*Spring 1996*

*Brothers of Zeta Alpha pull an old shopping cart out of a small creek during the Alpha Phi Omega Lakeside Park Cleanup near the campus of Bradley University in Peoria, Illinois.*

## Service to the Environment

The idea of service to the environment is rather awesome. How could any group lay claim to such a monumental task. Well, take approximately 17,000 well-intentioned collegians, give them a little direction, and look out. That is the way it happens in Alpha Phi Omega. Review "Hour Power" on page 7 of this issue to get an idea of how service to campus and community can be accomplished by an organization such as APO!

Actually the environment is the Fraternity's service Program of Emphasis for the two year period 1994 - 1996. Having a topic like the environment allows Chapters the opportunity for meaningful service projects. The Chapters choose what they would like to accomplish in service on their own campus and community, yet they remain in concert with our other 300-plus Chapters across the country for a unified effort in service.

# PRESIDENT'S MESSAGE

BY WILFRED M. KRENEK, NATIONAL PRESIDENT

Our Fraternity is fortunate to have many levels of volunteers, and at the core are our Chapters. Beyond the student level, however our volunteers are generally older adults. These individuals serve at the Chapter, Sectional, or Regional level, and some serve even at the National level. They may be called "Advisor," "Chair," "Director," or "Officer." They may be on a committee, on staff, or merely return a service for the Fraternity whenever asked. We always try to recognize and thank our many wonderful volunteers. Without them we would be less; with them we are the best.

In this particular column I want to recognize and thank a special group of volunteers - our Chapter Advisors. Chapter Advisors are unique. They are selected or elected. They may only serve a one-year or two-year term but, many serve literally for a lifetime.

The characteristics of an Advisor vary greatly from one Chapter to another. An Advisor may be a university official or faculty member, a community leader or Scouting executive. Our Advisors may have been members of the Fraternity as students, or they may have a background in Scouting and just a knowledge of APO, or they may be part of a community organization for which the Chapter has conducted a project.

The role of Advisors is also different in each Chapter. They may attend all Chapter functions, or maybe only those functions where they are needed by the Chapter. An Advisor can be a mentor to the Chapter President, offer encouragement to the Executive Committee, or act as a sounding board for the whole Chapter. They offer care, expertise and experience in a world where they are needed. They offer continuity, steadfastness, and friendship.

To all Chapter Advisors, thank you for your time and efforts. You are a major force in keeping our Chapters strong and motivated.

As I recognize and thank these special volunteers, I want to encourage Chapters to do a little soul-searching. Maybe it is a good time to review your advisory program. Where are your Advisors? Have you seen them lately? Are you taking care of them? Do you have the required number of these Chapter volunteers? The responsibility is yours to assure the strength of this vital asset to your Chapter.

*Wilfred*

# L<sup>o</sup>etters to the E<sup>o</sup>ditor

Patrick Burke, Alpha Phi Omega National Executive Director and Torch & Trefoil Editor, welcomes your thoughts and comments.

MAIL TO: T&T Editor,  
14901 E. 42nd St., Independence, MO 64055,  
FAX: (816)373-5975, E-MAIL: APONED@aol.com

## Dear E<sup>o</sup>ditor:

I received my Winter/Spring '96 edition of the Torch & Trefoil yesterday, and was delighted to see the new graphic design. Way cool! (Kudos to all of y'all working on it.)

I also wanted to applaud the Alumni page. It was great to read about people who have taken the lessons learned as an APOer to heart, and carried them into the real world.

If you are an alumni member who misses the camaraderie of APO, seek out some of the non-profit organizations in your community. In this age of corporate downsizing and governmental cutbacks, funding for many groups is drying up overnight. Now more than ever, they need your heart and your hands. Like Pam Malone, Lori Tsruda, and Phillip Deal, you too can "make a difference."

Sincerely,

*Judy Kriehn  
Theta Rho/Alpha  
Omicron alumna  
Garland, TX*

suburban Maryland, and would love to get in touch with the Washington, D.C., area alumni association.

Please send me the address of the local Alumni association.

Thanks. Look forward to hearing from you soon.

*Shira Lea,  
Chi Sigma alumna  
Meadville, PA*

P.S. Whatever happened to the "Alumni Light" newsletter, devoted specifically to alumni issues?

