Alpha Phi Omega's TORCH AND TREFOIL

HORSE SENSE

Someone has said, "Horse sense is what horses have that keeps them from betting on people."

Horse sense in Alpha Phi Omega is encompassed in these ten guideposts:

First, continue to give main attention to wartime service projects which are helpful to the war effort and will directly speed victory.

Second, proceed with campus projects in service to the student body and faculty, and render all possible cooperation to the local Scout council.

Third, be sure all chapter meetings are snappy and interesting.

Fourth, put plenty of fun into the chapter program by including parties, dances and outings for members, pledges and guests.

Fifth, continue a strong rushing program to insure a steady flow of new members into the fraternity. Men initiated this spring will have much to do with the success of your chapter during the summer and next fall.

Sixth, use the committee system to get things done with the least amount of time.

Seventh, maintain a full advisory committee consisting of five or more faculty advisors and two or more Scouting advisors.

Eighth, plan now to keep the chapter activities going continuously during the forthcoming summer and begin outlining fall objectives.

Ninth, publish a newsletter for the brothers who have gone into active service with the armed forces, or use other means of keeping those brothers informed of the chapter's progress. They are eager for the news!

Tenth, keep in close contact with the national office and make full use of the printed materials and other aids which are made available by the national executive board.

(Measure your chapter by this ten-point standard, and determine to strengthen any weak points and maintain full efficiency in the months ahead.)

VOLUME 20 - NUMBER 4 APRIL, 1945

CCNY BROTHER KILLED ON LUZON

Lt. Sidney Diamond Gamma Epsilon Chapter

A first lieutenant, Sidney was with the Eighty-second Chemical Battalion and was killed in the battle of Luzon, January 29, 1945. He was 22 years old.

Lieutenant Diamond served nineteen months in the South Pacific and received two citations. On April 20, 1944, somewhere in the South Pacific, he was cited for giving "outstandingly effective support" to another division by "fire laid down by your 4.2 mortar which proved to be a powerful and devastating supplement to the division's artillery and mortar fire and helped reduce the loss of life."

In Bougainville on June 25, 1944, he was cited again. Although the infantry withdrew for the duration of a barrage laid down by the enemy, Lieutenant Diamond stuck to his post as a forward observer of a mortar battery. "Your courageous and conspicuously efficient action assisted greatly in defeating a determined enemy," the citation read. In addition to the two citations, he received the Silver Star.

Sidney was studying engineering at City Co.lege before entering the army and was active in Alpha Phi Omega. Our fraternity is honored to have had him as a brother.

TORCH and TREFOIL

The Magazine of Alpha Phi Omega

Issued regularly eight times a year in September, October, November, December, February, March, April and May.

Subscription price \$1.00 a year Entered as second class matter February 5, 1938, at the post office at Kansas City, Mo., under act of March 3, 1879. Office of Publication, 407 Land Bank Bldg., Kansas City, Missouri.

An Open Note to All Members from the National President

My dear Brothers:

As the weeks of this spring term go fleeting on, I think it is inspirational to look back upon the record of service and fellowship which our chapters have attained during the past fall and winter terms. Many projects of vital importance have been conducted and many very interesting fellowship events have been carried out. Right now, in the midst of this spring term, our activities are moving along at a fast pace.

One matter especially deserves the immediate attention of every active member, pledge and advisor. It is our plans for the forthcoming summer semester. Since Pearl Harbor our fraternity activities have been on a year-around basis and of course there have been many needs for service work in the summer months as well as during the other seasons of the year. I would strongly recommend that every active chapter, in so far as possible, begin its plans now for a continuous program during the summer of 1945.

Best wishes.

Faithfully and fraternally yours,

Ax Noz Baille

National President.

CROWNING THE RED CROSS QUEEN AT KANSAS CITY UNIVERSITY, CLIMAXING A POPULAR ELECTION WHICH BROUGHT \$600 FOR THE RED CROSS WAR FUND

"Dwight F. Greenwood, a pledge of Alpha Eta Chapter of Alpha Phi Omega and president of the KCU veterans' organization, is shown presenting a crown of flowers to Miss Shirley Coughlin, winner of a campus-wide election for Red Cross queen during the recent war fund campaign. At a penny a vote the students and faculty contributed more than \$600 as compared to \$75 the previous year.

Chapters of Alpha Phi Omega from Coast to Coast Are Aiding in the United Nations Clothing Collection

The pictures below give evidence of the need for the huge amount of used clothing being collected in the United States for relief purposes in war-torn countries abroad. It is commendable that many chapters of Alpha Phi Omega have rallied to this cause and have put their full forces into this campaign.

