EXPANSION PARAMOUNT THIS YEAR

National Emphasis Placed on Establishing New Chapters During 1938-39

With Alpha Phi Omega's program and policies, developed through thirteen years of steady progress, now well defined and conveniently described in the Manual of Service, the time has come to expand and establish new chapters in scores of colleges and universities from which have come inquiries about our fraternity.

The National Executive Board, in a recent referendum, approved the National Officers taking immediate steps to organize new chapters in eligible schools the country over, conducting courses of instruction for the officers and advisors of the new groups. This will give opportunity for the leaders of petitioning groups to receive a complete picture of the service objectives and administrative policies of Alpha Phi Omega before their applications for membership are approved.

Aid By Active Chapters

In many instances, new groups are now receiving guidance from active chapters of Alpha Phi Omega. Chapters are sending delegations to nearby schools to assist in perfecting new petitioning groups. For example, Kappa Chapter at Carnegie Tech is assisting the petitioning group at Washington and Jefferson College, Washington, Pa.; Tau Chapter at Florida is helping the Southern College group at Lakeland, Fla.; Alpha Xi Chapter at Washington State has formed a local service club at the University of Idaho, Moscow, Idaho, and Alpha Lambda Chapter at North Dakota State has recently sent a delegation to Mayville, North Dakota to help in forming a new chapter at the

CONVENTION HEADQUARTERS

HOTEL DESOTO

... In this popular hotel in downtown St. Louis will be held all of the sessions of Alpha Phi Omega's Seventh Biennial National Convention, December 28 and 29, 1938.

Advanced information indicates that more than two hundred chapter delegates will assemble here from all sections of the United States to review the past progress and plan for the future development of Alpha Phi Omega.

Mayville Teachers College. Several other chapters are likewise doing their best to extend the benefits of Alpha Phi Omega to their neighboring colleges.

Every Chapter Get a Chapter

If every chapter in Alpha Phi Omega would immediately include extension plans in its program and determine to be responsible for bringing in at least one new chapter before school closes in June, our number of chapters would pass the hundred mark before the end of this school year. It would mean a boom for Alpha Phi Omega nationally, and it would be a great thing for your chapter to have additional chapters near you.

The more chapters we have, the greater will be our opportunities for interchapter fellowship and the stronger will be our service power.

Let's make 1938-39 the greatest year of expansion Alpha Phi Omega has ever known!

WIDE PARTICIPATION ASSURED AT NATIONAL CONVENTION

Hotel DeSoto Selected As Headquarters For Seventh Biennial Meeting In St. Louis

The advanced interest shown in the coming National Convention of Alpha Phi Omega gives assurance that chapters in all parts of the United States will be represented at this meeting December 28 and 29.

Scores of letters have come to the National Office with the commitment, "I'll see you in St. Louis." Examples can be cited from the north, south, east and west. From Upsilon Chapter, Milwaukee S. T. C., Roy Shapiro, Past President, writes: "I'll see you at the Convention and we'll bring a real delegation from Upsilon." From Alpha Rho Chapter at Texas, Robert Kniffin, President, writes: "We already have three cars available for the Convention and have great plans for more, so you can depend on this chapter for a good-sized delegation." From Alpha Delta Chapter, San Diego, California, Howard Cooper, Corresponding Secretary, writes: "We are already planning to send at least one delegate and possibly a whole car." In Phi Chapter, Syracuse University, preparations were begun last spring for a delegation to the 1938 Convention.

And so, from all corners of this nation will come chapter representatives to participate in this important conclave.

A Three-Fold Purpose

The National Convention offers distinct advantages to every chapter which sends delegates. It provides, first, an opportunity for good fellowship and personal acquaintanceship with men of Alpha Phi Omega the country over. Second, it offers opportunity for exchange of ideas about program and chapter operation and for reviewing reports

THE EDITOR SAYS...

It is important that the new chapter officers and committee members who are to assume positions of responsibility in your chapter on November 15 (according to the Administrative Plan) have a period of training before taking over their new jobs.

Begin giving some serious thought now to your fall elections! Make it a point to select the man who is actually best fitted and best prepared for each chapter office... and then give each of your new leaders at least a two-week training period under the careful guidance

of his predecessor before his installation. Such advanced preparation will net good results in the success of your chapter.

AN OPENING PRAYER

(Delivered at The Bonar Law Memorial
College, school for citizenship, at
Ashridge in England.)

Grant us, O Lord, the royal gift of courage that we may do each disagreeable duty at once; grant us a keen sense of honor, that we may never give ourselves the benefit of the doubt; that we may be especially just to those we find it hard to like, and may own up manfully when we have done wrong.

Grant us a true sense of humor; may its kindly light and its healing power relax life's tension.

Grant us restrained and well-ordered ambition so that we may not miss the things that are noble and beautiful.

And grant this, that we may be true and loyal to the best and the highest that we know and we may show this truth and loyalty in every activity of our common life, and so live to thy glory.

HONOR DEAN TARBELL

Upon the retirement of Brother Arthur W. Tarbell, Dean of Men at Carnegie Tech, Kappa Chapter presented him a leather traveling kit and a Life Membership in Alpha Phi Omega as an expression of appreciation for the dean's many years active service in the chapter. The above picture shows the presentation being made to the dean. In years past, when the membership of Kappa Chapter was small, many chapter meetings were held in Dean Tarbell's home. The sympathetic interest and kind help of this good advisor has been a major factor in the growth and success of Alpha Phi Omega on the Carnegie Tech campus. Brother Sidney Hantman, President of Kappa Chapter, said of the dean, "His guiding influence will be sorely missed by us."

Kappa Chapter and the National Fraternity wish Dean Tarbell contentment and satisfaction in his retirement at Cape Code, Massachusetts.

Dr. William M. Lewis

President of Lafayette College

As head of Lafayette College, Easton, Pennsylvania, where Alpha Phi Omega was founded thirteen years ago, Dr. Lewis is a strong booster in our fraternity. He grasps every opportunity to speak a good word for Alpha Phi Omega when talking to college people and Scouters and to praise the service program of this organization.

Dr. Lewis was one of the keynote speakers at the twenty-eighth annual meeting of the National Council, Boy Scouts of America, in session May 13 and 14 at Cleveland, Ohio, and he said of Alpha Phi Omega: "I claim some right to speak before this Boy Scout Council because we are exceedingly proud at Lafayette College that there was formed in 1925, by a group of our under graduates, the first chapter of Alpha Phi Omega, which today is one of the strongest, one of the most helpful, one of the most virile organizations on the campus and which has spread to fifty-six other colleges and universities.

"When you can have fellows coming up to college proud of what they have gotten out of this organization and spreading the influence of this movement, I think the president of the institution which originated that sort of thing has a right to be proud."

Less than a week after his talk at the National Council Meeting, Dr. Lewis was addressing the senior class of his institution and he especially emphasized that Lafayette is a national, not a local, college by virtue of the fact that Alpha Phi Omega was founded there. He explained that Alpha Phi Omega has now spread to 56 other colleges and universities and thus the influence of Lafayette College has become nation-wide.

Such splendid support as Dr. William Mather Lewis, an honorary member of Alpha Chapter, gives to Alpha Phi Omega nationally, is a strong factor in the growth and success of our fraternity.

AID AMERICAN YOUTH HOSTELS

Two Summer School Dances Sponsored by Eta Chapter Benefit Hostel Movement

Although only a comparatively small number of active members of Eta Chapter were on the Northern Illinois campus during the summer session, the chapter carried on with its service program.

It became known to some of the members that certain items of equipment were necessary to complete the arrangements for a DeKalb branch of the American Youth Hostels Association. The members recognized the importance of the hostel movement and set about to raise funds for the needed equipment. Two dances were sponsored, July 15 and July 29, the first summer school parties on that campus in several years. With a small admission charge, \$40 profit was earned from the two dances and made available to the DeKalb youth hostel. Brother Larry Keegan, Past President, assisted the Dean of Men in carrying out the details of the chapter donation.

Chapter Room Opened

Eta Chapter opened its meeting room in the Administration Building of Northern Illinois S. T. C. to the use of all men during the summer session. The room was available for informal meetings, study, reading and lounging.

RHO'S SERVICE CUP

Each spring Rho Chapter at the University of North Carolina presents an "Alpha Phi Omega Service Cup" to the campus organization which is judged most beneficial to the university. Last May, the cup for 1938 was awarded to The Order of the Grail, an organization devoted to giving scholarships to worthy students and cooperating with the administration.

The first major fall activity of Rho Chapter is assistance with arrangements for the Carolina Boy Scout Jubilee, October 6 to 9. The university and the official of region six of the Boy Scouts of America are cooperating in sponsoring the program. Dr. James E. West of New York City, Chief Scout Executive, is expected to attend.

Orientation Before Setting Foot on Campus

This picture was taken at the Racine, Wisconsin, Scout Headquarters on September 12, 1938. It represents a project undertaken by officers of Beta Theta Chapter of Alpha Phi Omega (University of Wisconsin).

"The project was planned to give instruction and aid to prospective freshmen who planned to enroll in various colleges and universities.