*(We are sending you a list of all Alumni associations, as well as the Washington, D.C., address. The Alumni Light is published quarterly. One issue has already been distributed this school year. Your timing is good because we are publishing the next issue now.)*

## Dear E<sup>o</sup>ditor:

I received my Winter/Spring '96 Torch & Trefoil yesterday, and I am greatly impressed! The ongoing format changes are truly spectacular. I especially enjoyed the "Q&A" and "A Page in History" features. Also, the two-color format continues to look great! Keep up the great work!

*Ray Scott  
Delta alumna  
Auburn, AL*

## From the Editor.....

Brother Walter M. Schwenger appeared in the Letters to the Editor section in the Winter/Spring 1996 issue as a member of the Beta Theta Chapter. However, Walter was initiated in the Epsilon Mu Chapter, and later became an active in the Alpha Beta Chapter. It was Walter's brother Art who was a member of Alpha Beta Chapter.

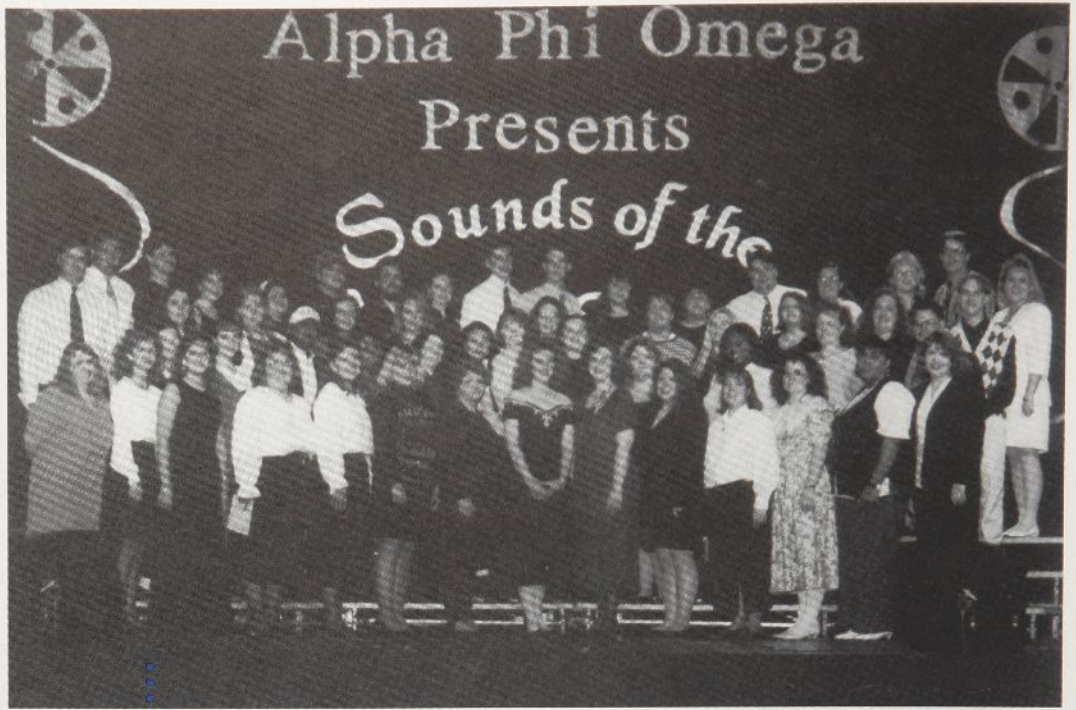

## Dear E<sup>o</sup>ditor:

Just received the Winter/Spring '96 edition of the T&T, which I always look forward to. I enjoy seeing a big section on Alumni news, especially the listing of Alumni Associations. However, no addresses or phone numbers were included! I live in

# CHAPTERS

## CHI ZETA

University of  
Tennessee-Martin

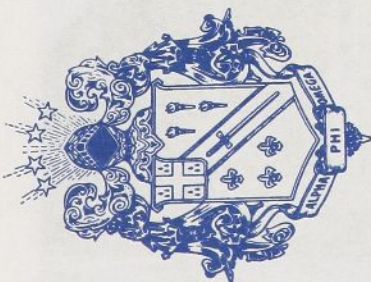

Earlier this spring Brothers of the Chi Zeta Chapter at the University of Tennessee-Martin presented the 35th Annual All-Sing. The Chapter began sponsoring the event in the early 1980s. All-Sing is a vocal competition among fraternities, sororities and open divisions on campus. Last year the Chapter donated \$11,500 to Habitat for Humanity and was honored with the name of the first habitat house in Weakley County - "The Alpha Phi Omega House." In 1993 the Chapter donated \$10,000 to the Carl Perkins Center for Child Abuse. This year the theme was "To the One I Love." Groups participating were all required to sing songs with the word "love" in the title. The 1996 charity the Brothers chose was Shriners Children's Hospitals.

