## IN BROTHERHOOD—CARRY ON

My brothers in Alpha Phi Omega:

There was one outstanding attribute of the Alpha Phi Omega brothers at the Minneapolis Convention—vitality. Each of you who were there showed through your leadership and service that our Fraternity can and will grow to even greater heights.

Alpha Phi Omega is entering a critical period, that of improving our structure through a constitutional convention. Every brother and his chapter must start to consider the actions which must be taken to insure the growth of the Fraternity in the future. I ask each of you to think of this challenge in the coming months.

Another prime responsibility for each of us is to make the principles of Alpha Phi Omega available to every worthy college man. Help me to bring brotherhood to these men throughout the country as we approach the 100,000 mark.

As your President, I pledge my best efforts to build upon the base of our great leaders of the past. With your help and the vision started by our Founder, Frank R. Horton, we can achieve the challenge of the Minneapolis Convention

"In Brotherhood—Carry on"

Most fraternally yours,

*E. Ross Forman*

## OUR COVER —

E. Ross Forman, Alpha Phi Omega's ninth National President, is chief instrument engineer, an executive of Catalytic Construction Company, Philadelphia. His 35-man department is responsible for the automation of modern chemical, atomic and petroleum plants for a wide variety of fields and contacts.

Brother Forman entered APO in 1948 as a charter member of Zeta Theta, Drexel Institute of Technology, his alma mater. In 1952 he was elected to the National Executive Board and in 1954 to the office of National Vice President, serving in that capacity until his election as National President. He has served as a Presidential Representative and a Sectional Chairman, and during the past two years he headed with distinction the National Membership Committee.

President Forman has been vitally interested in APO's National Alumni Association, serving in various capacities as a leader in the Philadelphia alumni group. He has aided in founding and chartering a large number of chapters and has been called upon frequently to speak at and advise with sections and chapters in New England, New York, New Jersey, Pennsylvania, the District of Columbia, and elsewhere.

He holds a Master of Science in Business from Drexel and has been a special lecturer at Pennsylvania State University and at the U. S. Naval Academy, Annapolis.

He holds the rank of Life Scout and has been a member of camporee staffs and held other assignments in Scouting. He is a veteran of the second world war, in which he served overseas with Company A, 319th Engineer Battalion, 94th Division.

The President and his wife, Alma, are proud of their two children, Bruce and Dianne. Both are active in PTA and church work. Mrs. Forman is a member of Gamma Sigma Sigma.

# RECORD-BREAKING 19th CONVENTION

More than 1,000 delegates and visitors were present for Alpha Phi Omega's 19th National Convention, held December 27-29, 1966, at the Radisson Hotel, Minneapolis. More than 210 chapters sent delegates. The hotel served 969 at the opening banquet. The convention theme, "In Brotherhood—Carry On," was exemplified in its multifarious activities. Delegates came to participate in the sessions, to make new friends, and establish new and significant goals. A review of the principal events of those action-packed days and nights discloses how well they met the challenge to be Leaders, to be Friends, and to be of Service.

E. Ross Forman of Philadelphia, National First Vice President, was elected National President. Dr. Glen T. Nygreen, New York City; Aubrey B. Hamilton, St. Louis; and Robert J. Hilliard, Pullman, Washington were, respectively, elected First, Second and Third Vice Presidents. Gerald M. Plessner, now of Miami, Florida, was named Treasurer.

Sixteen outstanding Brothers were nominated for positions on the National Executive Board. Elected to six-year terms were:

Dr. Earle W. Clifford, New Jersey; Dr. Malcolm N. Dana, Wisconsin; Dr. James W. Dean, Virginia; John E. Hanke, Colorado; Dean Hershel Potts, New Mexico; Warren Stookey, Illinois; and Richard L. Tombaugh, Indiana. Col. Lucius E. Young, Ret., Washington, D. C., was elected to a two-year term.