"The Chapter President, Al Roberts, who is seated at the head of the table along with Secretary Tom Mico at his left, is telling the fellows about what to expect in the way of program arrangements, courses, housing, social life and life in general at a college. Students matriculating at four different schools, Lawrence College, Milwaukee State Teachers College, Marquette University and the University of Wisconsin are present at the meeting.

"Beta Theta Chapter plans to extend this project next summer so that each member of the chapter will hold his own advisory council for prospective freshmen in his home town to help them more easily adjust themselves to college life." —By Eugene Soldatos, Historian.

PARENTS' DAY AT MILWAUKEE

Brother Tom Poulos Directs Program

A "Festival of Nations" was the program of the annual all-school parents' day at Milwaukee S. T. C., May 9, 1938. Brother Tom Poulos of Upsilon Chapter was director of the event. The program included:

- I. Parade of Nations.
- II. Folk Dance Group Presentations.
The dances of eleven different nationalities were presented: Czech, Irish, Russian, American Indian, American, Jugo Slav, Jewish, Scandinavian, Italian, Spanish and Polish.
- III. Finale—Waltz of Nations.

Writes Bill Cunningham, President of Upsilon Chapter, "It seems to me this is a step toward world peace, when the young people of one nation begin to understand and appreciate the culture of other nations. At a time like this no effort is too small when it is toward this cause."

ALPHA TAU SUPPLIES SONG SHEETS

At the first meeting of Alpha Tau Chapter this fall, arrangements were made to furnish copies of the Butler University songs and yells to all students at the first varsity football game of the year.

Other fall projects decided upon by the chapter, as recommended by the projects committees, were:

- An all men's smoker at the Campus Club.
- Furnish guides at all-school open house.
- Supply ushers for all of the university convocations.
- Sponsor a city Scout day at the football game, November 5.
- Conduct a city Scout basketball tournament at the Butler fieldhouse.
- Conduct annual Thomas C. Howe Award.
- Aid local Scout troops in the merit badge program.

The pledging committee has reported their expectation of bringing in twenty-five new members during the fall term.

Plan Your Convention Delegation Now—Be Prepared!

SYSTEMATIC MEMBERSHIP EXPANSION IN ALPHA BETA CHAPTER

A Goal of Eighty-Eight for the Year

By George L. Harwick, President

Alpha Phi Omega at Penn State is starting the year with only eleven active members in school. We have already begun a membership drive which, when completed next month, will double our present membership. It is planned to hold two more membership drives following the present one this year, so that by the end of the year our membership will be eighty-eight, if the plan proves successful.

Unbounded Enthusiasm

In the meantime, with our rather limited membership, but unbounded enthusiasm, we plan to carry out several service projects. We are helping handle the sale of tickets for the Scout Day football game and immediately following the game will be the annual Scout swimming meet in the college pool. Alpha Phi Omega is in charge of the meet and will furnish all the officials from among its membership.

Four Services to Campus

Our immediate activities in the interest of the Penn State Campus will include: Improving and marking a trail to Shingletown Gap, a nearby hiking objective popular among Penn State students, establishing a permanent "dating bureau" in connection with the Women's Student Governing Association, sponsoring an interfraternity sing, and furnishing personal guidance to freshman men.

With the above mentioned projects as a nucleus for this semester's work, Alpha Beta Chapter will move along the Alpha Phi Omega Service Trail.

BETA ETA FIRST TO INITIATE THIS FALL

The first chapter to report an induction ceremony for new members this fall is at the University of Missouri. Twelve of this fall's pledges were initiated into active membership, October 7, with National President H. Roe Bartle and National Field Representative T. W. "Bill" Lacy participating in the ceremony.

The membership committee of Beta Eta is constantly at work interviewing and recommending new men for membership.

BETA THETA CHAPTER

Combined Degree Teams of Eta and Upsilon Install Wisconsin Group

By Eugene Soldatos, Historian

After months of preparation that took most of the school year of 1937-38, twenty-seven students at the University of Wisconsin, Madison, were formally installed May 15, 1938 as Beta Theta Chapter of Alpha Phi Omega.

Gathered in the Old Madison room of the Wisconsin Memorial Union, more than 80 guests from Eta, Upsilon and Alpha Nu Chapters witnessed the installation of Alpha Phi Omega's fifty-sixth chapter. The joined degree teams of the chapters at DeKalb and Milwaukee performed the ritualistic ceremony, under the direction of Dr. M. C. Hayes, member of the National Executive Board and Eta's veteran Senior Faculty Advisor. National President H. Roe Bartle presided as chief installing officer.

At the very delightful installation dinner, Brother A. N. Ekstrand, formerly Scouting Advisor of Eta Chapter and present Scout Executive of the Four Lakes Council at Madison, acted as toastmaster. He introduced the petitioning group to their guests and then presented President Bartle.

The National President's talk was very entertaining and inspirational.

Following this, Brother George H. Charno, member of the National Executive Board, delivered a message which has the members of Beta Theta still talking. So full of sincerity, the talk was one of the most inspirational and straight-forward the fellows have ever heard.

Justice Rosenberry Pledges Support

Chief Justice Marvin B. Rosenberry of the Wisconsin Supreme Court, a great friend of Scouting in Madison, spoke to the assembled group and pledged his support to the Wisconsin chapter.

With such messages of inspiration, Beta Theta looks forward to a great year in 1938-39, one that will see the chapter grow to proportions adequate to do service for all on the great University of Wisconsin campus.

The newly elected officers of Beta Theta are designated in the caption of the installation picture shown below. The advisors include: Professor Joseph F. Oesterle (Senior Faculty Advisor), Professor Lewis H. Kessler, Professor A. L. Masley, Professor E. W. Searles, Rene Gaiennie, A. N. Ekstrand, William Keown, Donald Teisberg and William Marsh.

This picture shows the charter group of Beta Theta Chapter at the University of Wisconsin, installed May 15, 1938. The officers of the new chapter in the front row, beginning second from the left and reading left to right are: Alex Yorman, Alumni Secretary; Roger Maas, Vice-President; Alfred Roberts, President; Eugene Soldatos, Historian; John E. Bullard, Treasurer; Thomas Mico, Secretary; and William Pollard, Corresponding Secretary. Four members of the National Executive Board participating in the installation of this chapter appear in the picture as follows: First row, C. M. Finnell (extreme left). Second row, Dr. M. C. Hayes (extreme left); George H. Charno (second from left); National President H. Roe Bartle (sixth from left).

The Charter Members of Beta Iota Chapter Installed at New York University, June 2, 1938.

BETA IOTA CHAPTER INSTALLED AT NEW YORK UNIVERSITY

Brother Ray O. Wyland of the National Board Conducts Ceremonies

The third Alpha Phi Omega Chapter in the State of New York was installed June 2, 1938. It is the fifty-seventh chapter in the fraternity.

A dinner session of the petitioning group assembled at 8:30. Dr. Ray O. Wyland, a charter member of Alpha Chapter and a member of the National Executive Board since the founding of Alpha Phi Omega, presided as chairman of the induction. He served as the installing officer under appointment by National President H. Roe Bartle.

During the dinner course a number of letters of congratulation from brother chapters—north, south, east and west—were read to the group. At the close of the dinner the neophytes were informed of the procedure to be followed, and the petitioning group was led into the ceremony by their President, Harold Friedman, who guided the destinies of this group during the two years of their preparation.

A very impressive induction ceremony with the illuminated shield and key and the Alpha Phi Omega banner in the background made a solemn impression upon the candidates. Dr. H. Harold Axworthy, Dr. Charles D. Winning and Dr. Louis R. Sprigg, Faculty Advisors, and Scout Executive Percy L. Dunn of the Manhattan Borough, New York City Council, took leading parts in the induction ceremony.

Dr. Jay B. Nash and Dr. W. F. C. Ferguson, the other faculty advisors, were unable to attend the installa-

tion ceremony.

The newly elected chapter officers were inducted into their offices as follows:

Joseph Green	President
Chester Cooper	Vice-President
Sydney G. Willner	Secretary
Roger C. Cilley	Treasurer
Julius H. Friedman	Historian
Harold Maidman	Alumni Secretary
Dr. H. Harold Axworthy	Senior Faculty Advisor

Dr. Wyland, as National Advisor, reports a high calibre group of very enthusiastic men. There have been several meetings devoted entirely to program and activities, and we anticipate that Beta Iota Chapter will be a vital force and an outstanding service group in the campus life of New York University, Washington Square, New York City.

A FRIENDSHIP CAMPAIGN AT NEW YORK UNIVERSITY

By Joseph Green, President

Beta Iota Chapter is planning to carry on a Friendship Campaign. There are many out-of-towners attending N. Y. U. and it is our purpose to carry on various activities that will acquaint these students with the habitudes of New York City and their school.

We also plan a bureau to inform students from the same city and state of their presence at the school.

Our membership drive, covering the many schools of New York University will be launched with our first smoker on October 11.

We realize that this is an ambitious program for such a young chapter, but we will do our very best.