## XI BETA

University of  
Nebraska-Kearney

Members of the Xi Beta Chapter, University of Nebraska-Kearney, took part in The Next Step IV on October 1, 1995. The Next Step is an annual walk-a-thon put on by the Nebraska AIDS Project (NAP) to raise money for HIV/AIDS education and support services. APO members as well as members of the community and other campus organizations joined forces in the 10K walk and raised over \$3,000.

## ALPHA GAMMA XI University of Dayton

The Brothers at the University of Dayton are staying strong. With their numbers increasing, so do the service projects. Feeling the effects of their hard work are such groups in the Dayton community as the Children's Medical Hospital, Red Cross, Girl Scouts, Ronald McDonald House and local schools. They are also planning their first campuswide fund raiser, a bowl-a-thon.

Alpha Gamma Xi's most popular current project is with Dayton Power & Light. On various weekends throughout the year, Brothers work with a Dayton Power & Light representative to install insulation in low-income housing, as pictured at the right. Through the use of recycled newspapers they produce the insulation, which the Brothers in turn spread in the attics. It is a team effort and a great way to bring a little warmth to the homes and hearts of Dayton.

### NU EPSILON

#### Georgia Southern University

National Service Day 1995 was a great success for the Nu Epsilon Chapter at Georgia Southern University. The Chapter worked at Magnolia Springs, a National Park in Millen, Georgia. The Chapter began its work at Magnolia Springs where the Fall 1995 Pledge Class decided to build flower beds at the park for their pledge project. Periodically they make trips to the park to help keep it clean.

## Chapters are out for Blood!

It is an old line, but it still works. For many Alpha Phi Omega Chapters the annual blood drive on campus provides them recognition and credibility. The blood drive is one of our oldest service projects. In 1988 the Fraternity was recognized nationally when it was awarded the American Association of Blood Bank's Presidential Award. Today, a number of our Chapters continue to keep this worthwhile project in the forefront of their service. One Chapter conducting an annual blood drive is Gamma Lambda at Clemson University. Recently was awarded the Anderson-based AnMed Regional Blood Center's "Recruiter of the Year" award for sponsoring Clemson's participation in a blood drive contest with the University of South Carolina. Over 2,500 units of blood were donated.

"Normally, the 'Recruiter of the Year' award is given to an individual, but consistently, year after year, APO

at Clemson does such a tremendous job of recruiting blood donors that we felt the award really belonged to them as a group," said Barbara Cartwright, AnMed's supervisor of donor resources.

"The students in Alpha Phi Omega are outstanding as individuals, as representatives of

Clemson, and as representatives of their fraternity. They also are, quite literally, lifesavers because their blood drives (held in November), do so much to help so many people during the holiday season every year when blood reserves are always stretched to the limit."

The service all our Chapters render throughout the year is monumental. Sponsoring a blood drive is a challenging service project.

When you read "Next Issue:" (which is set in this article), you will see that we are asking for Friendship activities your Chapter incorporates in its program, and we are asking you to "recap" your annual blood drive efforts, so that we can include national statistics in a future issue of the T&T. Whatever the topic, we need your contributions for this part of the magazine. The "LF&S" pages are for sharing information, and you need to share it with us first.

### Next Issue:

This new feature requires the help of Chapter Presidents! In the last issue this column asked, "Does your chapter plan specific activities to promote the cardinal principle of friendship?" We want to know what your chapter does. Assign a Brother to write your chapter story in regard to Friendship activities, and submit it to the T&T. And, while you're at it - assign a Brother to "recap" your annual blood drive efforts. This is a major area of service by our chapters.

## 1996 National Convention is Coming!

"Rising to Serve" is the theme of our 1996 National Convention that will be held in Phoenix, Arizona, December 27-30, 1996. The convention committee is already hard at work planning the best convention possible. Details on the convention, things to do in the Phoenix area, and registration information for alumni will appear in the Fall T&T.