Three seats on the Endowment Fund Committee were filled. Dr. Lawrence L. Hirsch of Chicago, and Dr. Henry Miller of New York were elected to six-year terms; Manfred O. Aws, Jr., of Pontiac, Michigan, to a four-year term. Other members of the committee are Dr. H. Roe Bartle, Dean Arno Nowotny and Joseph Scanlon. The National President is an exofficio member.

Joseph Scanlon continues as National Executive Director and David A. Harris and David W. Patterson as National Service Representatives.

## Awards and Recognitions

Awards and recognitions were given to the 52 chapters selected in 1965-66 for outstanding records in Service, in Membership, and in the maintenance of high fraternal standards. Chapter winners for the best chapter displays included: First place, Iota Rho, Florida State University; honorable mention, Lambda Epsilon, St. Cloud State; Nu Pi, Mankato State; and Upsilon, University of Wisconsin-Milwaukee.

First place for sectional displays was awarded Section 31, Central Pennsylvania; honorable mention to Section 15, Northern Illinois; and to Section 32, District of Columbia and Maryland.

The Man Mile Award was earned by Mu Tau, West Virginia Institute of Technology, whose 31 delegates traveled 30,070 man-miles and set up one of the best displays at the convention.

The Fraternity's highest national awards for Distinguished Service were presented at the closing banquet on December 29. Each honoree's citation was taped and

broadcast, and each Brother received the award from a present member of the Order. The honorees and their presentors were Irwin H. Gerst, Epsilon Chi, Los Angeles, by Dr. Lawrence L. Hirsch; Dr. Lester R. Steig, Zeta, Past National President, Palo Alto, California, by M. R. Disborough; Julius W. Hayworth, Sectional Vice Chairman, Greensboro, N. C., by Joseph Scanlon; Robert J. Hilliard, Gamma Alpha, Pullman, Washington, by Dean Lewis N. Jones; Dr. Tom T. Galt, outgoing National President, Delta Kappa, Spartanburg, S. C.,

by Dr. H. Roe Bartle. Earlier in the day the Fraternity bestowed the award on Chief Scout Executive Joseph A. Brunton, Jr., New Brunswick, N. J., in a ceremony conducted by Dr. Bartle, Dr. Galt, and Dr. Delmer H. Wilson.

## Legislative Session

Aubrey B. Hamilton presided at the legislative and business sessions. A parliamentarian, a stenotypist, and the National Director, assisted him. The Sergeant-at-Arms Committee, headed by M. Karl Brandt, Presidential Representative, did a splendid job, preserving order, counting votes, and keeping the session moving.

The legislative session began at 9:00 a.m., Thursday, recessed at noon for an hour, then continued until 5:30 p.m., and was recessed for the convention award's banquet. The delegates resumed sessions at 8:30 p.m., adjourning finally at 11:23 p.m. The discussions and debates were kept on the highest level of fraternal respect and good order.

The results of the session will be found elsewhere in this issue, in articles on constitutional changes, resolutions adopted, and kindred subjects.

Following spirited debate over the merits of Boston, Newark, Pittsburgh, and Washington, D. C., as convention sites for 1968, the delegates chose the National Capital city. The Chamber of Commerce of all four cities would have been more than pleased with the presentations on the merits of each of them.

The business session was set aside by agreement at 11:30 o'clock to give place to the presentation of the National Distinguished Award, APO's highest, to Chief Scout Executive Joseph A. Brunton, Jr., whose tight schedule made it impossible for him to be present for

We had a large delegation at the Minneapolis convention and enjoyed meeting Brothers from all over the country and acquainting them with our projects and learning of theirs.

## LAMBDA KAPPA

GREGORY S. ZABEK, PUBLIC RELATIONS

Lambda Kappa, Loras College, Dubuque, Iowa, is proud of its eight newly initiated Brothers. During their pledge period they assisted in welcoming parents at the College Parents' Day program, participated in the college United Fund Drive, conducted the We Care program to collect things for men in Service in Viet Nam, aided with campus registration and served as campus tour guides. The chapter expects to have the largest Spring pledge class in its history.