NEW ADMINISTRATION PLAN IN ALPHA OMEGON

By Bill Cage, President

In addition to following the administrative plan suggested by the National Fraternity, Alpha Omicron Chapter at S. M. U. is experimenting with a special projects plan suggested by Brother R. M. Moore.

The entire chapter is divided into four groups with a leader for each group. When the Campus Projects Chairman thinks of a project or has one suggested to him he immediately checks with the Chapter President. The President then assigns the project to one or more of the groups, depending on the size and nature of the work and at the same time determining the approximate date of completion.

The project is then entirely in the leader's hands, and he is responsible for the job being done and for a written report of the important factors involved. He in turn gives a report to the Historian who files it in such a way that it may be conveniently referred to in the future.

Early Fall Activities

Alpha Omicron opened the year by arranging Scout Day at the football game. A number of us acted as guards around the fences, earning a little cash for our chapter treasury. We took part in arrangements for the big S. M. U. Dallas Day Parade, and acted as guides in the various buildings on the campus during open house. Several other projects are under way.

IOTA ELECTS

The presidency of Iota Chapter at Park College was left vacant this fall when Brother Ralph Kraft transferred to the University of California at Berkeley. At a recent meeting of the chapter, Brother Merle Irwin was elected President. Plans are under way for membership growth and increased service in Iota this fall.

To Hear Dr. Lester I. Tavel

At its last meeting in October, Iota Chapter will have as its guest, Dr. Lester I. Tavel, former president of Mu Chapter and founder of Alpha Omega Chapter. Dr. Tavel is now practicing in Platte City, Missouri, and has expressed his desire to assist in the expansion of Alpha Phi Omega in the midwestern states.

Enjoy Two Days of Keen Fellowship at the Seventh National Convention.

INFORMATION BOOTHS ASSIST NEW STUDENTS

This picture is indicative of the information booth operated by Omicron Chapter throughout fall registration week at the University of Iowa. Shown in the center is Brother Melvin Witte, formerly Vice-President and now Alumni Secretary of the chapter, whose diligent work was especially valuable in this project.

Brother Hillis Hauser, Chapter President, writes of the booth project: "The booth was set up in front of the administration building and operated during registration week. The President of the University passed it daily on his way to and from his office and often stopped to chat with the fellows as to their progress. About 900 inquiries were answered. Reports concerning the project were sent to the President, the Dean of Men, the Freshman Week committee and the Extension Division. All four contacts sent back their praises to Alpha Phi Omega . . . the President especially commended the booth on the fact that it kept many of the curious out of his offices."

MEETINGS PLANNED WEEKS AHEAD IN ALPHA CHI

Before the opening of school this fall, the following schedule of the principal chapter meetings was outlined for the first term:

October 5 - Executive Meeting.

October 12 - Informal Meeting (opening chapter meeting of the year, with reports of summer activities and plans for fall).

October 26 - Initiation Ceremony.

October 29-30 - Weekend trip to Tech Cabin.

November 9 - Speaker (Coach O. F. Hedlund on "The Four-Minute Mile").

November 23 - Movies (Philip Lewis on "The World Jamboree").

December 14 - Speaker (Dr. B. A. Thresher on "Choosing Men for Tech").

December 21 - Initiation Ceremony.

January 11 - Nomination of Officers.

Planning meetings in advance makes for efficiency in this chapter.

This picture shows an information booth operated by Alpha Xi Chapter at Washington State College for the assistance of new students.

ABOUT THE MANUAL OF SERVICE

The college presidents and deans of men in schools where Alpha Phi Omega Chapters are established have enthusiastically welcomed the new Manual of Service. The following are quotations from some of the letters received:

"This is a valuable handbook and will, I am sure, accomplish much good."—*Chancellor E. H. Lindley, University of Kansas.*

"I plan to make use of the Manual's valued contents in our personnel work."—*President D. W. Morehouse, Drake University.*

"I shall be glad to go over the Manual with the President of our local chapter next fall. I have a number of projects for fall which I hope our chapter will take an interest in, and which will be very beneficial to the youth in this community."—*President W. M. Lewis, Lafayette College.*

"It is an attractive booklet and I heartily concur in the objectives of the Fraternity."—*President C. A. Dykstra, University of Wisconsin.*

"I have looked over the new Manual of Service with great interest. We have found the Lehigh Chapter of Alpha Phi Omega a very cooperative group."—*Dean C. M. McConn, Lehigh University.*

"I have been interested in looking over your new Manual."—*President A. C. Willard, University of Illinois.*

"This book is a very attractive statement and should inspire the members of your group to good work."—*Dean S. H. Goodnight, University of Wisconsin.*

"I have looked through the Manual rather carefully and have marked some projects which I shall discuss with the Local Chapter. I am sure that this Manual of Service in the hands of the various chapters should be a help to them and enable them to render a larger service to the institutions in which they are located."—*Dean M. L. Fisher, Purdue University.*

"The Alpha Phi Omega Chapter on the Texas campus is a fine group and one on which we feel we can call for special services. I am sharing the contents of the new Manual with some of our other officials, because I am sure they will be interested in it."—*President J. W. Calhoun, University of Texas.*

INTERFRATERNITY SING AT MICHIGAN STATE

Fifteen Hundred Students and Townfolk Attend

By Bob Page, Historian, Beta Beta Chapter

After two years of planning and postponing, The Alpha Phi Omega Interfraternity Sing was finally held on the Michigan State College campus, May 24, 1938. A crowd of more than 1500 students and townfolks saw and heard eight of the leading campus fraternities vie for the beautiful Alpha Phi Omega Trophy.

The local chapter of Kappa Sigma was proclaimed the winner and will hold the cup until next year's sing.

The event was staged in Michigan State's new band shell, an imposing structure on the bank of the Red Cedar river in mid-campus. The eight competing fraternities sat in groups on the stage, some houses all wearing white summer formal and others dressed in dark suits.

Each chorus stepped forward at the call of the glee club director, Professor Fred Patton, master of ceremonies of the evening. At the end of the competition, the groups combined to sing the "Alma Mater" and the "Michigan State Fight Song."

The success of the sing was recognized by articles in both the school paper and the Lansing press. Much credit is due to Brother Al Brightman who last year laid the foundation plans.

Brother Dick Taylor and myself enjoyed the privilege and responsibility of serving as co-chairmen of the Sing Committee.

FREE GUIDE SERVICE

For

THE UNIVERSITY OF TEXAS

If you have guests in Austin, if you know of groups that will visit the campus of The University of Texas, or if for any other reason you wish to have some one guide you about the campus, call The Texas Union, telephone 9171 station 332. Alpha Phi Omega, honorary service fraternity, whose office is located in Room 305 of The Texas Union, will have guides on duty six days a week to carry out this work. By calling the telephone number indicated above, arrangements can be completed very shortly to take any size group around the campus.

Mimeographed sheets bearing the above message have been widely distributed among the faculty and student personnel of the University of Texas. Alpha Rho Chapter is carrying on its Free Guide Service in a very systematic manner.

INDIANA'S FIRST EAGLE SCOUT CONVENTION

Pictured here are the Scouts who came from all parts of the State of Indiana to attend Mu Chapter's first Eagle Scout Conference, held on the campus of Indiana University, May 14 and 15, 1938.

FOUR MAJOR ITEMS OF FRESHMAN ORIENTATION IN ALPHA DELTA

By Howard Cooper, Corresponding Secretary

Our chapter never disbands in the summer months. We held regular meetings every week throughout the past summer. True, attendance was not required and our summer activities were mostly for fellowship including a boat ride, a cabin party at the beach and a mountain trip, bowling, badminton and swimming.

Two weeks before school started, the registrar called our president and asked us to help in freshman orientation week. Our specific jobs were:

First, to work out a schedule and direct one thousand freshmen through the college library in four hours. It was done in the allotted time.

Second, to operate two information booths for three days during registration.

Third, to conduct two-hour campus tours for one thousand freshmen.

Four, take charge of physical examinations for men students.

Two New Projects

We are this year printing and placing program cards on the door of each lecture hall and laboratory. We are also taking over a job which another organization has previously done, that of publishing the student directory. This involves securing the names, addresses and telephone numbers of each student enrolled in

school, obtaining bids for the printing, proofreading the twenty-one hundred names, and selling eighteen hundred copies. This is really our big job of the year, and from it we expect to earn nearly \$100 profit to put into our loan fund for men students and into our chapter treasury.

Other activities during the semester will include manning the polls for the Associated Men Student's election, serving and ushering for the AMS stag, ushering at all assemblies, conducting campus tours for visitors, and other projects as we are called upon.

For recruiting of new members we are having two parties, one at El Monte Park twenty-five miles from the city, and the other in the women's gymnasium at the college. Alpha Delta is gradually getting a cross section of the school in its membership. We have about ten "Greeks," three members of the AMS board (total membership of the board is seven). Three of the six religious organizations' presidents are APO's, and two honorary fraternity presidents are members. One of our star debaters is a brother, and three members of the college newspaper staff are members of our chapter. So, we feel we are now covering a large field and making our influence widely felt, and are proud of the progress we have made in recent months.

