle Herbert and Brothers from Region VI celebrate the 60th Anniversary of Alpha Phi Omega by sharing a cake. Those pictured are Johnnie "Kool-Aid" Williams, Zeta Nu Chapter; Chris Williams, Alpha Gamma Chapter; Teresa Lawson, Mu Chapter; John Preniczky, Epsilon Lambda Chapter; Rick Bennett, Chi Mu Chapter; Joe Rymysz, Alpha Gamma Chapter; Dareea Patrick, Zeta Sigma Chapter; Dave Bryden, Delta Psi Chapter; and Earle Herbert.

Sixty years of Leadership, Fellowship and Service!
Since 1925 our Fraternity has grown to be the largest Service Fraternity in the world. This special issue of the *Torch and Trefoil* will feature historical articles, special photos and memorabilia from our archives as well as personal thoughts from our past leaders.

This past December we celebrated our 60th Anniversary in Alpha Phi Omega, yet this year will continue to be a memorable year for several reasons. We will culminate 1986 with our National Biennial Convention in Houston, Texas December 28-30. Plans for our National Convention are under way and the Convention Committee is working hard to present our Brothers with one of the best Conventions ever.

This year will also be very significant because it marks a time for major change within our Fraternity. Our Board of Directors has determined to acquire a permanent National Headquarters. After 60 years of leasing, the Fraternity will finally acquire a permanent home. It will be Kansas City, Missouri. Our headquarters will be a place where all Brothers will always be welcome.

The ultimate goal is to acquire and permanently endow the physical structure of the building through a successful Capital Campaign. This Capital Campaign will depend on the support of our alumni Brothers. However, there are opportunities also for chapter participation in the Capital Campaign. Besides acquiring this permanent home for our Fraternity there is a second and very equally important part to this Capital

THE WHITE HOUSE
WASHINGTON

January 29, 1986

I am pleased to send greetings to all the members of Alpha Phi Omega on the occasion of your 60th anniversary.

All Americans can admire your commitment to your three basic principles, Leadership, Fellowship, and Service. On more than 600 campuses across the country, Alpha Phi Omega members are learning and helping others in a wide variety of service projects. These young men and women are in the finest American tradition, giving freely of their time to help make their campuses, their communities, and their nation, better places to live.

Nancy joins me in wishing all of you a joyous anniversary and success in all your projects.

God bless you.

Ronald Reagan

Deserved recognition from President Reagan.

Campaign. It will lead to the expansion of services and programs to the undergraduates in the area of leadership development programs, personal development programs and more opportunities for fellowship. There is the possibility of once again adding field representatives to our staff who will be able to work closely with those chapters who need special attention or those new or reactivating chapters that are beginning their chapter organization. We will also provide more services and programs for our alumni Brothers because we want them to stay more actively involved with the Fraternity. We have a great history and fine tradition in Alpha Phi Omega, and now we are embarking on a plan that will allow us to build on that history and tradition.

Our Capital Campaign has begun and will continue for the next three year period. It will take the participation of many Brothers to make it a success. In achieving this goal the Fraternity will surely be starting its next 60 years much in the same fashion as we began in 1925, full of vim and vigor — with hope and promise for a continuing bright future.

TORCH AND TREFOIL (USPS 633-960) is issued regularly four times a year, September, November, February and April, by Alpha Phi Omega, 1100 Wal-tower Building, 823 Walnut Street, Kansas City, Missouri 64106. Printed by Rosse Lithographing, Kansas City, Missouri. Second Class Postage paid at Kansas City, Missouri. Subscription price \$1.50 per year. POST-MASTER: Send address changes to Alpha Phi Omega, 1100 Wal-tower Building, 823 Walnut, Kansas City, Missouri 64106.

National President's Message

The Sixty-Year-Old Vision

Earle M. Herbert

Frank Reed Horton lived in an age of confusion, but he had a vision: a vision of the force of the human spirit, a vision of the strength of eternal values, a vision of the power of human compassion. He was guided by that vision while at a small engineering school in Pennsylvania, and we have been responding to his vision for sixty years.

Over these sixty years, the vision of Alpha Phi Omega has been brought to reality, but not to fulfillment. It is true that, perhaps more than any other campus organization, Alpha Phi Omega has stretched out its hand to others. We've recorded works of literature on tape so that the blind may "read", we've worked to eliminate architectural barriers on campus and elsewhere so that the physically disabled may have access to common resources, we've played Santa Claus at children's hospitals so that the sick and young can have hope and joy, and we have built a reputation that says "This is an Alpha Phi Omega project, this is the best it can be!"

But we must not congratulate ourselves with these past accomplishments; we must look upon them as a challenge for the future. Take great pride in the service in-roads we have made, but use them as a celebration of fraternalism for the future. Be happy in the brotherhood we share, but use it as a means of continuing to serve others. Take pride in what we have accomplished, but always be aware that glory is fleeting and that our duty is to those who follow.

In the months and years to come, Alpha Phi Omega will live in the present; but we must continue to prove that the vision of our ideals is not dimmed. Each of us holds the power to continue or to deny the dream of such men as Frank Horton, H. Roe Bartle, and countless others. We hold the power to prove that the past 60 bright years are only a dim reflection of the potential which may be found in the future of Alpha Phi Omega.

For sixty years, the spirit of Alpha Phi Omega has stood for all that is best in each of us: the miracle of the human spirit, the concern of the human heart.

To assure the continuation of that spirit and the preservation of Brother Horton's vision, we need only accept the challenge of H. Roe Bartle's oft-quoted words:

"There will always be an Alpha Phi Omega, and our Fraternity will be strong and free, if Alpha Phi Omega means as much to you, my Brothers, as this Fraternity has meant to me."

In this, our Jubilee Year, let us all accept that challenge!

IN MEMORIAM

On October 26, 1985, Herbert Heinrich, one of the 14 founding members of Alpha Phi Omega, passed away in Honolulu, Hawaii. Brother Heinrich was accorded Founders Life Membership on the Alpha Phi Omega National Board of Directors at the 1974 National Convention. His memory is well served through the 180,000 who are able to serve others through Alpha Phi Omega because of what he, and the other founders, conceived in 1925.

FOUNDERS

FRANK REED HORTON (1896-1966) born in Sewickley, Pennsylvania July 17, 1896. A.B. degree, Lafayette College, 1926. M.A. degree in History Lafayette College, 1938. LL.B. degree, LaSalle Extension University, 1937. Industrial accountant, Ingersoll-Rand Company. Numerous Scouting and Alpha Phi Omega honors and awards. Passed away August 26, 1966.