# LEADERSHIP, FRIENDSHIP & SERVICE

*Years of hard work and dedication paid off for the Eta Pi Chapter at the University of Detroit Mercy in Detroit, Michigan. On December 16, 1995, Brothers from as far away as New York converged on Detroit for Eta Pi's rechartering ceremony. The Chapter had been inactive since 1972. The day's activities included service projects in the Detroit Metropolitan area. Brothers sorted clothing at the Detroit Rescue Mission, decorated for a Christmas party at New Steps, a home for addicted mothers and their children, and worked at a Habitat for Humanity site.*

## HOUR POWER

*We talk about the impact of our service throughout the school year. National Service Day may be a microcosm of what we really accomplish. On November 4, 1996, our Chapters figuratively joined together in projects that included campus cleanups, park cleanups, planting seedlings, adopt-a-highway, beach cleanups, recycling, and leaf raking just to name a few. A conservative estimate of hours worked is 11,200. If you multiply that by the minimum wage of \$4.45, that is providing almost \$50,000 of service work in one day!*

## HISTORY FACT

*December 1959 - Theta Iota Chapter at the University of Arizona (Tucson) published a new "Spirit Pamphlet" to help fans learn the songs and yells of the university and join in the cheering at football and basketball games. The pamphlet also includes a description of the traditions of the University of Arizona.*

## APO Merchandise

Would you like to order APO jewelry, clothing or other merchandise? For catalogs contact the National Office.

# 1995 TORCHBEARERS

In this issue of the Torch & Trefoil, we recognize our donors. Those Brothers giving a minimum of \$50 are recognized as Torchbearers. Those Brothers giving \$100 are recognized as Silver Torchbearers, and those giving \$250 are gold torch bearers, those giving \$500 to \$2,500 are recognized as Founders Circle. Levels of donors are listed by Chapter.

All donors are important and necessary to the operation of the Fraternity. They help insure that Leadership, Friendship, and Service are kept alive on our campuses. They invite you to join them in their commitment.

# Where do we go from here?

by Jack A. McKenzie, National Vice President

An often quoted adage, variously phrased, says that unless you know where you're going you'll never get there.

To ensure that the Fraternity always knows where it's going, the National Board of Directors and the National Convention have developed and implemented, over the past 10 years or so, a long-range planning process.

The process itself is pretty simple and follows a two-year cycle that moves from one National Convention to the next.

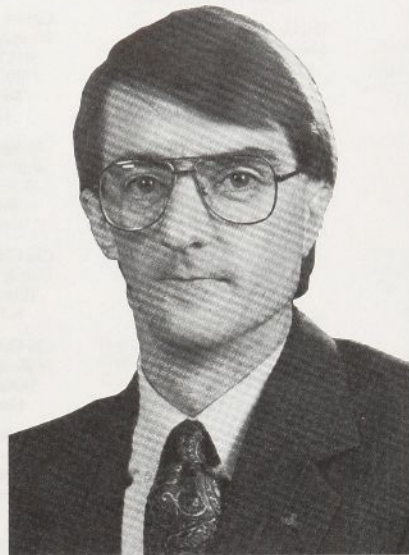

Here's how it works:

The Long-Range Planning Reference Committee at each National Convention reviews a set of long-range goals presented by the National Board and recommends ways to improve the goals.

Shortly after the Convention, the Board uses those recommendations to revise the goals as necessary to keep them up-to-date and valid, and a specific Board Member is assigned primary responsibility for making sure that progress is made toward accomplishing each goal.

Then, at the next Convention, the Board presents a progress report to that Convention's Long-Range Planning Reference Committee and the process starts all over again.

Although the planning process follows a two-year cycle, fulfilling many of our current long-range goals will take a lot longer than two years. For example, one of our long-range goals is to have at least 450 active Chapters by August of the year 2000.

“... we definitely  
have charted a  
challenging  
course for  
ourselves for the  
next few years.”

We also have a goal of building the Alpha Phi Omega Endowment Fund to at least \$3 million by December of the year 2004.

Of course, when you stop to think about it, the year 2000 is right around the corner, and 2004 is only a block

beyond that. So, when you consider that we have about 325 active Chapters at the moment and that the endowment currently stands at about \$1 million, you can see that we definitely have charted a challenging course for ourselves for the next few years.

Meanwhile, some of our other long-range goals are supposed to be completed this year. You're looking at one of them right now: the new and improved T&T.

Because of the leadership, creativity, and persistence of dedicated Brothers such as Kay Krennek, Dave Emery, and Patrick Burke, the T&T has been redesigned to be a more readable, informative and entertaining publication.