Alpha Phi Omega is really "on the campus" at San Diego State College.

ALPHA PHI OMEGA SCOUTS, DADS, SCOUTERS HIKE

Saturday Afternoon, May 14
PROGRAM

Each troop will meet individually and proceed to Sunset Park in time to arrive at 2:30. Each boy, his dad, and any other scouters interested, are to bring their own suppers. Each troop will be expected to furnish the materials needed for its participation in the field contests. Each troop is also expected to prepare a five-minute stunt for the campfire.

Here's the program:

2:30 - Field Contests.

1. Knot tying.
 - A. Each scout working alone.
 - B. Two Scouts, one using his left hand, the other using his right.
2. First aid.
 - A. Bandages.
 - B. Theory.
3. String burning contest.
4. Water boiling contest.
5. Signaling - either wig-wag or semaphore.
6. Tug o' war.
7. Stake driving contest (Relay).
8. Wood chopping contest.
9. Three legged race.
10. Bugling contest.

Rating will be given as follows:

First place, 5 points; second place, 3 points; third place, 2 points; fourth place, 1 point. The winning troop will be awarded a prize at the campfire.

- 4:15 Soft ball-game, SCOUTS VERSUS SCOUTERS AND DADS!
- 6:00 Supper - Troops to eat together and Dads with Scouts.
- 7:00 Clean up camp.
- 7:15 Troops practice for stunts.
- 7:15 Meeting for Dads and Scouters.
- 8:00 Campfire.
- 9:00 Taps.

Above is a copy of the program and instruction sheet concerning the Scouts-Dads-Scouters Hike, sponsored by Pi Chapter at Kansas State College, May 14, 1938.

Be Sure Your Chapter is Fully Represented at the 1938 Convention.

CHI AIDS 4-H CLUBS

Chi Chapter furnished guides for members of the 4-H Clubs who visited the campus of the University of California at Los Angeles last spring.

ALPHA PHI OMEGA PLEDGE QUIZ

- Name: _____ Date: _____
1. Give place and date of founding of Alpha Phi Omega. (15)
 2. Name the following national officers: (15)
National President—
National Secretary—
National Treasurer—
 3. Where is the office of national headquarters located? (5)
 4. Name the local chapter officers. (30)
President—
Vice-President—
Secretary—
Treasurer—
Historian—
Alumni Secretary—
 5. Give name and date of installation of the local chapter. (10)
 6. Who is the president of Alabama Polytechnic Institute? (5)
 7. Who is the head athletic coach? (5)
 8. Who is the dean of your school? (State name of school.) (5)
 9. Name two colleges in the south-eastern region which have chapters of Alpha Phi Omega. (10)

This is a copy of the written examination given pledges of Delta Chapter at Alabama Tech. It is a simple test, yet requires knowledge pertinent to the pledge's understanding of his fraternity.

ETA'S ANNUAL CAMPOREE

The biggest event of the last school year for Eta Chapter was the annual Scout Camporee, conducted by the chapter for the Boy Scouts of the Chief Shabbono Council on May 20 and 21, 1938. This annual activity has become traditional in Eta, and the members look forward to it and plan for it from year to year.

The staff of the 1938 camporee consisted of the following brothers of Alpha Phi Omega:

Camp Director: Alfred Kupferberg
Assistant Directors: Lawrence Hubbell
Robert Storm Edward Marshall
Chief Clerk: David Smith
Clerks: Kenneth Perason
Lowell Walkup
Campfire Committee: Lee Kupferberg
Marvin Nesheim
Chief Observer: Robert Hooker

The camporee is increasingly successful each year, with Eta Chapter ever increasing its efficiency in the project. A highly-illustrated, descriptive booklet, setting forth the regulations governing the camporee and the schedule of events is compiled and published each year by the chapter and furnished to all Troops in the area.

Nebraska Conducts First Campus Fingerprint Drive

Alpha Sigma Chapter Aids FBI and University Police in Campaign

By George Vlasnik, Past Vice-President

The University of Nebraska was the first midwestern school to carry on a campaign for the voluntary fingerprinting of all students for civil identification. Alpha Sigma Chapter of Alpha Phi Omega provided the student leadership for the campaign, with the Federal Bureau of Investigation furnishing the necessary materials and instructions, and the University Police cooperating in a major way. The drive was carried on throughout the week of May 11 to 18, with the result that more than 2300 students were fingerprinted.

J. Edgar Hoover Assists

The Director of the FBI, J. Edgar Hoover, took a personal interest in the Nebraska campaign. In a letter to Alpha Phi Omega he wrote, "There is no stigma attached to hav-

ing one's fingerprints on file at Washington. On the contrary, I feel that it is a privilege to have my finger prints included in our records so that should any disaster or accident befall me, my family and friends will be saved the anguish and suffering which accompany unexplained disappearance.

"All citizens are invited to place their prints on record in the civil identification bureau. These prints are kept entirely separate from those in the criminal files."

Not Compulsory

The finger printing of Nebraska students was not compulsory, but the opportunity was offered for the good of the students themselves. Victims of wrecks, fires, earthquakes and other disasters may be identified through finger-prints when their identity is otherwise unascertainable. The university officials and student leaders were very cooperative in the campaign.

This is a reproduction of a sample civil fingerprint card. On the reverse side of the card was space for the personal identification. A sufficient quantity of these cards was furnished by the Federal Bureau of Investigation for Alpha Sigma Chapter's campaign at the University of Nebraska. (Reproduction is about 1/3 actual size).

PHI HEARS FATHER RYAN

More than 75 members and prospective members of Phi Chapter at Syracuse University heard Father Gannon F. Ryan speak at an open meeting of the chapter, October 6.

Says George Krablin, President of the Chapter: "We found lots of new material for membership at this meeting, and the program was devoted largely to explanation of the purposes and outlining the program of Alpha Phi Omega for the year."

This is to certify that
JOHN EVERETT JONES

"LOOKING UP" IN ALPHA NU

By *Anthony Chmielewski, President*

This is going to be a banner year in Alpha Phi Omega at St. Norbert College. Our schedule of activities is nowhere near complete but we are pleased to report the following:

Our service to the college is arranged up to December 21, to include:

A mixer for all students.

A freshman party.

Participation in the dedication of the new J. R. Minahan Memorial Stadium.

Painting of the "Times" room.

Assisting as officials in the fall intramural program.

Complete orientation of the freshmen.

One fraternity Dutch Lunch.

One fraternity banquet.

On our schedule are listed six points of service to be rendered the Nicolet Area Council before December 1. Since September 1, 1938, we

have given a weiner roast and a program of entertainment for Troop 43 (orphans), the specialized troop which Alpha Nu Chapter sponsors.

"OUTING" IN THE INDUCTION CEREMONY

Xi Experiments with New Ideas in Ritual

By *Otis B. Miller, President*

It was decided by our Chapter that an instructive period of probation during our spring overnight camp would add to the impressiveness of the initiation ceremony and would strengthen the interest of our pledges. The following is a description of our proceedings:

The lights in the mess hall were turned off, excepting one in the far end. This light was shielded so as to shine only on the face of the pledge. Then each neophyte was called in individually for an interview. Questions such as the following were asked of each pledge: "Why did you pledge Alpha Phi Omega?" "What good have you desired from your pledgship?" "If someone asked you what the ideals, aims and purposes of Alpha Phi Omega are, what would your answer be?" "What service do you think you can render this fraternity as an active member?"

After this individual questioning, the entire group of pledges was brought into the room and assigned the following duties: Each to go into the woods and make a bed and sleep alone all night, to carve upon a piece of wood the greek letters of Alpha Phi Omega and wear said piece around the neck suspended by thin branches, vines or other native material, and to have a fire started by 8 a. m. the following morning.

The pledges were then dismissed and the active members were not to speak to any of them until the initiation ceremony in the morning.

By eight in the morning the fires were started, each pledge had made at least two neck pieces and the ceremony soon began. The new men were lined up at the head of the trail leading down to the chapel, and started down the trail. The trees along the trail were marked, at regular intervals, by rustic signs each bearing the words of one part of the Scout Law. The last "A Scout is Reverent" appeared at the entrance to the chapel. The Chapter President stood behind the altar, with the officers and Senior Faculty Advisor grouped about him in a semi-circle. The initiatory ritual was duly performed, without the usual rustling of mimeographed sheets (small cards taking their place) and with as much solemnity as the time and place could command.

After the ceremony, each of the new initiates was heartily welcomed and congratulated by the entire group of actives and we all adjourned to the breakfast tables. We believe our new initiates were duly impressed by the ceremonial and are better prepared for the responsibilities as Alpha Phi Omega men.

JUNK DAY AT U. S. C. SPONSORED BY ALPHA KAPPA CHAPTER**Students And Faculty Join In Gathering Old Material To Be Sold**

As an editorial writer of the "Daily Trojan" expressed it: "In the past we have had Peace day, Brotherhood day, Polo day, Red Cross day, and Safety day. From this list, however, an intangible something has seemed always to be missing. At last we have that something. It is JUNK day. Not only will it give Trojans a chance to clean out closets and fraternity houses but it will give fifty organizations an opportunity to contribute to a real need of the University."