DONALD L. TERWILLIGER, born in Lakewood, New Jersey, on July 13, 1907. Member of BSA in Orange, New Jersey. Eighteen years of age when he became charter member of Alpha Phi Omega. Editor, College Year Book at Lafayette College, from which he received A.B. degree in 1928. Basketball player at Lafayette College. Resident of Englewood, Florida.

EVERETT W. PROBST, born in Jersey City, New Jersey, on June 22, 1905. One of the founders of the "Krescents" social fraternity (now Kappa Delta Rho). Twenty years of age when he became a charter member of APO. Served in every Scout office from Assistant Patrol Leader to Scoutmaster. B.S. degree in chemistry, Lafayette College, 1926. M.D. degree in 1940 from New York University. Deceased. ▷

WILLIAM W. HIGHBERGER, born in Pittsburgh, Pennsylvania, on April 9, 1905. Member of BSA in Pittsburgh. Member of swimming and football team at Lafayette College from which he received B.S. degree in 1927. Twenty years of age when he became a charter member of Alpha Phi Omega. Deceased. ▷

DONALD H. FRITTS, born in Washington, New Jersey, on March 13, 1905. Member of BSA in Washington. Twenty years of age when he became charter member of Alpha Phi Omega. B.S. degree, Lafayette College, 1926; M.A. degree, Columbia University, 1931. Deceased.

THANE S. COOLEY, born in Chicago, Illinois, on January 1, 1905. Twenty years of age when he became charter member of Alpha Phi Omega. Scout in Oak Park, Illinois 1917-1922. Captain of soccer team; B.S. degree in 1927 from Lafayette College, Law degree, J. D., Northwestern University, 1930. Deceased.

GEORGE A. OLSEN, born in New York City on February 2, 1904. Manager of baseball team in college. B.S. degree, Lafayette College, 1928. BSA. Twenty-one years of age when he became a charter member of Alpha Phi Omega. Deceased. ▷

WILLIAM T. WOOD, born in Penn's Grove, New Jersey, on November 4, 1905. Twenty years of age when he became a charter member of Alpha Phi Omega. Scout before going to Lafayette College, from which he received a B.S. degree in 1927. Deceased. ▷

GORDON M. LOONEY, born in Sedalia, Missouri, on October 10, 1905. Twenty years of age when he became charter member of Alpha Phi Omega. Member of Boy Scouts in Oak Park, Illinois. A.B. degree, Lafayette College, 1927. M.B.A. degree, Harvard University, 1929. Deceased.

HERBERT HEINRICH, born in New York City on January 18, 1906. BSA in Leonia, New Jersey. Nineteen years of age when he became charter member of Alpha Phi Omega. B.S. degree in electrical engineering. Deceased. ▷

ROBERT G. GREEN, born in Brooklyn, New York, on October 6, 1905. Scout in Richmond Hill, New York. Later became a Scout Commissioner. Twenty years of age when he became a charter member of Alpha Phi Omega. B.S. degree in mechanical engineering, Lafayette College, 1929. Deceased.

E. M. DETWILER, born in Lansdale, Pennsylvania, on October 19, 1904. Twenty years of age when he became a charter member of Alpha Phi Omega. Played football and was captain of lacrosse team at Lafayette College. B.S. degree, 1927. Deceased. ▷

LEWIS B. BLAIR, born in Tyrone, Pennsylvania, on April 10, 1906. Member of BSA in Tyrone. Enrolled in electrical engineering at Lafayette College in class of 1928. Deceased.

ELLSWORTH S. DOBSON, born in Detroit, Michigan. BSA — East Orange, New Jersey. B.S. degree in electrical engineering, Lafayette College, 1928. 19 years of age when he became the 13th charter member of Alpha Phi Omega. Member of the "Mound Builders" and Krescent fraternity. Resides in Sabetha, Kansas.

Pledge Classes

A pledge class is indeed a very special and important part of Alpha Phi Omega. It is our pledges who are the Fraternity's lifeblood and future. It is therefore fitting that the fall pledge class be named specifically for those who have meant a great deal to the Fraternity.

The idea of the fall pledge class dedication began very quietly. It started on the back page of the October 1946 *Torch & Trefoil*. The announcement was made to all chapter presidents that a special dedication of the fall 1946 pledge class was to be in honor of our National President, Dr. H. Roe Bartle. Each chapter was asked to accept a quota as its share in accumulating a class of 1,000 members. It was to be the chapter's opportunity to say thanks for the services rendered to the National President.

Throughout the past 40 years, every fall there has been a pledge class dedication. Most often it was to a Brother who had a great affect on the Fraternity, but once in a while it was to someone outside the Fraternity, or even the Founder's Class, but each time the fall pledge class dedication was announced, everyone knew that it would be long remembered in the annals of our history. As you read the list below you will see that all fall pledge class dedications have been very meaningful, enriching our history and tradition.

Fall Pledge Classes

1946 — Dr. H. Roe Bartle
1947 — J. Edgar Hoover
1948 — World War II Memorial Class
1949 — James E. West
1950 — The Founder's Class
1951 — Dr. Ray O. Wyland
1952 — Dean Arno Nowotny
1953 — James Stanley Leedom
1954 — Professor Daniel Den Uyl
1955 — President Dwight D. Eisenhower
1956 — General Carlos P. Romulo
1957 — Lord Robert Baden-Powell
1958 — Dr. Albert Schweitzer
1959 — Dr. Arthur A. Schuck
1960 — Joseph H. Brunton, Jr.
1961 — President John F. Kennedy
1962 — Dr. H. Roe Bartle
1963 — Dean Arno Nowotny
1964 — Herbert G. Horton
1965 — Dr. Lester R. Steig
1966 — Frank Reed Horton
1967 — Captain James A. Lovell
1968 — Dr. Tom T. Galt
1969 — E. Ross Forman
1970 — Sidney B. North
1971 — Dr. Glen T. Nygreen
1972 — Aubrey B. Hamilton
1973 — J. Franklin S. McMullan
1974 — Dr. H. Roe Bartle Memorial Pledge Class
1975 — Joseph Scanlon
1976 — LTC Lucius E. Young, Ret.
1977 — Life Member Pledge Class
1978 — Dean Lewis N. Jones
1979 — Howard R. Patton
1980 — M. R. Disborough
1981 — Dr. Lawrence L. Hirsch
1982 — George F. Cahill
1983 — Dr. R. L. Brittain
1984 — Irwin H. Gerst
1985 — Phyllis Tenney

HISTORY OF THE LAFAYETTE 1928 BANNER

By Brother Ellsworth Dobson
#13 Alpha Chapter

The Lafayette Banner was presented to Alpha Phi Omega at the 25th National Convention in Nashville, Tennessee in December of 1978. Brother Ellsworth Stewart Dobson, a co-founder of the Fraternity, presented the banner. The banner was given because the Fraternity was founded at Lafayette College in Easton, Pennsylvania. It also dates back to the very beginnings of our organization. The banner was hanging on Brother Dobby's dormroom wall as he was aspiring to be a 1928 graduate of Lafayette College. Looking closely at the photo above and at the "F.M.B." pin on the figure "1" of 1928 it is interesting to note that the pin is perhaps the only existing membership pin of Brother Everett Probst's brainchild, the "Fraternity of Mound Builders". It was this fraternity which Brother Probst was attempting to establish on the campus of Lafayette. It was to be a group of former Scouts willing to abide by and spread the influence of the principles of the Scout oath and law.