This did not happen by accident—it's been one of the Fraternity's long-range goals for several years, and it's one of the goals that the Long-Range Planning Reference Committee at this year's National Convention will be able to check off as completed.

If you'd like to know more about the Fraternity's current long-range goals, e-mail me at [Jack.McKenzie@PubAff.Clemson.edu](mailto:Jack.McKenzie@PubAff.Clemson.edu) and I'll be happy to send you a copy.

Better yet, start making your own “long-range plan” now to be at the National Convention in Phoenix in December to be a part of the Fraternity's next planning cycle, which will take us to the edge of the 21st century.

See you there!

# ALUMNI

## "Is Sustaining Membership for me?"

Sustaining Membership was created in December 1994 for the purpose of getting more alumni involved in Alpha Phi Omega. Think of it like a university's ex-students' association, which is to keep in touch with alumni.

The Sustaining Membership (SM) program is different from Life Membership (LM). LM is a requires one-time fee while SM has a revolving fee. Life Members receive a lifetime subscription to the T&T. Sustaining Members receive the Alumni Light newsletter. Alumni Light is mailed for free for one year to recent graduates. This provides

recent graduates with a way of staying in touch with the Fraternity and encourages alumni to keep the National Office informed of their current address. Other new items are corporate associations and the Career Connection. For more details contact the National Office.

Brothers may become both Life Members and Sustaining Members, (or neither). One does not preclude the other.

Our hope is that Alumni will want to join both, and that in 5-10 years, the SM program will be strong enough to where we have:

- increased our recognized local Alumni Associations,
- helped undergrads choose a profession through the Career Connection
- helped alumni through the Alumni Light to keep up with people they knew in their respective Chapters and met at conventions.

To that end, we also have 24-hour access to alumni programs through our alumni page at: <http://www.bga.com/~rancher/alumni.html>

Call the National Office for more information.

---

## APO lives up to its promises

As a Life Member of Alpha Phi Omega and a member of the Chi Gamma Chapter Alumni Association of James Madison University in Harrisonburg, Virginia, I am writing to acknowledge our Fraternity's key role in my career success. I am a Public Relations Specialist with the Girl Scout Council of the Nation's Capital (GSCNC), the largest Girl Scout Council in the United States. We serve the Washington, D.C., metropolitan area.

I was a Girl Scout for six years, and had the opportunity to experience cookie sales, camping in the great outdoors, and many other self-esteem and leadership building opportunities. As I approached my college years, it became important for me to continue

many of the same activities, but in a coed atmosphere. I found Alpha Phi Omega, and we were a perfect match!

Many of the activities in Alpha Phi Omega are similar to those in Scouting, like community service activities and skills-building opportunities. We hold many of the same ideals, including the fact that all people are important and can make a contribution to the lives of others. I want everyone at APO to know how important it has been for me to gain the knowledge and skills learned through interviewing brothers and other pledges during the pledging process, standing up in front of chapter meetings and reporting information, leading service projects, reaching out to those in need, arranging trips and

retreats together and building fellowship, and many other learning projects.

Those skills helped me find my dream job, and they continue to help me every day at work. I am sure many other APO alumni feel the same way. I hope the many things you are learning in APO will help you while you are still an undergraduate (become a Scout Leader at your nearby school, or write: Girl Scouts of the USA/420 Fifth Avenue/ New York, NY 10018-2702 for more information) and later with your career and life skills. In the midst of all the fun, there is truly an underlying meaning for the purpose of Alpha Phi Omega!

*Sarah-Jane Gatley  
Chi Gamma, alumna*

# Q&A

Everything you ever  
wanted to know about  
Alpha Phi Omega  
and finally got around  
to asking.

**Q** How do you determine the Pledge Class Namesakes?

*Catherine Bergstrom  
Section 4, Region X*

**A** In March of each year, a letter is sent to all active Chapters, Petitioning Groups, and Alumni Associations inviting them to make nominations for that year's Fall Pledge Class Namesake Honor. The nominations deadline is May 1. Based on those nominations, a committee of National Board Members, chaired by the National Vice President, makes a recommendation to the National Board of Directors. The National Board makes the final decision at its summer meeting, and the Honoree is announced in the next issue of the Torch & Trefoil.

