"THE BUCK STOPS HERE"

Alpha Phi Omega congratulates and thanks the Deans of Students and the Deans of Men of colleges and universities for their support and interest in the Fraternity.

This was manifest in many ways at the recent national convention of NASPA, the organization through which deans and student personnel administrators express their commitments to American education. Many deans wore APO recognition buttons; many without chapters expressed an interest in having them formed on their campuses; all of them presented a challenge to the Fraternity to be of Service to their fine student bodies.

In these days of questioning about the solidity of the foundation upon which American university education rests, it was heartening to note the abiding interest of the more than 700 deans present in every phase of student needs and dreams, and their determination to seek out solutions based on principle and right reason.

It was equally satisfying in this age of confrontation to learn at first hand of the high standing APO chapters have on college campuses. This is a tribute to chapter leaders and advisors far beyond any expression that can be given to it. The regard is there because it is merited, and it is worthwhile because deans do not extend their approval lightly.

The Fraternity congratulates NASPA's distinguished and dedicated new President, Dean Carl W. Knox, Alpha Alpha, University of Illinois. Alpha Phi Omega is proud to greet him as a Brother, and to assure him and his associates of the Fraternity's unquenchable thirst to render significant Service to the college and university community.

OUR COVER -

The site for Alpha Phi Omega's 1967 Constitutional Convention, the Oklahoma Center for Continuing Education, is one of the most unique and interesting educational areas in the United States. The center is located just south of, but apart from, the campus of the University of Oklahoma at Norman. Its facilities include an exciting and truly different hexagonal Forum building, which contains 18 discussion rooms and a United Nations style assembly room, equipped with "the finest lighting, film, TV, tape recording and projection equipment and encircling tiers of built-in desks and massive swivel chairs." The Constitutional Convention opens December 27. Only one designated delegate per chapter may attend.

COMING CONSTITUTIONAL CONVENTION

Alpha Phi Omega will assemble its first Constitutional Convention next December 27 at the Oklahoma Center for Continuing Education, the University of Oklahoma, Norman. The nearest major airport is at Oklahoma City, approximately 20 miles away.

The 1966 Convention delegates spelled out the rules to govern attendance. They limited it to one active member from each chapter, one representative of the Alumni Association, and 25 members of the 39-member Executive Board. The National President will convene the session

Aubrey B. Hamilton

on December 27, to continue until it completes its work.

President Forman has named Aubrey B. Hamthe National Legal Counselor, to act as Convention Coordinator. Commissions to draft position papers to assist the convention are being set up. Those interested should write the President who will file their names with the National Director, who will refer them to the Convention Coordi-

Position Papers

The intent and purpose of the position papers will be to assemble a body of knowledge for the consideration of the convention delegates. The convention will make its own decision and draw its own conclusions. The nine areas to be studied and their scope are as follows:

- (1) National Membership: Age, Scouting relationship, college enrollment, type (active, honorary, life, alumni).
- (2) National Board of Directors: Size, selection, qualifications, term, duties, vacancies, composition,
- (3) National Officers: Number, selection, terms, vacancies, duties.
- (4) National Committees: Executive and others, board

- committees, fraternity committees, duties, meetings,
- (5) National Conventions: Powers, meetings, selection of delegates, call, quorum, rules.
- (6) Sections: Election or appointment, training, opera-
- (7) Chapters: Establishment and government, standard by-laws, policies, control, ritual.
- (8) Finances: Dues and assessments, sustaining members, life membership, endowment, budget procedures.
- (9) Management Policies: Statement (manual), personal matters, board-officer-staff relationships.

Written reports from these commissions will be due October 1, in ample time to be shared with the Fraternity.

One Delegate Per Chapter

Alpha Phi Omega has held nineteen national conventions since its foundation in 1925. Changes in the Constitution and By-laws have been made at each of them. In recent years there has been a noticeable increase in delegate concern over various expressions of APO's fundamentals and its basic law. Delegates have felt there was not enough time devoted to it at regular conventions. The calling of a Constitutional Convention is a response to the expressed need for a meeting solely devoted to the consideration of APO's fundamental law and principles.

Every chapter is urged to plan now to send the very best man it can select to represent it at the 1967 Constitutional Convention. Delegates will be housed and fed in the Oklahoma Center for Continuing Education, an enclave all to itself and self-sufficient for the entire needs of the convention.

Convention Costs

Convention costs will be approximately \$30 per delegate while in attendance. Add to this transportation costs to and from Norman, Oklahoma. Brothers of Delta Beta, the University of Oklahoma chapter, have volunteered to act as arrangements and reception hosts.