It was the spring 1925 when Brother Frank Horton approached Brother Probst with the idea of a Greek letter Scouting and Service Fraternity dedicated to Leadership, Friendship, and Service. Recognizing Brother Frank's ideas as superior to his own, Brother Probst scrapped his attempt to establish the Mound Builders Fraternity. Brother Dobson who had been a member of the Mound Builders and also the Krescent Fraternity which later became Rho Chapter of Kappa Delta Rho was automatically drawn into working to help establish the new fraternity since he was the only one who could type. He typed the first constitution, the first By-Laws, initiation rituals, and other organizational proposals needed to be submitted to the Lafayette Board of Trustees for chartering by the college. Brother Frank Horton's job was to research the name for the new fraternity and he was very excited when he reported his choice to the Brothers that the new name would be Alpha Phi Omega noting that it would be the Alpha and Omega, the beginning and the ultimate of a Scouting service fraternity for American college campuses. Another interesting feature of this 1928 banner is the Alpha Phi Omega pin that can be seen on the figure "2" of 1928 and this is Brother Dobby's founder's pin, number 13, and is so engraved on the reverse side. Brother Dobby presented the banner to focus attention on his own esteem for our Fraternity and also for the other co-founders of Alpha Phi Omega. Even today as Brother Dobby lives in Sabetha, Kansas, he still has many fond memories and is very proud of the thousands who have followed after him and the other founders and those who will continue to follow in the future for Leadership, Service, and Friendship of Alpha Phi Omega.

NATIONAL PRESIDENTS

FRANK HORTON — 1925-1931. (See preceding Founders section)

DR. H. ROE BARTLE — 1931-1946. Dr. H. Roe Bartle, affectionately known as "Chief," became affiliated with Alpha Phi Omega in 1929, as Founder and Scouting Advisor of Iota Chapter at Park College, Parkville, Mo. He was then Scout Executive of the Kansas City Area Council, and later served several years as President of Missouri Valley College. He served two terms as Mayor of Kansas City, Mo.

The Alpha Phi Omega Convention of 1931 elected this dynamic leader to succeed our Founder as the top officer of our Fraternity. He was repeatedly re-elected and served as National President until 1946, when, at his choosing, he relinquished this responsibility.

The Chief led our Fraternity in nationwide growth. He secured the endorsement of the National Council, Boy Scouts of America, and obtained the approval of college presidents and deans in all parts of the nation. Upon his recommendation, in 1932 Sidney B. North was employed as the first National Executive Secretary.

From 18 chapters in 1931, under his outstanding leadership, the Fraternity expanded to 109 campuses by 1946, an achievement all the more significant in view of the depression and World War II years.

He continued his active leadership in the Fraternity until his death in 1974.

DEAN ARNO NOWOTNY — 1946-1950. Dean Arno Nowotny, known as "Shorty", became affiliated with Alpha Phi Omega in Alpha Rho Chapter at the University of Texas in 1938. As Dean of Student Life at the University, he took great interest in the Fraternity, and was elected National President by the 1946 National Convention. He named state chairmen to expand Alpha Phi Omega, and sold many deans on the values and usefulness of the Fraternity. During his presidency, the number of chapters doubled from 109 to 227 and membership grew rapidly.

He was active in Alpha Phi Omega leadership until he died in 1982. Yet Dean Arno Nowotny will long be remembered by the Brothers of Alpha Phi Omega because in 1970 the Fraternity showed its respect for him by naming the National Service Award in his honor.

PROFESSOR DANIEL DEN UYL — 1950-1954. Professor Daniel Den Uyl was elected National President of Alpha Phi Omega in 1950. He brought to the national leadership a rich experience as advisor to Alpha Gamma Chapter at Purdue University. Wherever he traveled, whether on Scouting, university, or Fraternity business, he promoted Alpha Phi Omega through his friendliness and genuine interest in Service. He continued actively in his chapter and on the National Board of Directors until his death in 1961.

M. R. DISBOROUGH — 1954-1958. The 1954 National Convention elected M. R. Disborough as National President. Brother Disborough, who became affiliated with Alpha Phi Omega in 1936 as a charter member of Alpha Tau Chapter at Butler University, was the first undergraduate Brother to rise through the ranks to the Presidency.

Under his administration, a special emphasis was placed on the selection and appointment of Sectional Chairmen, a plan of organization which has continued and is in operation in the 50 Alpha Phi Omega Sections throughout the United States.

His friends knew him as "Dis" and remembered his strong commitment to those things he believed in. He had an intense energy to provide opportunities for the young people of our nation. The Fraternity honored him in 1980 by naming the M. R. Disborough Service to Scouting National Award after him. He passed away in June 1980.

WILLIAM S. ROTH — 1958-1962. Elected National President by the 1958 National Convention, Bill Roth traveled widely, building morale, strengthening chapter programs, and pushing the expansion of Alpha Phi Omega. He originally became affiliated in 1949 as an active member of Rho Chapter at the University of North Carolina.

Among Brother Roth's accomplishments was the extension of Alpha Phi Omega to Alaska with the chartering of Nu Omega Chapter at the University of Alaska in 1962. In his first term as National President, Joseph Scanlon was appointed National Executive Director.

DR. LESTER R. STEIG — 1962-1964. Dr. Lester R. Steig, an outstanding administrator with the San Francisco Unified School District, was elected by the 1962 National Convention to serve as National President. Dr. Steig, who first joined Alpha Phi Omega in 1937 as an advisor to Alpha Lambda Chapter at North Dakota State University, applied his talents to expanding Alpha Phi Omega and made many friends for our Fraternity throughout his term of office. He has served in numerous capacities in youth leadership, both locally and nationally, and continues on the National Board of Directors.