May 28, 1938, was Junk day at the University of Southern California, with Alpha Kappa Chapter of Alpha Phi Omega directing the drive. Brother Gene Zechmeister, chairman of the chapter's committee for the project, sought and secured the cooperation of more than fifty campus organizations.

Tags were distributed on the campus by members of the committee and sold for five cents each to show the interest of the organizations co-operating in the drive. Many houses went 100% in the purchase of tags.

According to the plans previously arranged, each cooperating organization called the office of Dean Francis M. Bacon, Dean of Men and Senior Faculty Advisor of Alpha Kappa Chapter, to notify him of addresses where collections of junk were to be picked up. Faculty members also called the dean's office to leave their addresses for the junk collection.

The organization whose collection of junk sold for the highest amount of cash received a prize in the form of a purchase order from the Student Union bookstore.

The U. S. C. newspaper, "Daily Trojan" cooperated splendidly in giving publicity to the drive. Articles about Junk day appeared in seven consecutive editions of the paper.

Many truckloads of papers, bottles, rags and old clothing were collected. The proceeds from the sale of this junk, plus the proceeds from the tag sale, were contributed to the fund for furnishing the new Religious Center building on the U. S. C. campus.

ALPHA ETA'S LOAN FUND

The loan fund created last spring on the University of Kansas City campus by Alpha Eta Chapter has proved popular and practical. Short term loans of from \$1 to \$25 are made for any purpose and to any student at KCU who needs the money.

The registrar of the university, Clyde E. Evans, is the administrator of the fund, and he is assisted by the financial committee of the chapter consisting of Brothers Art Charvat, Bernard Koehler and Howard Gossage.

The service committee, with Brother Roland Bierley as chairman, is making plans for the registration of rushees for the social clubs set up under the new system. It is the idea of the University to stress academic activity in the freshman year, and therefore, freshmen are no longer permitted to become members of social clubs. Rushing and pledging rules will be enforced by the Advisor of Men with the assistance of Alpha Phi Omega.

Handle Charity Drive

Alpha Eta Chapter is to handle

campus solicitations for the Kansas City charity drive this fall. Contributions will be solicited from students and faculty in both the day and night school.

SIX PROJECTS UNDER WAY IN LAMBDA CHAPTER

By Gordon Brigham, President

The fall program of Alpha Phi Omega at the University of Kansas is getting off to a fine start. At our first meetings we have developed plans for increasing our membership and for the following six projects:

- A system for blood transfusions.
- Serving on the Freshman Advisory Board (7 members).
- Serving on the Homecoming Committee (1 member from each organization).
- Arranging transportation for a crippled student.
- Furnishing lifeguards for the University swimming pool.
- Assisting the University Y. M. C. A. with its annual dinner for poor people at Christmas time.

As time passes we will add to this series of projects and continue to expand the program of Alpha Phi Omega at K. U.

CITY MAPS PRESENTED BY OMEGA CHAPTER

As a part of its information service to freshmen, Omega Chapter at Drake University furnished a printed map of the city of Des Moines and a booklet titled "Today's Timely Thoughts" to each new student.

Gene Zechmeister

He was chairman of Alpha Kappa's "junk" committee, conducting the first Junk day at the University of Southern California, May 28. He has this fall been elected President of his chapter.

Ron Cooley

He is Pledge Master of Alpha Kappa Chapter and was selected as chauffeur of the horse-drawn vehicle used in collecting the salvaged materials contributed to the Junk day drive.

LETTERS OF APPRECIATION RECEIVED BY UPSILON AND ALPHA OMEGA

March 1, 1938

Upsilon Chapter
Alpha Phi Omega
Milwaukee State Teachers College
Milwaukee, Wisconsin
Dear Brothers:

I am writing to express the deep appreciation which the officers and sponsors of the Town Hall of Milwaukee feel for the regular and highly efficient service which members of this fraternity have given in handling door sales at our forums.

We believe it is a real indication of the high spirit of cooperation and interest in worthwhile community activities that has been expressed through your efforts.

If in some more formal manner any one of our executive committee can serve you through a more formal recognition of your service, I am sure that each one stands ready to do this.

For my part I want to tell you that I am exceedingly proud to be a member of a fraternity composed of men who build a reputation carrying on the worthwhile projects of life.

Fraternally yours,
(Signed) JACK TELFER,
Director.

JT:td

January 26, 1938

Mr. Harvey A. Stevens, President
Upsilon of Alpha Phi Omega
State Teachers College
Milwaukee, Wisconsin
My dear Mr. Stevens:

We wish to thank the men of your fraternity for their very efficient work in ushering and taking charge of the doors at our assemblies the past semester. It has helped to subdue the noises at the beginning of assemblies, and has given a more professional appearance to our assembly audiences. Your fraternity volunteered to take care of this work, and the members have been very faithful in carrying on the duties at each of our assemblies.

Gratefully,
(Signed) WILLIAM G. MEYER,
Student Chairman Platform Committee.
(Signed) LEWIS A. VANTINE,
Faculty Chairman Platform Committee.
Director of Appointments
and of the Summer Session.

Kirksville, Missouri
April 23, 1938

Alpha Phi Omega Fraternity
Kirksville College of Osteopathy and Surgery
Kirksville, Missouri
Gentlemen:

It gives me a great deal of pleasure to write this letter in grateful recognition of the helpful service rendered by your organization to make the "Monopoly" Carnival of 1938, for the benefit of our Annual Children's Clinic, a success, and to thank you, on behalf of the Women's League, for your cooperation and support.

As you know, we depend largely upon your help in undertaking the responsibility of this Carnival and in this small way we wish to express our appreciation and to tell you how much we value same.

The boys were all, not only willing, but anxious to do the work and their willingness and substantial help made our task a pleasant one.

This picture shows the new building of the University of Omaha, with three group pictures of Alpha Theta Chapter men superimposed. The Chapter has furnished guide service continuously since the new building was opened to the public in June. About 8,000 visitors have been escorted through the entire plant.

We would be pleased to have you read this letter at your next meeting so that all your members may know and be assured of our sincere appreciation.

We realize that your committee under the able direction of Mr. Roy Irvin did a vast amount of work in a very short time, but the booths were substantial and attractive, and the electric wiring was adequate and just as it should have been.

We trust that in the future we may count upon your continued cooperation and feel as free to ask you to help us as we have felt in the past.

Again with sincere thanks, appreciation and every good wish for the growth and future success of Alpha Phi Omega, I am

Yours very sincerely,

MARY B. DAVIS,
Committee Chairman,
Women's League, K. C. O. S.

"PROBLEMS OF THE DAY"

The Representative Speakers Bureau of Milwaukee State Teachers College continues to be largely manned by members of Upsilon Chapter. "Problems of the Day" were discussed by the speakers in their second radio broadcast from station WHA in Madison, Wisconsin, May 20. Three of the four speakers on the program were members of Alpha Phi Omega. Brother Aubrey Wood spoke on "Socialized Medicine"; Brother Francis Greulich on "Conservation" and Brother Walde-mar Treichel on the "Housing Problem."

Brother Roy Shapiro, Past President of Upsilon Chapter and now president of the speaker's bureau said, "This radio broadcast concluded the most successful year in the history of the bureau."

RE-ESTABLISH WISCONSIN EAGLE SCOUT FORESTRY CAMP

Chief Justice Marvin B. Rosenberry Co-operates With APO in Project

By George E. Schraut, Secretary
Upsilon Chapter

Perhaps one of the most far-reaching services which Alpha Phi Omega could offer has been rendered. In explanation of this statement I present some recent occurrences.

On May 15, 1938 at the installation of the Beta Theta Chapter at the University of Wisconsin, I was fortunate enough to have seen and heard the Chief Justice of the State Supreme Court, Marvin B. Rosenberry. At this time I learned of the part he had placed in establishing Scouting on a solid basis in and around Madison, Wisconsin. His desire to be of service both to the fraternity and to Scouting impressed me greatly.

About six weeks later I saw several Eagle Scouts at a Court of Honor who claimed that the Wisconsin Eagle Scout Forestry Camp had been discontinued after eight years of activity. Not quite believing I inquired of the assistant camp director, and his affirmative answer grieved me. He explained that the day previous he and several of the other camp leaders had met with the Wisconsin Commission on Conservation, and it appeared that the State could no longer stand the responsibility and liability in case of accidents. Nor could the state accept paid up employers liability insurance premiums. There seemed to be no way of continuing the camp.

You can well imagine that everyone was sick at heart. The future looked rather gloomy, however, there was one ray of hope.

The assistant camp director suggested that I write to the Chief Justice and ask him to intercede for us. Mr. Rosenberry did that and more, with the result that the camp, the only one of its kind in the United States, is on a more solid foundation that it had been before.

(Continued on Page 12)

Extensive Program Deliberations at the 1938 Convention—Be There!