Members of Lambda Kappa's "Frank Reed Horton Pledge Class," recently activated, are shown above. The men, not identified by position, are Brothers Ray Erpelding, Patrick Fahey, Mike Gibbar, Ed Grody, Rich Hagarty, Jim Klasner, Neil Recker, and Loras Sabers.

## EPSILON UPSILON

WALDO L. MARTIN, PRESIDENT

Epsilon Upsilon Chapter at Wisconsin State University-Oshkosh, proved themselves to be leaders in other fields as well as Service. Brothers Tim Duex and Walter Hecker won the Annual Greek Debate Tournament Championship, sponsored by Pi Kappa Delta, National Honorary Forensic Fraternity. Fourteen social and service fraternities and sororities participated in the tournament. The topic debated was compulsory government service for both men and women in the United States. Tim and Wally won the championship, debating for the affirmative, by a three to two decision. The trophy was presented by University President Roger Guiles, a former debater and an honorary member of Alpha Phi Omega. In presenting the trophy President Guiles congratulated the participants for engag-

ing in an intellectual activity as well as their normal fraternity activities.

W. B. CHANDLER, JR., ADVISOR

Iota Mu, University of South Carolina, presented a check for \$500 to the Central South Carolina Council, BSA, for the council's Camp Barstow building fund. A troop shelter, bearing a plaque crediting Iota Mu, will be erected. This is one of the many services to youth which has endeared Iota Mu to Scouters in South Carolina. Brother David W. Brunson is Chapter President, and Dr. Wade T. Batson is Advisory Chairman.

It's a good feeling to bring joy to others and to share in it as well. That spirit was in evidence when Brother Larry Lineberger, Treasurer of Iota Mu, presented a check for \$500 for camp development to Scout Executive W. B. Chandler, Jr., at the council recognition dinner in Columbia, S. C.

The Ugly Man on Campus contest, sponsored October 24-28, 1966, by Epsilon Sigma, State University of New York at Buffalo, to raise money for the United Fund, included a dinner meeting at which the above photo was taken. Left to right are: Gus Reichbach, President of Alpha Epsilon Pi; Steve Millman, APO Chairman of Ugly Man Contest; Brian Fraser, Phi Lambda Delta; Dr. William J. O'Connor, Director of UB Foundation, and Jim Mills, President of Gamma Phi.

## EPSILON SIGMA STEPHEN MILLMAN, FIRST VICE PRESIDENT

Brothers of Epsilon Sigma, State University of New York at Buffalo, have been delighted to be of assistance to the men seeking to form a chapter at SUNY-Stony Brook. We have shared with them some of our prospect materials and hope they have proved helpful. Recently

the chapter received congratulations from William J. O'Connor, for the job Epsilon Sigma did for the University and the United Fund. Our UMOG contest was very successful. So was our campaign for the Ernie Davis Leukemia Fund. We welcome suggestions from other chapters on projects they have found of interest. Let's swap ideas.

## EPSILON PHI

JOSEPH KONDISKO, C. S.

Chapter Service projects and national convention participation have kept the Brothers of Epsilon Phi on the go. A highlight of recent chapter history was the recognition given by the chapter to the Rev. Albert L. Linder, the retired chaplain of the university. Last year's Spring class was named in his honor. Brother Linder served for many years as an advisor to the chapter. He was presented an inscribed scroll, one paragraph of which reads as follows: "In the spirit of Leadership, Friendship, and Service, the Brothers of Epsilon Phi salute Brother Linder as a true leader, friend, and servant to God and his fellow man." The Chapter President now is Dale Auman. The Advisory Chairman is Dr. Paul Beckman.

The Rev. Albert L. Linder, Brother in Epsilon Phi and the retired chaplain of Youngstown University, is shown receiving a chapter scroll of appreciation from Charles Terrill, Past Chapter President.