The continuing growth and development of Alpha Phi Omega depends on the deliberations at the Constitutional Convention. Every chapter should establish now a savings account to insure having a delegate present. The Fraternity must face the decade ahead with the unity of principle

and purpose this convention can provide.

SECTIONAL CONFERENCES

Advance registrations for spring Sectional Conferences indicate more than 1,000 delegates, representing approximately 100 chapters, will participate.

President E. Ross Forman was the guest of honor at the Southern California sectional, held on the campus of the University of California at Irvine. His fine message drew an ovation, according to Sectional Chairman Irwin H. Gerst. Fifteen chapters and more than 150 delegates

Dr. Lawrence L. Hirsch was the guest speaker at Wisconsin's sectional, held at Eau Claire, the home of Eta Lambda. More than 120 Brothers were present. Other speakers included Sectional Chairman Malcolm Dana and the National Director, Joseph Scanlon.

Rocky Mountain area chapters assembled at Colorado State, Greeley, under the leadership of Chairman I. D. Armstrong. Brother John E. Hanke, National Executive Board, spoke, as did David Patterson, National Service Representative.

Ohio chapters met at Bowling Green, with Zeta Kappa as the host. The excellent program included stimulating workshops and addresses by Chairman Mark Anthony. David Harris of the National Service staff shared in the workshops. Richard L. Tombaugh, National Executive Board, was the principal speaker.

NATIONAL EXECUTIVE BOARD ACTIONS

Session of April 8, 1967 at Cincinnati

More assistance to chapters and sections was the dominant note of the National Executive Board session, held April 8, 1967, at the Greater Cincinnati Airport in the Barkley Motor Hotel. Most of the members arrived April 7 and participated in meetings of a number of national committees.

President E. Ross Forman presided. Committee reports were received and discussed, and action taken on recommendations. The principal business transacted was as follows:

- The Board approved the appointment of Brother Aubrey B. Hamilton as National Legal Counselor, a position he has held since 1965.
- Approved the recommendation of the Personnel Committee to increase the staff of National Service Representatives to three, one more than at present, if funds are available.
- Approved petitions for charters from Virginia Union University, Richmond; Delaware Valley College, Doylestown, Pennsylvania; the University of Maine, Orono; Howard Payne College, Brownwood, Texas; Prairie View A & M College, Prairie View, Texas, and from the University of Illinois-Circle Campus, Chicago. This latter charter petition was presented at the meeting by Dr. Lawrence L. Hirsch, acting in his capacity as Extension Director for the Northern Illinois section.
- Approved a continuing study of plans to provide fringe benefits for National Office employees.
- Accepted with appreciation a draft of a National Executive Board Operating Manual, in preparation by a committee headed by A. G. Spizzirri.
- Authorized continuance of efforts by the Supplies and Insignia Committee, Dean Lewis N. Jones, Chairman, to effect arrangements for official blazers, and related merchandise.
- Received and approved a plan presented by Brother Hamilton, 1967 Constitutional Convention Coordinator, to prepare position papers for the assistance of the convention.
- Discussed the formation of a policy to govern the chartering of community colleges.
- Received with appreciation suggestions from the Finance Chairman and Treasurer, Brother Gerald M. Plessner, on budget planning and fund raising.

- Reviewed favorably a proposal by Brother North for the establishment of a National Best Pledge Award.
- Received and ordered submitted to the appropriate committees the report of Douglas M. Harris on Alumni matters.
- Recessed the Board until the next meeting is called by the President.

Pastor Frans Victorson paid a moving tribute to the memory of Elmaar H. Bakken, beloved Brother and distinguished member of the Board, who died recently of a heart attack. Brother Bakken served for many years as National Director of Relationship for the Boy Scouts of America

Present at the session were: President Forman; the three National Vice Presidents, Dr. Glen T. Nygreen, Aubrey B. Hamilton, and Robert J. Hilliard; Treasurer Gerald M. Plessner, Ed Andrews, Prof. Malcolm N. Dana, Dr. Tom T. Galt, John E. Hanke, Dean James P. Hannigan, Douglas M. Harris, Dr. Lawrence L. Hirsch, Sidney B. North, Dean Hershel G. Potts, Warren Stookey, Richard L. Tombaugh, Pastor Frans A. Victorson, Dr. Delmer H. Wilson, Lt. Col. Lucius E. Young, and Joseph Scanlon, the Executive Director.