SIXTY-ONE PERCENT OF LEHIGH FRESHMEN ARE SCOUTS

By Harry A. Harchar, President Alpha Psi

A freshman Scout census conducted by Alpha Psi Chapter at Lehigh University this fall shows that 61% of the class are or have previously been affiliated with Scouting, and 28% of the entire class are Eagle Scouts. This looks quite promising for our membership expansion, and although we hate to boast, we say "Watch our smoke!"

A Scenic Hike

On October 8 we held a hike for all persons interested in such outdoor trips. It was over a particularly scenic route, ending at our fireplace (built and dedicated by Alpha Psi Chapter last year).

A DEAN COMMENTS ABOUT APO AT TEXAS

The following quotation from a letter written by Brother Arno Nowotny, Assistant Dean of Men at the University of Texas and Faculty Advisor of Alpha Phi Omega, tells briefly and comprehensively about some of the projects which have accompanied the growth of Alpha Rho Chapter:

Efficient Guide Service

The chapter set up a very efficient system of furnishing campus guides, and I mean a system that really has guides available for every possible occasion, beginning with the orientation program for freshmen in the fall, including various conventions, and ending up with our annual Round-Up late in April.

Campus Beautification

They were also in charge of a campus beautification project in which they were very successful in eliminating a lot of ugly paths on our campus. This was done through a campaign of education, signs, and actual personal contact among the students.

Handle Elections

The chapter took charge of our spring elections on the campus, and with 6500 ballots cast, they manned the booths and counted the ballots and not one protest resulted from the way the election was handled.

Aid Scout Campaign

Late last spring we had a campaign in Austin to raise several thousand dollars for a Boy Scout Camp for this area. The Alpha Phi Omega men volunteered to take care of the campaign among the faculty of our institution, and they raised \$850 which has been turned over to the Boy Scout Council.

Christmas Project

At Christmas time this year, Alpha Rho Chapter will start a service whereby used toys will be collected, repaired and painted, and then distributed to needy families before the members leave for the Christmas holidays.

The cooperation and assistance of Dean Nowotny has meant much to the progress of Alpha Rho Chapter.

THE MEMBERSHIP OF ALPHA RHO CHAPTER, SPRING, 1938

This shows what can happen when a chapter of Alpha Phi Omega extends its service program and makes its activities increasingly attractive to prospective new members. In the past two years APO at the University of Texas has grown from 18 active members to more than sixty, of whom fifty-five are back in school this fall. Says Chapter President, Robert Kniffin (shown in the fourth row back, at the extreme left): "Our membership will be still further increased this fall as our program develops." (Read on this page the statement of Dean Arno Nowotny concerning the activities of this chapter).

SEVENTY-FIVE MEMBERS BACK AT PURDUE

With full activities just beginning in Alpha Gamma Chapter, President Eric Wadleigh has expressed his belief that about seventy-five members are back in school this fall and a full number of them can be counted upon for active service in the chapter.

Upon the request of Beta Eta Chapter at the University of Missouri, Alpha Gamma Chapter has furnished them a copy of the inspection sheet and instructions to canvassers used in the Purdue rooming house survey last spring. If you see an article mentioned in the TORCH AND TREFOIL about which you would like further details, feel free to request additional information from the National Office. Your headquarters and also the chapters are always pleased to make available all possible material concerning any projects.

ALL-FRESHMAN PICNIC AT WILLIAM JEWELL COLLEGE

Initiating a new tradition on the William Jewell Campus, Alpha Mu Chapter sponsored an all-freshman picnic, September 23.

Organized games furnished entertainment until time for the "eats." The food was prepared over several campfires under the direction of the Alpha Phi Omega men.

The picnic was devised to aid freshman students in becoming immediately acquainted with the members of their class and begin class activities at the very beginning of school.

Annual Basketball Tournament

Alpha Mu Chapter will sponsor its fourth annual intramural basketball tournament this year in which all men's organizations on the campus will be invited to compete.

Plans are now under way for inaugurating an annual interfraternity sing at William Jewell, much the same as is being held under Alpha Phi Omega's leadership at Michigan State and North Dakota Agricultural College.

RE-ESTABLISH WISCONSIN EAGLE SCOUT FORESTRY CAMP

(Continued from Page 11)

The camp is composed of Eagle Scouts from all parts of the State of Wisconsin under the direction of a Scout Executive and a Scoutmaster and his assistant. For five hours each morning the boys work on some conservation project as designated by the conservation commission, for which they receive one dollar. The rest of the day is theirs to do with as they please. The money is turned over to be used to defray the expenses of room and board.

Some of the projects in the past have been tree cutting, trail making, stump removing, road repairing, stone hauling and beautification of campsites.

Thus in a sense Alpha Phi Omega has given service to some 350 Eagle Scouts by returning to them their camp. If it had not been for APO our connection with Justice Rosenberg would never have been established. If my fraternity avails me nothing more, I shall feel that it has been worthwhile.

YACHT PARTIES IN BETA GAMMA

Unique among the social activities of Alpha Phi Omega chapters are the yacht parties of Beta Gamma Chapter. The brothers of Central College, Chicago, took two such trips on Lake Michigan during the past summer. About fifteen members and their dates is capacity on each trip. Hiring the yacht with full crew, at a very reasonable rate per couple, the members are relieved of the responsibility of the boat, and a full evening of games and dancing is enjoyed. It is expected that similar trips will be planned for next summer.

The first fall reports from Beta Gamma indicate that the chapter's service program is getting under way in fine style. We may expect a good delegation from this chapter at the National Convention in December.

SCOUT LEADERSHIP CONFERENCE AT DEPAUW

Alpha Upsilon Chapter Sponsors Second Annual Meeting

Serving as host to the Junior Leaders of the Scout Troops of Indiana, Alpha Upsilon Chapter staged its second annual Leadership Conference on the campus of DePauw University, April 30, 1938. About fifty troop leaders attended and received help in their problems from members of Alpha Phi Omega and from outside speakers.

The Conference Program

- 9:15-9:45 A.M.—Registration, Bowman Gymnasium.
 9:45-10:45 A.M.—First Session—Introductory remarks by Dr. E. R. Bartlett, Faculty Advisor of Alpha Upsilon Chapter.
 "The Senior Program"—Discussion led by Mr. Delmer H. Wilson, Scout Executive, Southern Indiana Council, Evansville.
 10:45-11:15 A.M.—Discussion Groups on each phase of the Senior Program.
 11:15-11:30 A.M.—Tour of the DePauw University Campus.
 11:30 A.M.-12:15 P.M.—Second Session—"Problems in Merit Badge Work," led by Rev. Clyde Pearce, Scoutmaster, Troop 64, Clinton, Indiana.
 12:30-1:45 P.M.—Luncheon, Gobin Methodist Church.
 Invocation—Alex Porteus, Secretary, Alpha Upsilon Chapter.
 Address of Welcome—Robert Anderson, President Alpha Upsilon Chapter.
 Address—C. J. Carlson, Regional Scout Executive, Region 7, B.S.A.

and Honorary Member of Alpha Phi Omega.

2:00-5:00 P.M.—Track Meet, DePauw vs. Ball State College.
 Baseball—DePauw vs. Ball State College.

OVERNIGHT CAMP IN BETA ALPHA

Year's Activities Planned at Outing

By James Hammond, President

We began our school year activities with an overnight camp at Santa Fe Lake. About 20 members attended. The program was as follows:

Dinner Saturday night.

Campfire, with the aims for the coming year set up and remarks by Brother H. H. Baker, Scout Executive, and by several honorary members.

Games until retiring.

Breakfast Sunday morning, followed by religious services.

Open discussion on chapter activities (two hours in length).

Ball game.

Lunch, then the breaking of camp.

An Eagle Guard

One of the ideas conceived at this gathering was the formation of an Eagle Guard to act at all Eagle Courts of Honor.

THREE MAJOR PROJECTS UNDER WAY IN ALPHA IOTA

By Karl E. Blumenberg, Historian

Several weeks before school opened this fall, Alpha Iota Chapter arranged its plans for a freshman hike to be a part of the Ohio State Freshman Week program. This hike program will include outdoor activities during the afternoon, a meal served in camp style and a large campfire program in the evening.

Our chapter has been asked to serve during the High School Days on the campus this fall. We will soon meet with the committee to plan our activities for this occasion.

A Housing Survey

At a summer meeting of Alpha Iota we accepted a project offered by the Dean of Men's office, that of conducting a fraternity housing survey and a general rooming house inspection covering all houses in which Ohio State men reside. It will be carried out this fall and winter.

A picture taken on the occasion of President Bartle's visit to Alpha Delta Chapter, June 14. Left to right are: George Ellis, President; H. Roe Bartle, Howard Cooper, Past President, and Elwood Barley, Scouting Advisor.

Alpha Phi Omega SENIOR SERVICE AWARD

ALPHA OMEGA CHAPTER
K. C. O. S.

Date _____

Name _____

BASIS OF AWARD

	Points	Possible Points
Service to Campus	30	30
Service to Youth and Community	25	25
Personality	15	15
Scholarship	15	15
Extra-Curricular Activities*	15	15
Total	100	

*Please do not score paid assistantships.
 Scored by _____

This is the type of score card used to judge the winner in Alpha Omega Chapter's new Senior Service Award at Kirksville C. O. S. (Notice the newspaper description of the award plan shown in the clipping reproduced on page 17 of this issue.)