DR. TOM T. GALT — 1964-1966. Dr. Tom T. Galt, known as "T square," was elected by the 1964 National Convention as Alpha Phi Omega's eighth National President. He first became affiliated in 1948 as an active member of Delta Kappa Chapter at Emory University, and has taken an ardent interest in our Fraternity through the years. In his tenure as National President, the sustaining membership program was inaugurated to obtain additional operating funds. National Service to chapters was expanded, and a long-range plan for growth and service was drafted.

E. ROSS FORMAN — 1966-1968. The 1966 National Convention selected E. Ross Forman of Philadelphia as National President. Ross first became a member of the Fraternity in 1948 as a charter member of Zeta Theta Chapter at Drexel University.

During his term a Constitutional Convention was held in 1967 at Norman, Okla., a new set of National By-Laws was adopted, and the Fraternity's incorporation moved to the state of Missouri. Leadership training sessions for Sectional Chairmen were inaugurated and held in Chicago, Atlanta, and at Yale University.

DR. GLEN T. NYGREEN — 1968-1970. Dr. Glen T. Nygreen became affiliated with Alpha Phi Omega as an advisor to Gamma Alpha Chapter at the University of Washington in 1947. Since that time he has maintained a keen interest in the activities and growth of our Fraternity.

Dr. Nygreen, who was elected by the 1968 National Convention, is a distinguished educator and leader in the field of student personnel, and his guidance resulted in many outstanding developments during his term of office.

AUBREY B. HAMILTON — 1970-1972. Aubrey B. Hamilton joined Alpha Phi Omega in 1936 as a charter member of Alpha Phi Chapter at Washington University in St. Louis. He was elected National President by the 1970 National Convention and served with distinction until his death in March of 1972.

Brother Hamilton, a prominent St. Louis attorney, developed the "Task Force" concept of study in areas of vital concern to Alpha Phi Omega. During his tenure, Joseph Scanlon retired and Roger A. Sherwood was appointed National Executive Director.

LUCIUS E. YOUNG, LTC, RET. — 1972-1974. Lucius E. Young came to Alpha Phi Omega as co-founder of Zeta Phi Chapter at Howard University. He succeeded to the Presidency on the death of Aubrey Hamilton in March of 1972. The 1972 National Convention elected him to a term in his own right.

Col. Young served his country as a military officer, a Professional Scouter and a Professor of Military Science at Howard. He traveled the country extensively, visiting many chapters and Sectional Conferences throughout his term of office.

LAWRENCE L. HIRSCH, M.D. — 1974-1978. Lawrence L. Hirsch, M.D., elected by the 1974 National Convention after 20 years on the National Board of Directors, brings to Alpha Phi Omega a multitude of fraternal experiences. Dr. Hirsch is a Professor and Chairman of the Department of Family Medicine at the Chicago Medical School. Dr. Hirsch was initiated into Beta Gamma Chapter at Central Y.M.C.A. College in Chicago in 1940.

He has an outstanding record of service to Scouting, serving on the Executive Board of the Chicago Area Council. He is a recipient of the Silver Beaver, the Silver Antelope and the Distinguished Eagle Award, three of Scouting's highest honors.

His leadership in the Fraternity has long been recognized, and his administration was most effective in embarking Alpha Phi Omega on its second half-century of service.

Since 1984 he has been a member of the Endowment Trustees and currently serves as chairman of the Trustees.

LORIN A. JURVIS — 1978-1980. Lorin A. Jurvis was elected President at the 1978 National Convention in Nashville, Tennessee. He had begun his career in Alpha Phi Omega 25 years earlier being initiated in the Delta Nu Chapter at Yale University. Mr. Jurvis is the Associate Comptroller for Budget and Planning, State Department, Washington, D.C. He is a Life Member and received the National Distinguished Service Award in 1976. His dedication to Scouting is notable. He was an Eagle Scout, a member of the tribe of Mic-O-Say, and the Order of the Arrow and has received the Silver Beaver and Exploring's Spurgeon Council Award. During his tenure as National President, the Fraternity began National Service Day and the Torchbearer program which is a part of the annual Development Campaign. Mr. Jurvis continues his leadership role in Alpha Phi Omega as an active member of the National Board of Directors.

DR. C. P. ZLATKOVICH — 1980-1982. "C. P." as many Brothers have known him, was initiated into Alpha Rho Chapter in 1964. Since that time he distinguished himself as a leader in Alpha Phi Omega becoming President at the Los Angeles Convention in 1980.

During his term as President, the Fraternity reflected much growth. It was also during this time that goals for the future were set and steps were taken to modernize the National Office. Additionally, in 1981, Roger Sherwood who had been Executive Director for nine years resigned to accept a new position with another professional organization. Darrell Spoon was then appointed National Executive Director. Dr. Zlatkovich is a faculty member in Accounting at Texas A&M University, College Station, Texas. C. P. continues his active leadership role within our Fraternity by remaining an active member of the National Board of Directors and also serving as a member of the Endowment Fund Trustees. In 1984 he was honored by the Fraternity, being presented with the National Distinguished Service Award.

EARLE M. HERBERT — 1982- . Earle M. Herbert was first elected by acclamation to serve as National President in 1982 at the National Convention held in Kansas City, Missouri. Similarly he was reelected in 1984 at the Washington, D.C. National Convention. He was the first and only Brother to serve as Region X Representative and served until the 1980 National Convention. From 1980 to 1982 he served as National Vice President. Brother Herbert was initiated into the Chi Chapter at the University of California in Los Angeles in 1959. Over the years he has served at every level of leadership and has received the Chapter Distinguished Service Key and other Sectional honors. He received the Regional Distinguished Service Key in 1982 and the National Distinguished Service Award in 1978. He has been active in Scouting, serving as both Cubmaster and Scoutmaster. He is an Administrative Officer at the Veterans Administration Medical Center in Los Angeles, California.

During his first term the Fraternity saw improved communications with all chapters and a greatly enlarged Leadership Development program completed under the direction of the Leadership Chairman. In April of 1984 the Executive Director, Darrell Spoon, resigned. During the course of that next year, Don Larson and then Judith Mitchell served as Office Managers. In June 1985 Patrick W. Burke was selected to be the fifth National Executive Director.