## BETA EPSILON

BRUCE EILERS, PAST PRESIDENT

Beta Epsilon, State College of Iowa at Cedar Falls, has more candidates for the office of judges in its "Beautiful Legs" contest than it knows what to do with. The chapter is sponsoring the contest to raise money for Easter Seals. Each campus girls organization enters a candidate. We are sorry we can't accept volunteers from other chapters who want to serve as judges. The chapter is proud of the 2.9 grade average of its members.

# ALUMNI NEWS

## TODAY UNDERGRAD — TOMORROW ALUMNUS

Each of you is already or will be an alumnus of Alpha Phi Omega and it is hoped that you will find a continuing relationship with your Fraternity by way of alumni activities. Many brothers have expressed interest in furthering their APO experience through alumni activities and the Alumni Association offers numerous opportunities for making Alpha Phi Omega a lifetime experience for each of us. Then, what is the National Alumni Association and how do we and the Fraternity benefit from our affiliation with this organization?

The National Alumni Association of Alpha Phi Omega was organized by authority of the Sixteenth National Convention in 1960 "to further the ideals of Alpha Phi Omega by stimulating and extending the program of the fraternity." One major way of fulfilling this purpose is through our financial support which will enable the Fraternity to provide additional needed services to each chapter. Although our financial support is paramount, our contribution of leadership, friendship and service to the life of our Fraternity is equally important. The alumni of Alpha Phi Omega provide a vast source of trained leaders and many alumni are continuing to serve their Fraternity in responsible positions.

The heart of the NAA is the local Alumni Section, organized by at least six (6) alumni on a geographical basis in a number of cities and towns throughout the country with membership open to any alumnus of APO within that area. The Alumni Section provides an excellent opportunity for continued personal development and leadership training through its program and activities. This experience leads to greater leadership opportunities in the Fraternity as Presidential Representatives, Sectional Chairmen, Board Members, etc. In addition, participating in an Alumni Section provides an opportunity for continued fellowship with our fraternity brothers.

Our Fraternity needs your support of the Alumni Association, both as a registered alumnus of the NAA and in the formation of an Alumni Section in your area. Each chapter can help immeasurably by bringing your alumni records up-to-date, contacting your alumni, and encouraging the formation of an Alumni Section in your area. Additional information about the Alumni Association can be obtained from the National Office or by writing directly to the NAA President, Douglas M. Harris, 29 Ten Eyck Place, Metuchen, N. J. 08840. Your inquiries are most welcome.

Because our Fraternity has given us much more than we can ever repay, we should use this opportunity to return a portion of this gift by contributing some of our time, talent and treasure so that APO can be strengthened and will continue to provide a worthwhile experience for college men.

# RECORD-BREAKING NATIONAL CONVENTION

## Chapter President Luncheon

the awarding ceremony to be held at the Thursday evening banquet. Brother Brunton congratulated the delegates on APO's devotion to Service, recalling instances and praising the Fraternity for the thousands of Service projects it has carried out in its 41 years of existence. He referred with pleasure to the fine relationship between APO and Scouting. "Alpha Phi Omega will soon include 100,000 men who have subscribed to its principles of Leadership, Friendship, and Service. Such a group can make a sizeable contribution to the needs of our time." The delegates accorded Mr. Brunton a standing ovation.

## Memorial to Founder Horton

The convention opened officially with a banquet at 6:00 p.m., Tuesday evening, December 27. During the day registrations were handled smoothly; the Minnesota chapters' host committees were on hand at airport, railroad, and bus stations. More than 100 delegates arrived Monday afternoon and evening. Tuesday forenoon and afternoon, a number of national committees held organization meetings. The President, assisted by Vice President Dr. Glen T. Nygreen, briefed the members of committees on Nominations, Time and Place, Constitution and By-Laws, and Resolutions. Their duties were outlined and the Service they could render brought to their attention.

The National Executive Board met at 1:00 p.m. and was in session for three hours. Elsewhere in this issue a summary of actions taken at that session, and the Board following the adjournment of the legislative session, will be found.