Strips of burlap fashion clumsy shoes for war-stricken people overseas whose clothes are worn to shreds after more than five years of constant wear. Aid to these people is a direct contribution toward victory and peace. Reports from our chapters indicate that thousands of good used clothing are being collected from students and faculty during this campaign.

"Somewhere in Poland" the photographer came upon this barefooted mother and her baby, wrapped in an old cartain to keep warm. Millions are worse clad in wardevastated lands.

SUGGESTIONS FOR SERVICE PROJECTS IN MAY AND JUNE

Boost the 7th War Loan.

Aid at Commencement.

Help conduct a camporee for Scouts.

Give farewell dinner for departing brothers.

Conduct a survey for fire hazards on campus.

Donate blood for Red Cross plazma bank.

Provide magazines for a hospital.

Conduct outing for members and dates.

Sponsor "Write the Servicemen" campaign.

Conduct visitation day on campus.

Sponsor "Use the Walks" campaign.

Make Plans now for summer activities.

PRESIDENT'S BIRTHDAY BALL SPONSORED BY BETA ETA CHAPTER AT UNIVERSITY OF MISSOURI

The Pictures Below Partially Tell the Story of How the Men of Alpha Phi Omega Brought in More Than \$970 at "Ol' Mizzou" for the March of Dimes

Biggest feature of the campaign for the infantile paralysis fund was the President's Birthday Ball. Dancing couples filled Rothwell Gymnasium, and the selection of the "First Lady of the Ball" was of special interest to all. Shown above are the sixteen candidates at the 1945 ball. The winner was Miss Martha Gordon, Pi Beta Phi, who stands directly under the Roosevelt portrait. In addition to planning and managing the ball, Beta Eta Chapter had complete charge of solicitation for the March of Dimes in the City of Columbia and throughout Boone County. Members contacted all schools, civic clubs and other agencies in making the arrangements for the all-out campaign. Brother Joseph Stark was then president of the chapter and directed the project very effectively, while Brother George Jones, now president, did a magnificent job as dance chairman.

Shown putting up decorations for the President's Birthday Ball are two volunteers who have since become pledges in Beta Eta Chapter. Cooperation of many porsons helped make the project so highly successful.

Charles Decker, sgt. at arms, and George Jones, newly elected president, of Beta Eta Chapter are shown putting up one of the posters about the President's Birthday Ball.

LOUISIANA STATE UNIVERSITY

"Alpha Epsilon Chapter has a committee at work arranging for a big drive for collection of used clothing for war relief and we plan to have this campaign extend throughout the month of April. We are also assi ting with a Cub pack, serving as advisors."

-Lowell N. Stracener, Jr., President.

GEORGIA TECH

"Our executive committee had a very pleasant and profitable meeting on March 26 at the Atlanta Athletic Club as the guests of Brother Frank D. Wood and we made plans for the remainder of this semester."

—I. W. McCarty, Senior Faculty Advisor.

EVANSVILLE COLLEGE

"Our chapter volunteered our services to the Red Cross during the recent flood here in Evansville and we are now getting started on the collection of used clothing for relief purposes overseas."

-Bill Elmendorf, President.

UNIVERSITY OF MISSOURI

"Our pledging campaign looks quite promising and we have set a goal of twentyfive members for Beta Eta by the end of this semester."

-loe Stark, Vice President.

UNIVERSITY OF MIAMI

"The main project in Alpha Pi Chapter at present is the publishing of our student directory. We are also working on the Red Cross Drive and have solicited the cooperation of all fraternities and sororities on the campus. We are expecting to have another pledge class in the near future.

-Sam E. Thatcher, Jr., Secretary.

GEORGIA TECH

"The members and pledges of Gamma Zeta Chapter will usher at the Easter services to be held in Grant Field on Easter morning.

—Harry W. Little, Secretary.

NORTH TEXAS STATE TEACHERS COLLEGE

"The initiation ceremony for fifteen new men was held in Gamma Rho Chapter, April 4, 1945. The chapter is functioning strongly and we have secured some very good men in our latest pledgoship."

-James Russell, President.

DRAKE UNIVERSITY

"Omega Chapter is arranging for two student baseball teams to stage a game at the nearby veteran's hospital for the entertainment of the men."

-Sanford Withrow, President.