AT WEST POINT

Brother Roy J. Clinton, member of Alpha Gamma Chapter at Purdue University, is now a member of Company C, United States Military Academy, West Point, New York. He entered the academy, July 1, 1937, after spending only a year and a half at Purdue.

Roy J. Clinton

(Courtesy "The Lone Scout")

He writes, "I find the life here very exciting and the disciplinary training exceedingly worthwhile. In my first year here, I have won my class numerals on the Plebe Fencing Squad."

All Scout Executives Are Invited to Attend the Alpha Phi Omega Convention.

We Point With Pride

Brother Robert Cody, new President of Tau Chapter, member of Chi Psi social fraternity, Phi Eta Sigma, freshman scholastic, and pledge in Sigma Delta Chi, professional journalistic fraternity, is Managing Editor of the "Florida Alligator," student newspaper, this year.

TWO UPSILON MEMBERS IN "HONOR TEN"

Brothers James Dexter and John Magistrelli of Upsilon Chapter received the traditional gold keys as members of the "Honor Ten" at Milwaukee State Teachers College last spring. This is the highest recognition that can be achieved by seniors in the college and the winners are chosen annually by a faculty committee on the basis of high scholarship and participation in campus activities.

James Dexter

John Magistrelli

Brother Harry Harchar, President of Alpha Psi Chapter, was selected as boating instructor at the Fourth National Aquatic School to be held at the Schiff Scout Reservation, Mendham, N. J. last June.

Dean Karl C. Leebrick of the College of Liberal Arts at Syracuse University and Faculty Advisor of Phi Chapter left Syracuse in June to take the Presidency of Kent University in Ohio. He has expressed his desire to have an Alpha Phi Omega Chapter founded at Kent.

Brother Clarence Munn of the Syracuse University football staff and member of Phi Chapter left in June to become assistant football coach at the University of Michigan.

Dr. Sigmund Poole of the College of Liberal Arts of Syracuse University recently returned from an expedition into Yucatan on which he was doing research work in geology among the Mayan ruins.

Brother Charles Knipschild of Beta Beta Chapter was a representative on the Personalities and Careers Conference committee at Michigan State last spring. The committee planned and executed a two-day conference on vocational guidance.

Brother Leo J. Stoecker, Historian, was named editor of the St. Norbert Times, when the journalism classes of St. Norbert took over publication of the paper for the issue of April 12.

Brother Sidney Mendelson, new First Vice-President of Tau Chapter, member of Tau Epsilon Phi, active in intramurals and other fields, became one of the two honor court members elected from the College of Business Administration.

Brother Anthony Chmielewski, President of the Chapter served as Alumni Editor of the St. Norbert Times during Brother Stoecker's editorship. This Brother has also recently taken over the responsibility of Assistant Scoutmaster of Troop 43 in Green Bay.

INTERESTING MEETING SCHEDULE IN PHI CHAPTER

The consistent success and growth of Phi Chapter at Syracuse University is due in no small measure to its highly organized system of committees and its distribution of responsibility. The following outline of the chapter's fall meeting programs indicates how several different members each week are responsible for the various parts of the meeting programs:

Phi Chapter Program

FIRST SEMESTER - 1938

October 9 - Sunday, 2:30 P. M. - Hike from Slocum -

Duties:

Leader Gordon Fake
Publicity Jerry Grace

October 18 - Tuesday, 8:00 P. M. - Chapel -
Pledge and Business Meeting.

Duties:

Refreshments Randy Pinder
Attendance Herb Foote
Publicity Jerry Grace
Phone Squad Charles Foote
Post Cards
Announcements at Convo. Miles Esmay

October 23 - Sunday, 10:45 A. M. - Hendricks Chapel -

Chapel Attendance in a Body.

Duties:

Arrangements Jack MacAllister

A chart showing the organization plan used in Phi Chapter has been mimeographed and made available to all members. This chart will be published in the next issue of TORCH AND TREFOIL.

An all-school party, known as a "Turkey Hop" will be sponsored November 23 by Alpha Eta Chapter at the University of Kansas City.

Steve Terry

... He was the winner of Alpha Tau Chapter's second annual award to the Indianapolis Eagle Scout who has the most outstanding record in scholarship and civic service. He is a member of Troop 60. The award consists of a gold medal to the Scout and a gold cup to his Troop.

"Along the Service Trail"

By T. W. "Bill" Lacy, National Field Representative

Since the May issue of TORCH AND TREFOIL it has been my privilege to visit ten Alpha Phi Omega Chapters and nine petitioning groups and to counsel with them about plans for the future development of this service program on their campuses.

Michigan State

The brothers of Beta Beta Chapter are a keen group of men and doing a good job. Dr. Fred T. Mitchell, Dean of Men, expressed to me his appreciation of the work being done by the chapter. He suggested they use a "Know Michigan First" slogan in their campus tours and information service. It was certainly inspirational to spend a day, April 25, on the campus at Lansing.

Region 7 B. S. A. Conference

Through the graciousness of Brother C. M. Finnell of the National Executive Board, I had the privilege of spending April 26 at the annual laymen's conference of Region Seven, in Chicago. The interest in Alpha Phi Omega expressed by the Scouters there should make the brothers feel proud of their fraternity. I spent the whole day answering questions about the service program of the various chapters.

Northern Illinois S. T. C.

April 27 was spent at DeKalb. Time with Dr. M. C. Hayes and the brothers of Eta Chapter is always thrilling and educational. With one-fourth of the male students on the campus of APO, the chapter is really carrying on a marvelous program.

Wisconsin

On April 27, I had the privilege of meeting with the Officers, and Advisors of the petitioning group at the University of Wisconsin, Madison. We discussed the details of chapter operation and made plans for the installation ceremony which was to take place May 15. This new chapter is composed of a strong group of men, and we can depend on them to build a great program on the Wisconsin campus.

Milwaukee S. T. C.

I spent a stimulating evening April 29, with Upsilon Chapter. They had a combination Banquet, Induction ceremony, Installation of New Officers and Dance. Faculty and Scouting Advisors and all the undergraduate members brought their ladies. The induction ceremony was put on in the presence of the ladies, and it was impressively handled by a good degree team. The interest taken by both the members and their ladies speaks well for the future of Upsilon.

At the installation of new officers, the incoming president accepted the traditional key and with it the responsibilities of the chapter. The outgoing president was presented a past president's key.

St. Norbert

On April 30, I had an interesting meeting with Rev. Dr. A. M. Keefe, Faculty Advisor, Edwin Schwechel, Scouting Advisor and John McHale, Jr., President of Alpha Nu Chapter. The brothers of this chapter have had tough sledding, but I am looking forward to a keen report from them at the National Convention in December.

North Dakota State

I greatly enjoyed my day, May 3, with

the men of Alpha Lambda Chapter. At a banquet that evening attended by Faculty and Scouting Advisors and most of the members, I heard plans discussed which enable me to say "watch Alpha Lambda."

Drake

A full day was spent, May 11, with the men of Omega, laying plans for a bigger service program for fall and for strengthening the chapter membership. Under able leadership, this chapter will constantly advance.

Iowa

May 12, 13 and 14 were spent with Omicron Chapter, laying plans for fall activity. A picture in this issue of the TORCH AND TREFOIL indicates that the brothers of Omicron are off to a wonderful start and are making themselves increasingly valuable to the University of Iowa campus.

Ohio State

I met with the men of Alpha Iota, their Faculty and Scouting Advisors in a series of conferences which filled two days, May 16 and 17. The discussions centered around additional projects and increased membership. I predict a good report from this chapter at the St. Louis Convention, December 28 and 29.

Cincinnati U.

May 19 was spent in talking to a group of men at the University of Cincinnati, interested in forming a chapter on their campus.

Kentucky

May 20 and 21 were spent in Lexington, Kentucky, discussing future plans with members and prospective members of Alpha Zeta Chapter.

With the beginning of the fall term, emphasis has been placed on forming new chapters. My first trip was as follows:

September 19—Northwest Missouri State Teachers College, Maryville.

September 21—Central Missouri State Teachers College, Warrensburg.

September 22—Missouri Valley College, Marshall, Mo.

September 24 and 25—Westminster College, Fulton, Mo.

September 26 and 27—Missouri School of Mines, Rolla.

September 29 and 30—Southwestern Missouri State Teachers College, Springfield.

October 1 and 2—University of Arkansas, Fayetteville, Arkansas.

October 4 and 5—University of Tulsa, Tulsa, Oklahoma.

I am happy to report that the groups organizing at these schools are composed of men we will be proud to have as brothers in Alpha Phi Omega.

Missouri

It was my pleasure to witness the initiation of a class of new members in Beta Eta Chapter, October 7. National President H. Roe Bartle participated in the ceremony. The evening was spent with the officers and committee chairmen discussing projects, membership and extension.