The keynote speaker at the opening Brotherhood Banquet was Dr. Glen T. Nygreen. The National President, Dr. Galt, presided. A colorful flag ceremony opened the meeting, attended by nearly 1,000 delegates, many wearing colorful headdresses. The delegates enjoyed the Nut Cracker Sweets, received and approved convention rules, announced by Chairman Ed Andrews, and accepted with enthusiasm the convention theme, "In Brotherhood—Carry On," presented by Douglas M. Harris, Alumni President. Dr. Nygreen set the stage for the fine fellowship, the serious consideration of APO's needs, and the genuine determination to further the Fraternity, which characterized the convention.

A Memorial Tribute to Founder Horton followed immediately, after the close of the dinner session. Dr. Delmer H. Wilson, National Executive Board, presided. The national officers of the Fraternity occupied places on a special rostrum. Participating in the service were M. R. Disborough, Past National President; Dr. Galt, and Pastor Frans Victorson, whose eulogy to Founder Horton will long be remembered.

Delegates in session at the convention listen to speeches nominating brothers for membership on the National Executive Board. Seventeen men were nominated for the eight seats available. The nominators are shown, in line, headed for the platform.

Wednesday, December 28, was one of the convention's busiest days. Dr. Nygreen challenged the delegates by a stirring talk on "APO policies—Concern for Distinctiveness." He directed attention to the uniqueness of APO as a National Service oriented organization, accredited to colleges and universities, and fraternal in the best sense.

"We are an open organization, non-discriminatory. We are concerned about the growth of others. We are our Brothers keepers. We are not housed. We welcome all. We shut out none. We give Leadership to student needs. We abhor and forbid hazing. We prove our manliness in APO as competent, independent adults. We have a tie with Scouting. As our society grows in complexity one of APO's most distinctive features is its tie with Scout-trained men. Ours is a wide-open organization. We do not sweep our problems under the rug. Let's

keep it distinctive."

Following the talk the group broke into six discussion sessions, using Dr. Nygreen's remarks as topics.

William J. Farina, Past President of Mu, Indiana University, presided at the Chapter President's luncheon. Brother Ed Williamson, Dean of Students at the University of Minnesota, was the speaker. Panel discussions and swap shops occupied most of the afternoon.

Wednesday evening National Officers and Board Members held get acquainted sessions. The President's rooms in the famed Mediterranean Suite of the Radisson Hotel proved especially interesting.

The four convention standing committees remained in session constantly. Each held hearings to give all delegates an opportunity to be heard.

For the first time in APO convention history, an auto accident snuffed out the lives of four undergraduate members and one chapter advisor. The men were killed on the highway early Tuesday morning, December 27, at Baldwin, Wisconsin, 28 miles east of St. Paul. The Fraternity sent flowers and representatives to the funerals. MIT's Alpha Chi chapter conducted a memorial for the undergraduates and MIT conducted one for the chapter advisor. The convention observed a moment of silence during the legislative session and at the closing banquet. Many officers and members of the National Board, and a number of chapters, have sent in gifts to be placed in the Fraternity's Endowment Fund as a living memorial to these brethren.

Delegates took home with them fine memories of the new friends they made and of the splendid hospitality of Minneapolis. Washington, D. C., has a high standard of excellence to match as it prepares for the 1968 convention.

## \$10,000 SCHOLARSHIP FUND

by David C. Lewis, President, Beta Sigma

Six years of persistent efforts by Brothers of Beta Sigma, Texas Tech, Lubbock, were climaxed January 10 when the chapter presented a check for \$10,000 to the University for the establishment of a permanent scholarship fund.

Interest from the \$10,000 will go for one or more \$200 scholarships each semester, administered by the Texas Tech scholarship committee. Requirements set up by the chapter are based on financial need as well as scholarship. Preference will be given to applicants who are physically

Three scholarships of \$200 each will be granted this spring, owing to an accumulation of interest at the present time. Future semesters will find one and occasionally two scholarships granted from the interest on the permanent fund of \$10,000.

The chapter has earned the money primarily from the sale of programs at football games over the last six football seasons. Additional money has come from the sale of unclaimed lost articles from the lost and found service operated by the chapter, from the sale of campus telephone directories, and from several other projects.