REFLECTIONS

Ellsworth S. Dobson
Co-Founder
1925

"Early in 1925, I was approached by Everett Probst to join the Krescent Fraternity, an eating club on the campus of Lafayette College. I

was a freshman, just beginning my second semester at the college, and after due consideration, decided to join as it would be cheaper to obtain my meals. It wasn't long after that Ev (Probst) found out I had been in Scouting and was still interested in my Troop back home in East Orange, New Jersey. He told me of his plans to form a Scouting Fraternity for former Scouts on the campus of Lafayette and that he was planning to name the Fraternity the "Mound Builders." He said he had several fellows who were interested in the project and wondered if I would be, too. Needless to say, I was.

Ev's plans had progressed to the point where the name was being bandied about the campus and had been given the rather ignominious nick-name of "The Pilers," but that didn't dampen Ev's enthusiasm. It wasn't long after that Ev found out that a fellow by the name of Frank Horton, a member of Sigma Alpha Epsilon Fraternity, was trying to organize a similar Scouting Service Fraternity, so Ev went to see him. Ev decided to ask his own group to join forces with Frank and not have two competing Scouting fraternities on campus. Frank had already recruited several men in his own fraternity, so the Mound Builders decided to go along with Ev's idea of working with Frank.

After that, it was a matter of getting organized. Application to the Board of Trustees of Lafayette for charter, by-laws promulgated, search for a name, and the design of a coat of arms were the first things done. Frank undertook the job of searching for a name and Ev Probst completed the design of the coat of arms. I had taken shorthand and typing. Consequently, I was "volunteered" to do all the typing of the application and the by-laws which meant constant revision of each as new ideas and changes in the items were constantly being made as the members met together to discuss just what should be in and would should not.

It was December and Frank called a special meeting of our group. He said he had an important announcement. It was December 16, 1925 and after he had called the meeting to order he made the announcement that our application for charter had been granted by the college. That really was a dramatic moment. Of all the 14 original undergraduates who formed Alpha Chapter, I don't believe there was one of us, including Frank himself, who visualized to what extent Alpha Phi Omega would grow in the years ahead.

Donald Terwilliger
Co-Founder
1925

In 1924, when I was a freshman-pledge of Sigma Alpha Epsilon, I was fortunate to have Frank (Horton) assigned to me as upper class-

man "fraternity father", a sort of guidance counselor. He was older than his classmates, having interrupted his education during World War I to serve on a mine-sweeper in our Navy. Quiet and self-effacing, he was always available to counsel and, without ever seeming to oppose his fraternity brothers, he guided them well, particularly during well-named "Hell Week". When I say he was "quiet and self-effacing" I must add that he was one of the quietest men that I have ever known. When one spoke to him he listened with a quiet calm and a clear unflinching gaze, friendly, courteous, putting one at ease yet establishing an aura of respect and self-confidence. I think that the following words must have been written of Frank,

*"See how the mass of men
Worry themselves into nameless graves
While here and there
A great soul forgets himself
Into everlasting immortality."*

Yes it is altogether fitting that such an unselfish leader should have forged our Fraternity on the anvil of service to others above self.

Sid North
National Executive
Director — 1932-1960

My first remembrance of Alpha Phi Omega was while I was a student at Park College in Kansas City. H. Roe Bartle came up to conduct

the chartering of Iota Chapter. Needless to say my collegiate Alpha Phi Omega experience was very important to me. I was particularly honored when the Chief tapped me to be the first National Executive Director for the Fraternity — and I hadn't even graduated from college yet.

Our first office was a desk and a chair at the Boy Scout Office in Kansas City. As the Kansas City Boy Scout Council grew and moved to bigger offices the Chief moved the Alpha Phi Omega office also. All in all we changed offices three or four times prior to 1960 when we moved to the Waltower Building. I am very proud of Alpha Phi Omega and have always been extremely honored to have had a part in those early years of excitement and growth of our Fraternity.

Hal Pote
Life Member
of the Board

I can respond to your note with special greetings to all those Brothers with whom I worked in earlier days. I'm 91 now and am not very

active. I still give a little help to my church Scout Group, and the local Kiwanis club, but I've learned to be my age.

Laying foundations for our Alpha Phi Omega was not an easy task. I remember quite well meetings with Roe Bartle, and Ray Wyland (Alpha-Advisor) and Dr. West (First volunteer National Secretary). Roe was clearing the way for the formation of a new Board and developing an essential field service program to place new chapters in every section of the country. (circa 1930)

How well I remember Dr. Wyland and I spending a number of weekends participating in the installation of new chapters mostly in New England and in Pennsylvania. It was a most pleasant experience and I enjoyed it very much.

Through those early years, there was great pressure to build a broad personnel program for the movement. My relations with Roe Bartle, Ray Wyland, and Sid North, pioneer members of the Alpha Phi Omega Board, were most pleasant. For me, it represented an extra service opportunity.

A. G. Spizzirri
Life Member
of the Board

In 1946, several hundred young men assembled in the ballroom of the Hotel President of Kansas City for the annual Convention of

Alpha Phi Omega. Many of them had the look of having matured too soon. They had come from the recent battlefields of the world, and were now returning to the halls of academia.

All were bright eyed and eager, yet to learn of the vicissitudes of life.

All of the biggies were there — Bartle, Nowotny, Charno, North and others — seasoned and wise in counsel and guidance. They had come from the temples of commerce and the bastions of learnings.

Inspiring? Yes! Memorable? Yes! And why? Because throughout that room, like a supercharged and magnetic bond, there was felt a vibrant current of dynamic Leadership, sincere Friendship, and dedicated Service. All in attendance were caught in the grip of that mystical spirit.

Thank God that spirit prevails today. It's a new world. It's a new generation. But the same magic is there — Leadership, Friendship, Service — Alpha Phi Omega.

Irwin H. Gerst
Life Member —
Board of Directors

The importance of Alpha Phi Omega in my life started with the Epsilon Chi charter installation in April 1948 when I met C. J. Carl-

son, a great professional Scouter and Regional Chairman. Later that year it was my first large meeting with chapters in California where I met Dean Arno Nowotny and started to get an

Reflections (continued)

understanding of a National Fraternity. But then the true scope and importance of Alpha Phi Omega came together for me at the National Convention in 1950. Meeting and hearing Roe Bartle, George Charno and others affected the rest of my life.

George Cahill
Life Member
Board of Directors

Alpha Phi Omega survived the student drought of 1941-1945 only because of the indomitable spirit that was and is the hallmark of our

Fraternity, the tenacity of our first Executive Director, Sidney B. North, and the colossal character of our longest tenured President, H. Roe Bartle.