**Q** What are the Fraternity numbers—Brothers? Chapters? Alumni Associations?

*Domonica Hoff  
Alpha Zeta,  
University of Kentucky*

**A** Our current Fraternity numbers are as follows: 685 Charters granted; 322 Active Chapters; 17,230 Active Brothers; 16,582 Life Members; 264,816 Alumni.

**Q** Does the National Office keep track of Chapter Family Trees?

*Paul W. King  
Rho Chi  
Gannon University*

**A** The National Office does not keep track of Chapter Family Trees. Information concerning a line of "Big Brothers" can only be tracked through the Chapter itself.

**Q** Are there guidelines for starting a Chapter newsletter?

*Becky Link  
Alpha Beta Rho  
University of Pittsburgh*

**A** The best guidelines for starting a Chapter newsletter are outlined in the Leadership Series (mailed to all Chapters every fall), in the Public Relations Handbook, page 18. If you need an additional copy, contact Anita at 816-373-8667.

**Q** Whatever happened to Alpha Chapter, and when did it go inactive? Is anybody trying to restart it?

*Holly Bond  
Delta Theta,  
University of Louisville*

**A** Alpha Chapter was placed on the inactive roster in 1993. According to records at the National Office, this is the second time Alpha Chapter had been declared inactive. Original papers from the Chapter are archived in the Lafayette College Library. The National Office is not aware of any official attempt to recharter Alpha Chapter at this time. But, if you know of anyone who can possibly help in a recharter effort please contact the National Office.

**Q** How many international Chapters are there and where are they located?

**A** Alpha Phi Omega does not have any international Chapters at this time. Over the years attempts have been made to start Chapters in other countries, but they have never been successful. However, at this time there is a cooperative effort with Alpha Phi Omega (Phillipines) to begin building Chapters in other countries. Alpha Phi Omega (USA) is seeking to build Chapters in Canada, and Alpha Phi Omega (Phillipines) is seeking to build new Chapters in Australia. So, if you know anyone who might be a resource contact the National Office.

# Minutes of the Board Meeting

*Action taken at the Winter Board Meeting February 10, 1996, in Phoenix, Arizona*

- Voted to recommend to the 1996 National Convention that the charter of Omicron Theta Chapter at Monmouth University, Long Branch, New Jersey, be revoked for violations of the membership policies of the Fraternity.
- Approved the following Charters: Alpha Delta Nu Chapter, Embry-Riddle Aeronautical University, Daytona Beach, Florida; Omicron Sigma Chapter, St. Peter's College, Jersey City, New Jersey; Theta Iota, University of Arizona, Tucson, Arizona.
- The President appointed a committee to supervise the ongoing achievement of the Long-Range Goals.
- The President appointed a committee to review all issues

concerning the restructure of the Board of Directors and Regional realignment

- Approved Deloitte and Touche LLP as the Fraternity's auditor for the 1996 fiscal year.
- Determined a procedure for selecting the Fall Pledge Class Namesake Honoree.
- Approved the appointment of Ernie Manfredini, Gamma Beta Chapter, San Jose State University, as the 1996 National Convention Chair.
- The President appointed the 1996 Fall Pledge Class Namesake Committee.
- The President appointed Past National President Gerald A. Schroeder as Chair of the 75th Anniversary Celebration Committee.

## Chapter Program Workshops

The following locations have been determined as sites for CPWs this coming summer. Registration forms will be sent to the Chapter President. If you want to attend a CPW see your Chapter President to sign up.

June 28-30, 1996, Albion College, Albion, Michigan

July 12-14, 1996, Camp Mo-Kan, Independence, Missouri

July 26-28, 1996, Texas Lutheran College, Sequin, Texas

July 26-28, 1996, Fork Union Military Academy, Fork Union, Virginia

August 2-4, 1996, Embry-Riddle Aeronautical University, Daytona Beach, Florida

## Announcing the Blue & Gold Society

This fall we will launch a new program providing an opportunity for a special group of individuals to contribute to the long-term success of Alpha Phi Omega. Individuals who demonstrate their commitment to the Fraternity's programs in their estate plans, including wills and life insurance, will be invited to join. Planned Giving has become

a critically important tool for helping charitable groups to improve their programs and provide better service to their members. This new program will build on the existing Development Campaign and Challenge Fund Drive. Please watch for more news in the fall!

# WHO, what, WHEN & Where?

## ALPHA PHI OMEGA'S CALENDAR OF EVENTS

### May 31 - June 2

*Region IV  
Staff and Key  
Volunteers Meeting  
Location TBA*