## APO-NEW YORK CITY BENEFIT DANCE

Chapters in Section 28, New York City and Long Island, will step the light fantastic March 3, when they hold a city-wide APO dance for the benefit of the Leukemia Society. The dance will be held at Columbia University.

This is the first time that all the chapters of the New York section have sponsored collectively a social and Service project of this magnitude. Complimentary tickets will go out to all sectional chairmen in the nation and to the entire National Executive Board. Tickets will be distributed to twenty colleges in the metropolitan area and are priced at \$2 apiece.

Some of the participating APO chapters will stage their UMOC drives before the city-wide dance. The winner who collects the most money on these campuses will be crowned Ugliest Man of the City. # ACTIONS OF THE NATIONAL EXECUTIVE BOARD

The National Board of Alpha Phi Omega held two official sessions at the Minneapolis Convention in the Radisson Hotel, Minneapolis. The first took place December 27, 1966, prior to the opening banquet, and the second on December 29, after the adjournment of the convention.

In the first session, the presiding officer was Dr. Tom T. Galt, the then National President. The newly elected National President, E. Ross Forman, presided at the December 29 meeting.

- The December 27 gathering received reports from the President and the Director and from a number of National Committees.
- The convention program was presented by Chairman Ed Andrews and approved. Ways and means to make the convention the finest ever were considered. The Board expressed appreciation to the convention committees and the host chapters for the preparations made and the smoothness characterizing the registration of delegates and guests. Arrangements Chairman Bob Sirr and Registration Chairman Roger Isenberg were cited for their fine work.
- The President's report stressed the need for more funds to enable the Fraternity to employ more National Service Representatives to assist Chapters and Sections and bring APO to new campuses.
- The Constitutional Study Committee urged support for the calling of a constitutional convention in 1967.
- The Board approved, on the recommendation of its Extension Committee, petitions from ten campuses for charters, and from the University of California at Santa Barbara for the reactivation of Psi chapter.
- Ordered referred to the Ritual Committee were proposals for changes from Gamma Pi, the University of Michigan, and from Iota Phi, University of California—Davis. Chairman Victorson announced the Ritual Committee would be in session to receive any and all having business to transact with it.
- Discussed ways and means to establish patterns of understanding and procedure with junior and community colleges, and received reports on girl sponsor APO groups at the University of Idaho and Washington State University. A study of this area of APO

relationships was left to the next administration to implement.

- Accepted with appreciation the donation of an APO "Sweetheart Song" from Iota Rho, Florida State University.

The session of December 29 was held between 11:15 P.M. and midnight. All of the newly elected officers and Board members attended, with several exceptions, due to prior transportation arrangements which could not be re-scheduled.

President Forman introduced the new members of the Board, following an invocation by Frans Victorson. Those introduced were Aubrey B. Hamilton, National Second Vice President; Gerald M. Plessner, National Treasurer; Dr. Malcolm N. Dana, John E. Hanke, Dean Hershel Potts, Warren Stookey, Richard Tembaugh, and Col. Lucius E. Young.

The following actions were taken:

- The Board authorized changes in bank signatures on APO accounts, substituting the new President and new Treasurer in place of their predecessors.
- The Director, the National Service Representatives and the employed office staff were confirmed by unanimous action of the Board.
- Payment of all convention accounts was authorized and ordered.
- Appreciation was voted to convention committees, and in particular to Chairman Ed Andrews for the finest convention to date in APO history.
- A rising vote of appreciation was given to Mrs. Muriel M. Tucker, the Office Manager, who will begin her 16th year with APO, January 2.

The President asked all present committee personnel to carry on until he has the opportunity to study and consider appointments for the new term.

The Board observed a moment of silence in memory of the four undergraduate Brothers and the MIT chapter advisor, killed in an auto accident while enroute to Minneapolis. Every Board member present planned to write a note of sympathy to the parents of the four, and to the wife of the advisor.

The Board recessed and will next meet at the call of the President.