SECTIONAL CONFERENCES

(Continued from page 3)

East Texas chapters met at historic Texas A & M and whooped it up in Lone Star style. Every chapter plans to send a delegate to the Constitutional Convention, Chairman James P. Hannigan reports. "Texas intends to have the largest number of chapters in the nation," the 14 chapters and 180 Brothers present decided. General Earl Rudder, President of Texas A & M University, welcomed the delegates; Dr. William Luker of the Business Administration Department was the keynoter. The banquet speaker was Gene Sutphen, President of the Bryant, Texas, Toastmasters Club.

Michigan chapters held their session at Michigan State, with Beta Beta Brothers as hosts. The 100-plus Brothers present enthusiastically participated in workshops, officer conferences, and a round of question and answer sessions directed at Chairman Harry C. Barnett, Richard L. Tombaugh of the Executive Board, and National Executive Director Scanlon.

Brother Alden G. Barber Incoming Chief Scout Executive, B. S. A.

CONGRATULATIONS Brother Alden G. Barber

The six million members of the Boy Scouts of America have a new Chief Scout Executive, Alden G. Barber of Chicago, whose selection was announced at the National Council meeting of the BSA, held in Pittsburgh, April 12-14.

Responding to congratulations from the Fraternity, Brother Barber

"On the occasion of assuming the heavy responsibilities of the office of Chief Scout Executive I thank the Fraternity for its greetings. I am very much aware of the great Service chapters of Alpha Phi Omega render to Scouting across the nation. I trust this fine relationship will continue and that I shall have the opportunity very soon of meeting with you. Please tell the Sigma Sigma petitioning group from the Circle Campus of the University of Illinois at Chicago that I plan to be with them at installation time and to serve as long as I can as one of their advisors."

Brother Barber has a long and distinguished career as a Scout Executive. Brothers in Southern California remember his support of APO when he was the Executive at Sacramento. Since becoming executive of the Chicago Council he furthered the organization of Pi Eta at Loyola University, Chicago, and made available facilities for the training of sectional chairmen and staffs in the Illinois-Wisconsin areas.

He succeeds Brother Joseph A. Brunton, Jr. The date of the installation of the new Chief Executive is yet to be announced.

APO AND MEDICINE

Theta Eta, Graduate School Chapter

Service to the community is a dual responsibility for the student at the Kansas City College of Osteopathy and Surgery who is a member of the Theta Eta Chapter of Alpha Phi Omega. Through a comprehensive four-year curriculum, the college since 1916 has been training young men and women to enter careers in the healing arts. A physician as an individual becomes a servant of mankind, but as an APO member as well he volunteers his services above and beyond his professional duties.

Theta Eta, founded in 1947, was the first APO chapter established on the campus of a graduate school. It has been active ever since. As the 20 million dollar campus development program becomes a reality, and student enrollment doubles, the chapter's Service program will increase.

Theta Eta Chapter initiated 98 pledges this year, the largest pledge class in its history, and we believe, in any chapter in a college with less than 400 enrolled.

The chapter this past year has given in money and services an estimated \$30,000.00. The funds necessary are acquired through the sale of placentas for the extraction of human hormones, the maintenance of refreshment machines on the campus, the sale of tissue specimens to a biological supply house, and other ways.

Chapter Service projects this year include: Performed physical examinations for almost 900 area school children and Boy Scouts; sponsored a Scout troop, providing the Scoutmaster and \$250 of camping equipment; sponsored

a child in Southeast Asia through the Foster Parents Plan, maintained a blood bank program that contributed 142 pints of blood in one day, provided 12 Neighborhood District Scout Commissioners, established a free loan service in the clinic for the correction of infant foot abnormalities, completed a \$1,500 pledge to the college building fund, donated \$1,250 to the hospital for air-conditioning facilities.

It is a unique attribute to be both the largest and the best fraternity on campus. This chapter is very conscious of its role. As physicians and leaders of the community we hope to do our part in keeping this heritage.

Theta Eta Brothers perform many services. One of the most frequent is the conduct of physical examinations, as illustrated in the above photo of Theta Eta Brothers in action.

Building upon the excellent foundation established by last year's first Sustaining Membership enrollment, your Fraternity is prepared today to further expand its efforts involving Alumni and friends in support of our program of Service to Chapters.

AN EXPANDED PROGRAM IS PLANNED THIS YEAR WITH A NUMBER OF FEATURES

- * All membership fees will apply to the regular Life Membership available for \$25.00. You can contribute towards your own Life Membership in this easy, annual way.
- * Brothers still in school can become Graduate Members for \$5.00 or more.

Every Brother will want to become involved in this new effort, to build a greater Alpha Phi Omega for the future. Use the card below! Become a Sustaining Member today!