As the veterans of World War II returned home, college and university enrollments boomed across the land, and so did Alpha Phi Omega. Thus at the second post war Convention held in Chicago in December of 1948, the Board was excited by the appearance of a "net gain" at the bottom of the operating statement. The newly created Life Membership fees (of \$10) added to this operating surplus and caused the Board to ponder the best use of this unaccustomed "well". Out of these financial deliberations in Chicago evolved the idea of an Endowment Fund. It was to be fueled principally by Life Membership fees and dedicated to the concept that through any future period of strife and turmoil, national or international catastrophe, Alpha Phi Omega would be shielded at least from temporary incapacitating financial disaster.

That was the genesis of the the Alpha Phi Omega Endowment Fund made strong today because of the contributions of over ten thousand Brothers in the past four decades.

Joseph Scanlon
National Executive
Director — 1960-1971

In 1931 I was initiated into Iota Chapter, Park College, Parkville, Missouri and in the same year served as a delegate to the Fraternity's first National Convention held in St. Louis, Missouri. There H. Roe Bartle was elected National President and continued as such until 1946.

Through the next 30 years I assisted Alpha Phi Omega as Scouting Advisor to many chapters, attended Fraternity gatherings and National Conventions, serving on the National Board from 1946 as Treasurer, Third Vice-President, First Vice-President and National Extension Chairman before appointment as National Executive Secretary and Editor by President William S. Roth, September 1, 1960.

I succeeded my friend and colleague, Sidney B. North, whose 27 years as First National Secretary had helped establish Alpha Phi Omega on a firm basis.

Alpha Phi Omega has been fortunate in its election of National Presidents. They have held in common their devotion to the fundamentals of the Fraternity and the preservation of its unity. Even though they differed in style and approach on how the Fraternity should be governed, they have ensured that the Fraternity serve its ever growing number of chapters and members.

Bill Roth
President
1958-1962

"In the course of traveling over 250,000 miles on behalf of Alpha Phi Omega during 1958-62, I did have several experiences that were

interesting and worth remembering.

It was my honor to represent the Fraternity at the 35th Anniversary of Delta Chapter at Auburn University. As a memento of the occasion, I was awarded a life-size carved wooden "War Eagle." He was too large to fit in my luggage and therefore I carried him under my arm as I boarded a plane on Friday headed for a Sectional Conference in Texas. The stewardess as I entered the plane was fascinated by the carved eagle. Later, on the second leg of my flight home the following Sunday, guess who met me at the entrance to the plane. The

same stewardess! She inquired, "How many days are you going to fly your bird around before you take him home?"

On another weekend trip, I was headed to a Sectional Conference in Albuquerque with a brief stop in Kansas City. I wound up leaving Kansas City one flight earlier arriving in Albuquerque an hour early. I was near the flight counter when a group of 12 Fraternity Brothers asked the person in charge of the flight counter if she would help them intercept their APO National President at the exit doorway to the plane, present him a sombrero and take photos. She said she would be glad to help, I added so would I. We waited for the next plane to arrive and then had our ceremony.

Another flight took me to Indianapolis on a Sunday where I rented a car to drive to the University of Indiana. That night I represented APO in extending a message of greetings to the brothers of the Order of the Arrow gathered in their National Conference. Afterwards, half way back to the airport, the car ran out of gasoline even though the gas gauge dial indicated "¾ full." I walked two miles down the road to the first house. I knocked on the door (at midnight), heard a man and his wife debating about whether to get involved, the door cracked open and I found myself looking right into the barrel of a shotgun as the man asked gruffly what I wanted. They did agree to phone the man who slept over the gas station another mile down the road. He agreed to help. I missed my departing plane from Indianapolis by an hour, but by flying all night I made my next appointment!

Lester R. Steig
President
1962-1964

"At the 18th National APO Convention Friday evening, December 29th, 1964 at the Brown Palace Hotel, Denver, Colorado, Sargent

Shriver, National Director of the Peace Corps, made a long-distance phone call from Washington, D.C. to 1,000 APO members at the Convention banquet. Sargent Shriver's comments excited all at the banquet."

"Today marks the 40th anniversary of the founding of Alpha Phi Omega. I am personally very glad that there was such a day. Alpha Phi Omega members have been a tremendous help to the Peace Corps since the day we began four years ago. The Peace Corps has had to rely to a large extent on the college campus as a prime source of qualified volunteers. The Alpha Phi Omega chapters are usually the first stop that our recruiters make. We have found that Alpha Phi Omega members, like our volunteers, know what to do, whom to see and how to get a job done. In addition, many APO members are now serving as volunteers in the 46 countries around the world in which the Peace Corps works. Overseas, as well as in the United States, they are making an outstanding contribution to the world understanding and universal brotherhood. (Over 500 Brothers served in the Peace Corps.)

Please accept my heartiest congratulations and sincere thanks."

(Sargent Shriver, Director
The Peace Corps.)

E. Ross Forman
President
1966-1968

It is a pleasure to look back on a part of my life which had much to do with the success that I have enjoyed in my professional career.

Alpha Phi Omega brings back so many fine memories that it is difficult to select the one event which above all others, was most meaningful. However, I would address the Constitutional Convention which took place during my tenure as National President in 1967.

The Con-Con marked a turning point for the Fraternity. The event was held in Norman, Oklahoma at the University of Oklahoma. While Norman, Oklahoma was not the most accessible spot in the country and I do not remember why the

Reflections (continued)

Board chose it, the response of the undergraduates was overwhelming with virtually all chapters represented.

The Board was determined that the undergraduate Brothers were going to think through and execute the preparation of the new constitution, the first major revision since our founding. We staffed each committee with undergraduates and an advisor and then set them loose with a challenge to come up with a document that would determine Fraternity operations in the future. The Board then awaited their actions. We soon found out that the undergraduate Brothers had done their homework and labored all night and well into the early morning publishing draft after draft until the complete document was finished. After an extended general session where each section was debated and voted upon, the new Constitution of Alpha Phi Omega was adopted. It was an emotional event, and this historic meeting was even more enlivened by the arrival of the Chief, H. Roe Bartle, who arrived late and had arranged to appear out of nowhere on the platform of the auditorium. He had discovered an elevator near the podium which was used for theatrical performances, so he rose into view like some majestic personage and proceeded to entertain the Brothers in his fine style. It helped everyone relax a bit before going back to the serious business. Dr. Bartle told me later that he had never seen a more responsible group of undergraduates and I had to agree with him.

From the date of the adoption of the new Constitution the Fraternity reached out to grow and prosper. We had successfully obtained a document which gathered in the new without touching the aims of the Founder. Most of the undergraduates which I kept in touch with went on to rewarding professional careers. Many contributed their services to the Fraternity as alumni volunteers. However, I am sure that all of them will always remember their contribution to our great Fraternity during those few short days in Oklahoma.