NEW YORK UNIVERSITY

"On March 16 nine new men were pledged as a result of two recent rush smokers. We are proceeding with our plan of contributing funds to a poor school in a rural territory and have also made arrangements with the New York Fire Department to store the books which are being collected by many of the Scout troops in this area.

-Daniel B. Leyerle, Faculty Advisor.

ALABAMA TECH

"Although the war has reduced the membership here at Auburn, Delta Chapter is still playing its important role of participating in the majority of civic and campus projects here at Auburn. Since December, Delta Chapter has aided in the sale of Tuberculosis Stamps, W. S. S. F. drive, the March of Dimes, and the paper drives which have been held here in Auburn.

"We initiated seven men three weeks ago, and we are now planning to have a formal pledging for several new men within a few weeks.

As in the past, Delta will continue to be of service to our campus."

-Bryson Hatfield, Secretary.

UNIVERSITY OF IOWA

"We are planning to sponsor a Senior Scout Ball April 13 to which all fellows of Scouting over fifteen years of age in this area will be invited. Plans are quite definite and we expect a good turnout. Men from Coe College who are interested in forming a new chapter of APO are also being invited. In addition to the ball we are continuing our regular waste paper campaign, and all of our present projects are running smoothly."

-Ray Huffer, President.

UNIVERSITY OF CHICAGO

"Members and pledges of Gamma Sigma Chapter have accepted the job of cleaning and rearranging the trophy cases in the athletic department of the university. Five new men were pledged April 12 and additional prospects are ready for pledging at the next meeting."

-Charles Foote, President.

CARNEGIE TECH

"Kappa Chapter is participating in the nationwide campaign to collect used clothing for war relief, and Professor Kent Shaffer (member of the National Executive Board of Alpha Phi Omega) is the campus chairman of this drive. We are also rendering service to the school by participating as ushers and checkers at the graduation exercises and at a spring dance."

-Joel Bigelman, Secretary.

BETA SIGMA CHAPTER AT TEXAS TECH FURNISHES LEADERS FOR THE LUBBOCK BOYS' CLUB

Recreational facilities of all kinds are provided for the boys of Lubbock, Texas, by the Boys' Club, and a considerable part of the instructional and supervisory work is being done by the men of Beta Sigma Chapter of Alpha Phi Omega. All members and pledges have given generously of their time in this project. Shown above in the reading room are three APO men and one of the club members. The brothers are Russell Cannon (standing); Joe Hopkins (at piano), and Joe Cannon (at table).

A basketball game in progress at the Lubbock Boys' Club as part of the athletic program Beta Sigma Chapter is conducting for the boys of the community. A very commendable and valuable project!

THE RED CROSS STILL NEEDS THOUSANDS OF BLOOD DONORS

. . . to supply the life-saving blood plasma for men wounded at the battle fronts. If there is a blood donor center near your campus, or if you can have a mobile unit come to your campus, be sure to include this vital service in the spring program of your chapter.

IOWA STATE COLLEGE

"Brother Ted Striggles, President of Xi Chapter, is the chairman of the campus committee conducting the collection of used clothing for war relief."

MISSOURI SCHOOL OF MINES

"One of our projects which is carried on each spring in Beta Omicron Chapter is the "Use the Walks" campaign and we are now putting up signs and other reminders which help to beautify the campus."

-Edward Fischer, Jr., Vice President.

NEW YORK UNIVERSITY

"The new pledge class, supervised by pledgemaster Howie Cassel is being set to work on service projects for both the chapter and the university. Several brothers who have recently transferred from CCNY to NYU are expected to become active in our chapter."

-Lawrence Baker, Treasurer.

CCNY

"Gamma Delta Chapter is putting all its emphasis this term on service and an intensive pledge drive. Already, we are assured of many pledges, several of whom are upper classmen.

"Our services for this semester include distributing maps and information about the college to the freshmen, conducting freshmen tours around the campus, and ushering at the dean's freshmen reception. Our major drive is to promote an inter-collegiate scrap paper drive among all the colleges in New York City having Alpha Phi Omega Chapters. Later in the term we will fingerprint the students.

"Some other services which we always perform are helping to mail the school paper to servicemen and participating in regular drives which this term will be the Red Cross and the United Jewish Appeal and, of course, the sale of War Bonds and

"This report just about sums up our service for this term. Oh yes, one more! We work for the Department of Student Life which is in charge of all extra-curricula activities. This includes some clerical work, caring for the lost and found, and keeping in contact with servicemen who write to the school."

Martin Ellenberg, Vice President.