Glen T. Nygreen
President
1968-1970

"We tend to overlook the essential contributions of our Executive Directors. My active years spanned the service of three outstanding individuals — Sid North, Joe Scanlon, and Roger Sherwood. Each was a remarkable individual. The objective measures of their performances are evident in the history of Alpha Phi Omega. What is less apparent is the way in which each was a distinctive individual. They were persons of deep convictions and with that extraordinary and rare quality of loyalty. We could not pay them well, for in those years the Fraternity budget was always a chancy thing. They paid us exceptionally well in the coin which lasts — the coin of friendship, firm and lasting, never fickle or wavering. I treasure the memories of sharing with them in building Alpha Phi Omega. I am uplifted by their continuing commitment to Alpha Phi Omega".

Lucius E. Young,
LTC, Retired
President — 1972-1974

"I have had so many unforgettable moments in my activities with Alpha Phi Omega that it is impossible for me to single out any one as the most memorable. Every Alpha Phi Omega Brother has a very profound and lasting experience upon his induction into this great brotherhood. It is an occasion one remembers the rest of his life. But that was only the beginning. The daily activities and associations with the Brothers in the chapter were a constant reminder of the ideals of the Fraternity: Leadership, Friendship, and Service. The expansion of these grand experiences was developed through sectional conferences and has been magnified hundreds of times from my participation at various parts of the country from Maine to California and from Michigan to Puerto Rico, and at many points in between. Add to this the numerous chapter activities — charter presentations and anniversary celebrations — and the different elation that

arises at National Conventions merely serve to reinforce my appreciation in being a part of Alpha Phi Omega.

Perhaps it is true that some of these experiences stand out over others. The first National Convention attended gave me, as I am sure it gives everyone in that category, a deeper appreciation of the brotherhood. And the Con-Con in 1967 was truly exemplary in its efficiency and dispatch with which the numerous items, each a very important problem, was solved. And there was the Section 98 Conference hosted by Omicron Nu Chapter and the charter presentations to Psi Eta Chapter at the Inter-American University at San German, Puerto Rico and to Psi Sigma Chapter at the Catholic University of Puerto at Ponce, Puerto Rico — at each occasion I presented the charter with a short address in Spanish, which received resounding ovations. Again, the Fiftieth Anniversary of the founding of the Fraternity hosted by Alpha Chapter, or participation at the induction of the LTC Lucius E. Young Pledge Class at Delta Chapter — a complete surprise to the class, oh yes, forever to be remembered in the candle-light service at the 1968 Convention.

What is the most unforgettable? I can only say EVERY MOMENT OF MY PARTICIPATION IN THE BROTHERHOOD OF ALPHA PHI OMEGA."

Lawrence L. Hirsch,
M.D. — President
1974-1978

Beta Gamma provided the ritual team, and H. Roe Bartle was the installing officer on November 21, 1940. Being a pledge, for the third consecutive semester, the Chapter nevertheless insisted I accompany them to meet Roe. They said it was an opportunity I could not afford to miss; and they were right. As the petitioning group formed to enter the initiation chamber I was unceremoniously placed in their line and appropriately prepared. My embarrassed and strenuous protestations that I had paid only \$8.25 of the required ten dollars were met by an admonition that any commotion could destroy the occasion's solemnity. I yielded.

How can I forget the beauty and inspiration of the great Bartle's performance! But even more, how can I ever forget Beta Gamma's living demonstration of Friendship! They had collected nickles, dimes, and pennies to complete my fees. There is no way, no matter how I try, that I can ever discharge or forget that debt.

Lorin Jurvis
President
1978-1980

Alpha Phi Omega has touched our lives in many ways and there is much for each of us to recall. For me it started with Boy Scouting. I had the privilege of growing up in Kansas City when Roe Bartle was the Scout Executive. His vigor and spirit imbued the entire Movement in the Heart of America. I not only enjoyed the fun and adventure of a fine time, I was motivated by the example of my Scoutmaster and other leaders who demonstrated service to others.

As a 13 year old selling tickets to the Scout Roundup (our annual Scout show), I saw a door in a downtown office building with an impressive coat of arms and the scroll that read "Alpha Phi Omega". I ventured in and was greeted by Mrs. Tucker who had a soft spot for young Scouts and bought ten tickets. Some weeks later at the show in the Municipal Auditorium, I saw college students wearing blue arm bands with gold Greek letters coordinating events, directing traffic, and helping out any way they could. The following year at an Eagle Court of Honor, the Chief introduced the guest speaker, then National President Shorty Nowotny. With these indoctrinations, I naturally responded positively when my college classmate suggested that we join the Fraternity.

My recollections are those of my own chapter — the fellowship of caring friends, learning to lead, the satisfaction of helping others in relevant ways.

In later years I had the opportunities to meet and learn from many dedicated volunteers who served as advisors, Sectional and Regional leaders. I was inspired by our founders and the giants of Alpha Phi Omega. I have fond memories of chapter programs and initiations; of fellowship circles; of Sectional Conferences with early curfews, late departures, locked auto trunks, and missed airplanes; of National Conventions, seminars, reference committees, intense floor debates, inspiring speeches and friendship; and opportunities given to me. But most remembered are the men and women in chapters on campuses across the land who developed leadership by rendering service to others in the true spirit of Brotherhood. And our nation is better because of them.

Roger Sherwood

National Executive

Director — 1972-1981

There are, as I reflect on the fact that I have been a part of Alpha Phi Omega for a quarter century, many “memorable” events during my

Fraternal affiliation. They form a collage, such that it is difficult to separate one from the many.

Instead of selecting one, I’ll try to encapsulate several...

- Visits to campus as a new National Service Representative, and the ability to witness the commitment of hundreds of chapters across the nation.
- Working closely with the “Chief”, a man I greatly admired as an undergraduate, and with whom I was privileged to work as National Executive Director.
- The first visit of Joe Scanlon to my campus, where it dawned upon me that there was far more to APO, than, just Eta Chapter.
- The very special initiation ceremony, at a Scout Camp, when I was accepted into Alpha Phi Omega.
- Forming a fellowship circle with more than 1,000 Brothers to sing the toast song at the conclusion of each National Convention.
- The ability to witness the growth and development of countless Brothers during my term as National Executive Director.