NEW YORK UNIVERSITY

"On March 2 Beta Iota Chapter held a very successful smoker for the freshmen of NYU. A new idea was used which we heartily recommend to all other chapters. An album of records with the songs of some of the leading colleges was obtained and played during the smoker, thus helping create a friendly spirit and filling in any lull in the program. As a result this was the most interesting open meeting our chapter has held. To Brother Dan Leyerle must go the credit for this new idea and for many other fine ideas in our chapter."

Roger A. Barrer, President.

A POEM

By Cpl. Stanley Kosches Written Somewhere at Sea October 28, 1944

"CONVOY"

Inky waters, rolling swiftly on their way, Pitch black darkness, fighting off the day, Silent, ghostly ships, gliding thru the night, Puzzled, curious men heading toward their fight.

Phantoms, pushed on steadily by means that God'll employ,

Make up our wierd assemblage, our ghostly convoy.

Spirit ships so stern and swift, they look like something fierce,

Defy the darkness, far too black for normal eyes to pierce.

Will daylight bring our ship safely into port?

Why is night so dark, so long, and daylight oh so short?

Our convoy rolling along on the sea's great unknown trail,

Is bound to reach its destisy; this convoy will not fail!

MILWAUKEE STATE

"On February 5 the men of Upsilon Chapter served as hosts at a dinner for the freshmen of the college."

-Sy Perszyk, President.

UNIVERSITY OF TEXAS

"We have been working on campus elections recently and also started a new project. This is assis ance at a canteen for high school boys and girls every afternoon. Also we are helping in the United Nations Clothing Campaign and numerous other projects. Fifteen new men were pledged on April 15."

-LeRoy Gloria, Secretary.

UNIVERSITY OF OKLAHOMA

We have begun a project of aiding the veterans' tutorial classes.

-Mac Edwards, President.

"No you don't get flight pay for riding in a jeep."

HELPFUL MATERIALS AVAILABLE FOR SUMMER USE

Our headquarters has a wide variety of printed materials available for chapter use. If your chapter does not already have adequate quantities for the summer term, we suggest you check over your present supplies and order whatever you need of the materials available. The following items are free to your chapter:

"Questions and Answers About Alpha Phi Omega.'

Special folder on "Wartime Membership in Alpha Phi Omega."

Pledge Manual (including national constitution and by-laws).

Torch and Trefoil (extra copies of back issues).

Standard chapter constitution and by-laws (including outline of duties of all officers, advisors and committees).

Song sheets (It's fun to sing at chapter meetings, open meetings, banquets!)

APO membership survey cards (for use in making surveys of Army and Navy trainees to locate prospective new members).

Service questionnaire cards (for use in making surveys of civilian men to locate prospective new members).

Invitation cards (for inviting prospective members to open meetings).

Pledge bid cards (for announcing pledge

Pledge application forms.

Membership application forms.

Pledge ritual.

Initiation ritual.

Receipt forms.

Jewelry order forms.

Other fraternity materials which are available for purchase include: Pledge buttons, 31 cents each including

Recognition buttons, 31 cents each including taxes.

Arm bands, \$2.15 a dozen.

Coat of arms and key emblems, 9x12-inch cards, 10 cents a set.

Fins and keys (see illustrations and price list in Pledge Manual or write to national office).

Decal ctickers of pin emblems, 15 cents each; \$1.50 a dozen.

Cuts of pin and coat of arms, for printing purposes, \$1.25 each. (These will be loaned to chapters without cost if desired for temporary use.)
Felt banners, priced according to size.

The pamphlets entitled "Questions and Answers About Alpha Phi Omega" and "Wartime Membership in Alpha Phi Omega" are especially valuable in explaining our fraternity to prospective new members. They are up-to-date concerning our war-time policies and program. This information should be attractive to men who may expect to be on the campus only a relatively short time.

Lt. William J. Goodwin (Beta Omicron) In France Writes:

Writes:
"I arrived in England, November 2, and moved to the continent on Christmas. I have recently been back in England after a jeep accident but was really lucky since I received no permanent injuries. I have noted with much pleasure the continued activity of most of the APO chapters and I think the men are to be congratulated for keeping them going against the great odds now prevalent. I am hoping it will not be much longer before I can again take an active part in the fraternity. There will be a great need for even more activity on the part of APO in the future and I sincerely hope to see the day when the principles and ideals of APO become worldwide."

T/5 David Weinstein (Gamma Delta) Ft. Jackson, South Carolina

Writes:

"We were in the field for about two weeks and that made me feel like a soldier again. Our company commander tells us in his resonant Texas voice that we are hot. If so, we will have another member of APO serving OCS (over choppy seas). I bought another motorcycle and this one works. It sure is a handy way to get around."