C. P. Zlatkovich

President

1980-1982

National Conventions have provided my most memorable Alpha Phi Omega experiences. I went to my first Convention in 1964 as a

brand new active largely because it was an opportunity to take a trip. The fact that it was a train trip made it even better. After a couple of days largely spent having a “high old time” I decided that I would like to go again. On the closing night, a couple of friends and I formed a spirit group called the Alpha Railroaders that would promote future Convention and Conference participation.

Months before the next Convention, I got the chapter to appoint me “National Convention Coordinator.” Although I was only the coordinator for our chapter, this point was not always emphasized. Anyway, I made the arrangements for our travel (by train, naturally) and served as a voting delegate for the first time. The following year I got to represent my chapter again at the Constitutional Convention.

Probably the biggest thrill of all for me was becoming a member of the National Board for the first time in 1970. I had come to admire many of the Board Members over the years and felt really honored to serve among giants like Bartle and Nowotny. Alpha Phi Omega has given me a lot of fine experiences, and I hope that many others will have similar opportunities in the future.

1948: “THE KEY”

It was a challenge to write articles for the 60th anniversary issue of the *Torch & Trefoil* because so many things have happened in the great span of time of our Fraternity. It was difficult to choose events that had a lasting affect or given the greatest direction to our goals of Leadership, Friendship, and Service.

One of those events must have been the establishment of “the key”.

In 1948, the Board of Directors authorized this small piece of jewelry. It was announced in the *Torch & Trefoil* with just a small paragraph that it could be purchased from the National Office for less than \$10.00.

How this “key” would eventually affect our Fraternity would probably have sent that 1948 Board of Directors spinning. Today the distinction of having a “key” is reserved to those who have given great effort in service to their chapter, section, region or nation.

The special significance and presentation of the “key” is properly reserved. It is our way of recognizing those Brothers who have chosen to give of themselves in an unselfish manner by providing unique service to meet the goals of Alpha Phi Omega. It is fitting and proper that they be recognized. It is a special honor to a special Brother who receives a distinguished service key!

ROSTER OF CHAPTERS

In the Fraternity's first 60 years, 635 chapters have been chartered in colleges and universities throughout the nation. Petitioning groups currently exist on a number of campuses. This roster is in itself a historical record of the growth of the Fraternity, showing the years of installation of all chapters.

1925

Alpha—Lafayette College, Easton, Pennsylvania

1927

Beta—University of Pittsburgh, Pittsburgh, Pennsylvania
Gamma—Cornell University, Ithaca, New York
Delta—Auburn University, Auburn, Alabama
Epsilon—Northeast Missouri State University, Kirksville, Missouri

1928

Zeta—Stanford University, Stanford, California
Eta—Northern Illinois University, DeKalb, Illinois

1929

Theta—University of Virginia, Charlottesville, Virginia
Iota—Park College, Parkville, Missouri
Kappa—Carnegie-Mellon University, Pittsburgh, Pennsylvania
Lambda—University of Kansas, Lawrence, Kansas
Mu—Indiana University, Bloomington, Indiana
Nu—Upsala College, East Orange, New Jersey

1930

Xi—Iowa State University, Ames, Iowa
Omicron—University of Iowa, Iowa City, Iowa
Pi—Kansas State University, Manhattan, Kansas
Rho—University of North Carolina, Chapel Hill, North Carolina

1931

Sigma—Northwestern University, Evanston, Illinois
Tau—University of Florida, Gainesville, Florida
Upsilon—University of Wisconsin-Milwaukee, Milwaukee, Wisconsin
Phi—Syracuse University, Syracuse, New York
Chi—University of California-Los Angeles, Los Angeles, California
Psi—University of California-Santa Barbara, Santa Barbara, California
Omega—Drake University, Des Moines, Iowa

1932

Alpha Alpha—University of Illinois, Urbana, Illinois
Alpha Beta—Pennsylvania State University, State College, Pennsylvania
Alpha Gamma—Purdue University, Lafayette, Indiana
Alpha Delta—San Diego State University, San Diego, California
Alpha Epsilon—Louisiana State University, Baton Rouge, Louisiana

1933

Alpha Zeta—University of Kentucky, Lexington, Kentucky

1934

Alpha Eta—University of Missouri-Kansas City, Kansas City, Missouri
Alpha Theta—University of Nebraska at Omaha, Omaha, Nebraska
Alpha Iota—Ohio State University, Columbus, Ohio
Alpha Kappa—University of Southern California, Los Angeles, California
Alpha Lambda—North Dakota State University, Fargo, North Dakota
Alpha Mu—William Jewell College, Liberty, Missouri

1935

Alpha Nu—St. Norbert College, West DePere, Wisconsin
Alpha Xi—Washington State University, Pullman, Washington
Alpha Omicron—Southern Methodist University, Dallas, Texas
Alpha Pi—University of Miami, Coral Gables, Florida
Alpha Rho—University of Texas, Austin, Texas
Alpha Sigma—University of Nebraska, Lincoln, Nebraska

1936

Alpha Tau—Butler University, Indianapolis, Indiana
Alpha Upsilon—DePauw University, Greencastle, Indiana
Alpha Phi—Washington University, St. Louis, Missouri
Alpha Chi—Massachusetts Institute of Technology, Cambridge, Massachusetts
Alpha Psi—Lehigh University, Bethlehem, Pennsylvania
Alpha Omega—Kirksville College of Osteopathic Medicine, Kirksville, Missouri

1937

Beta Alpha—Wichita State University, Wichita, Kansas
Beta Beta—Michigan State University, East Lansing, Michigan
Beta Gamma—Central Y.M.C.A. College, Chicago, Illinois
Beta Delta—East Texas State University, Commerce, Texas

1938

Beta Epsilon—University of Northern Iowa, Cedar Falls, Iowa
Beta Zeta—University of Georgia, Athens, Georgia

Beta Eta—University of Missouri, Columbia, Missouri

The Chief welcomes
Brothers after the
1962 National Convention
closing banquet.

One can almost
hear his booming
voice,
"Greetings Brother...!"

H. Roe Bartle is probably the most frequently quoted Brother of Alpha Phi Omega. He was a dynamic, charismatic leader. His spirit still embodies Alpha Phi Omega to many Brothers. The Chief also like to quote others to make his point — he borrowed the following words from Daniel Webster.

"If you work upon marble, it will perish; if you build temples someday they will crumble into dust; if you work on the immortal soul of men, giving them a just fear of God and cause them to love their fellow man, you engrave upon those tablets some things that will last unto all eternity."

In the 44 years of active participation in Alpha Phi Omega the Chief bound together the hearts, and minds of Alpha Phi Omega Brothers.

His ideals and goals for the best of everything for our Fraternity continues in our actions today.