Lt. Willard Warner, USNR, (Alpha Eta) In the Pacific

Writes:

"The duty here is about the best that can be found in the Pacific as far as living conditions and conveniences go. We have bowling alleys, a new swimming pool recently opened, officers club, etc. But in spite of the good points of this place I can't say that I like it. After forty-five months away from the good old U. S. A. I have a strange tendency to dislike most any place they send me. But after all, I know I have been much more fortunate than a lot of fellows."

Pvt. Richard Sloss (Gamma Tau) Somewhere in India Writes:

"You would be surprised at the number of former APO men I have run into since entering the Army. We all have big discussions about our former chapters. When the war is over I plan to return to Louisiana Tech to get my degree so I am looking forward to being an active member again. I could write a book and still not even cover the scenes of India. I am really trying to take in all I can about this place."

Curtis M. Wilson (Gamma Psi) U. S. Maritime Service Staten Island, N. Y.

"I was very glad to receive the TORCH AND TREFOIL, and it made me realize that it was almost a year ago that I became a pledge in the Gamma Psi Chapter at the University of Minnesota. Then just a week after I became an active member I left on my summer vacation and later joined the Maritime Service. But in those few weeks I was in the fraternity I was happy to participa'e. I am looking forward to the time when I will be able to take up my membership and do what service I can."

A/C Phil Nadler (Gamma Epsilon) Keesler Field, Mississippi

Writes:

"I am much interested in receiving frequent news about Alpha Phi Omega and may be able to spread interest in APO among some of my buddies so when they return to their colleges they may affiliate with our chapters or organize new chapters."

Ens. Roy E. Shapiro (Upsilon) In the Pacific Writes:

Writes:

"I certainly enjoyed receiving the TORCH AND TREFOIL a few days ago reminding me of days gone by when I was an active member of APO. I still am active for that matter but in a different way than was pursued during my college days as a member of Upsilon Chapter.

"I would like to suggest that all alumni write to their local chapters informing them of their present addresses and giving other information. This would expediate correspondence among the alumni.

"My brother, Harold, was injured in action and is now on limited duty at Pearl Harbor, and my youngest brother was somewhere in France at the last report. A few months ago I bumped into an APO brother from San Jose State College by the name of Gustafson, who is now a lieutenant, junior grade in the Navy."

TOPS, ALMOST

"A letter from APO is second best to a letter from home," wrote a brother overseas a few days ago. Write often to the men of your chapter who have left the campus for war duty. Capt. Robert S. Klang (Beta Theta) Dutch East Indies

Writes:

"I hope APO is still going strong. The TORCH AND TREFOIL has been reaching me regularly and I enjoy it a lot. I am in the Dutch East Indies, still the same old jungle and rain and heat, but I hope to get leave soon to visit the states."

Lt. Thomas V. Waber (Beta Beta) Headquarters 56th A. A. C. S. Overseas Writes:

Writes:
"From Dr. Harry C. Barnett, past senior faculty advisor of Beta Beta Chapter at Michigan State College, I have received a stirring tribute to the work of Brother John Samuelson who died recently. It is evident that John's determination and work were the strongest factors in keeping Beta Beta Chapter active through some very discouraging times at the beginning of the war. Even while he was suffering from an incurable disease he remained a leader in every sense of the word. In this instance we can see again the spirit of America's grealest college fraternity. Yes, there have been many others whose deep faith in its principles matched John's. But few have made of themselves such a testimonial. It appears to me that we should remember John Samuelson as the personification of leadership, friendship and service. I hope Beta Beta men everywhere will consider Dr. Barnett's proposal of a scholarship fund in John's honor. There could be no more fitting salute to a comrade on the home front as such a contribution to the welfare of needy students. We shall not ignore his having cast the bread of service upon the waters. Those who care to correspond concerning an establishment of a memorial loan fund or make a contribution to it might address Dr. Harry C. Barnett, 841 Audubon Road, East Lansing, Michigan, and I am sure Dr. Barnett will present all correspondence to the current chapter officers."

J. C. Westkaemper S1C (Alpha Rho) Corpus Christi, Texas

Writes:

"I have just finished the second phase of my Navy training and have been sent here to complete the remainder of it. Coming to this new base was almost an APO reunion for me. There are quite a few brothers from Alpha Rho Chapter stationed here and I enjoy renewing my contact with them. It is fine to hear of the excellent record the chapter is maintaining."