I send greetings to all the brothers the country over... and I'll be expecting to see you at the National Convention in St. Louis, December 28 and 29.

Future chapter visits will be mentioned in the coming issues of the TORCH AND TREFOIL.

Meet Your Brothers in Alpha Phi Omega at St. Louis This December.

Gleanings from Chapter Correspondence

Drake

"We have about 35 prospective new members who are definitely interested in Alpha Phi Omega, and we expect to enlarge our membership tremendously this fall."

—Lloyd Osborne, President.

Iowa

"Omicron has been asked by the university broadcasting station to put on two 15 minute broadcasts each month. We intend to get to work on the plans."

—Hillis Hauser, President.

Georgia

"In Beta Zeta, yet one of the youngest chapters in Alpha Phi Omega, fall activities have included the following: Arranging the settings for the local Scout Circus, assisting other campus groups, for example the Y. M. C. A., aiding the administrative officers during freshman week. In addition, several of our members are serving in the local Scout council as court of honor officials, as assistant Scoutmasters, and one as assistant Commissioner."

"Beta Zeta also assisted in decorating the campus for Memorial Day last spring as well as ushering the chapel meeting."

—Slaton Jones, President.

Wichita

"We made a survey from freshman enrollments and found that 120 out of 235 men have had Scouting experience. We are using this material for a big freshman campfire."

—James Hammond, President Beta Alpha.

North Dakota State

"After Brother Bill Lacy's visit to Alpha Lambda Chapter last May 3, things began to really happen. We assisted in the annual May Festival and instigated a warming house being placed below the stands of the college's new stadium. Installation of officers, pledging and initiation ceremonies were conducted at our annual spring outing held at Camp Shawondasse, Detroit Lakes, Minnesota."

"A space was put on the fall registration blanks to determine the number of new Scouts on the campus. Preliminary steps in welcoming these new students was participation in Freshman Orientation activities, followed by a bean feed for all former Scouts."

"Our projects for the immediate future include participation in the Boy Scout Round-Up, a lake trip to welcome new pledges, decoration for homecoming and building a new skating rink."

"Before the fall term, an official from the Fargo Scout office and I visited Mayville Teachers College and were instrumental in organizing a campus Scouter's club. It is hoped that this newly formed group will develop into the second Alpha Phi Omega Chapter in North Dakota."

—Carlisle Lundsten, President.

Santa Barbara

"Psi has made a very good start this fall by obtaining the camp of the Mission Council for our annual college freshman-sophomore overnight trip. We arranged for the cook and helped plan the menus. We also built the campfire. Other organizations on the campus did the rest. The trip was a great success and everyone had a great time."

"Our open house is planned for October 18. The program will consist of a motion picture, games, speaker and eats. We have many good possibilities for pledges and expect to enlarge our membership greatly this year."

—George Guntermann, President.

San Diego

"Nothing has ever done half so much good for Delta Chapter as having Brother Roe Bartle come down to visit us June 14. His visit gave us more of a feeling that we really are part of a national fraternity and not merely an isolated chapter."

—Howard Cooper, Corresponding Secretary.

Washington State

"We started the fall semester by erecting and managing an information booth for freshmen. (See picture on page 6 of this issue.)"

"On October 1, our chapter sponsored the first program dance of the year, the first dance held in the new Women's gym. The printed programs were appropriate as souvenirs of the dedication of the new gymnasium. Limited to 250 couples the dance was a sell-out and the chapter made a little money for its treasury."

"We expect to build a log cabin on the campus to be used as a meeting place and a place of entertainment. This is expected to be completed by next spring."

"Our membership has increased from 18 active members a year ago to 48 active members to date. We sincerely hope that other young chapters have had as good luck as we have, and we are looking forward to a booming future."

—Tom E. Sanger, Secretary Alpha Xi.

Kirkville

"Alpha Omega Chapter is giving the Kirkville College of Osteopathy and Surgery one of the fullest programs of service ever witnessed in the history of the school. The members are also serving the community and Scouting in a major way."

"Plans are rapidly shaping up for our Annual Clinic Benefit Ball. Also our chapter has the honor of supervising the celebration of the 40th year in osteopathy of our College President, Dr. George M. Laughlin. Under the direction of the humble secretary of Alpha Omega Chapter the members have renovated the college band, putting it on a new basis of organization with definite governing rules for qualification of awards."

"Believe me! Alpha Omega Chapter is really doing things here. This is one place where action is secured on any work to be done and the whole school and community are telling about it."

—Howard W. Crawford, Secretary.

Texas

"To let you know how A. P. O. stands in the minds of big men on the Texas University campus, I would like to quote from a letter received from our registrar regarding the work we did during the Freshman Orientation period: 'Now that the rush of registration is over, I am writing at once to express to you and through you to the men involved our very high appreciation of the fine service rendered in dispensing registration numbers to the students, both old and

new. George Nalle, Wells Brown, Bob Kemp, Livius Lankford and Harry Vine were on the job from start to finish and displayed as fine cooperation, spirit and teamwork as I have ever witnessed in any group. They did their work well.'

"In addition, at the Freshman Get-together when we all had such a grand time, Miss Sebaaur, Dean of Women said, 'I want to compliment Alpha Phi Omega on carrying out the most successful and most worthwhile program for freshmen that I have ever seen on this campus.'"

—Robert Kniffin, President.

East Texas State

"We plan to send delegates to the National Convention in St. Louis and show the rest of the chapters Beta Delta is worthy of a place in the roster of Alpha Phi Omega."

—Edgar Huffstutler, Secretary.

Cornell

"We have a very enthusiastic group of prospective members for Gamma Chapter this fall, and should be able to take in a sizeable class of new members. This additional membership will be a big factor in enlarging Gamma's program this year."

—Frederick Wise, President.

Louisiana State

"Things are beginning to perk up this fall in Alpha Epsilon Chapter."

Ford H. Longsdorf, Scouting Advisor.

Florida

"During the summer months Tau Chapter kept in touch with the Scout Councils of the State of Florida and from the Executives we have secured the names of some valuable pledge prospects. We are really stressing a membership drive this first part of the semester, and then we will be able to undertake more service work."

Walter R. Weber, Secretary.

Cornell

"Last year ended with a bang for Gamma Chapter. The last get-together was a semi-formal dinner for the whole chapter, members, advisors, speakers and friends. It was a huge success. At the dinner our newly elected officers were installed and Brother Robert Siedler was recognized as the most valuable member of the chapter for the year."

—Robert Nagel, Past President.

Carnegie Tech

"We aided the school during its annual exhibition by manning the information booths, and also helped the dean's office during registration. Our next project is to assist one of our faculty advisors, Brother Kent D. Shaffer, in the coming community fund drive."

"Our chapter started this term with thirty-six members, and that number will be augmented by this semester's pledging."

—Sidney Hantman, President.

BETA DELTA CELEBRATES BIRTHDAY

November 7 is the first birthday anniversary of Beta Delta Chapter at East Texas State Teachers College, and a full week of anniversary celebration has been planned.

They Tell The Story Of Some Recent Alpha Phi Omega Projects

PLAN LARGE ATTENDANCE AT SECOND ANNUAL SCOUT MEETING HERE TOMORROW

200 Scouts and Scouters from all over Indiana will attend the second Annual Leadership conference sponsored by Alpha Phi Omega here tomorrow.

Starting at 9:45 talks and discussions before representatives of all scouting areas in the state of Indiana will feature the ins and outs of community boy leadership as exemplified by the Boy Scouts of America.

Registration will begin at 9:15 in Bowman Gymnasium. Last year's attendance of 75 men, it is expected, will be exceeded by more than a hundred additional registrations.

Opens At 9:45

The conference proper will open at 9:45 under the leadership of Dr. E. R. Bartlett of the DePauw faculty and D. H. "Skipper" Wilson, Scout Executive of the Southern Indiana Council.

Following the first session members of Alpha Phi Omega will conduct the group on a tour of the campus.

At 10:45 the conference will resume for group discussions. Members of APO and others who have had scouting leadership experience will answer all questions relative to problems of troop organization, test passing, and other scouting activities.

At 11:30 Mr. C. C. Pearce of Clinton, Ind., will conduct a merit badge session. He will discuss the merit badge program from both the teaching and examining angles. Mr. Pearce has earned 100 of the 102 merit badges available to Scouts and leaders.

Base Close

The conference will close with a banquet at 12:30. From the April 29, 1938 issue of "The DePauw" of DePauw University. (Alpha Upsilon Chapter)

Large Crowd Attends Stag

Trojan Band Plays
Before 900 Students
At Annual Affair

More than 900 freshmen and uppermen last night witnessed one of the largest freshmen stags held on the Trojan campus.

Headed by Gene Zechmeister, president of Alpha Phi Omega, sponsor of the annual affair, the program included numbers by the Trojan band under the direction of Pete Conn, a practice session of yells in preparation for Saturday's game with Oregon State, motion pictures, and a boxing exhibition supervised by the physical education department. Henry Flynn, ASUC president, was master of ceremonies for the event.

The program opened with several popular swing tunes specially arranged for the band and was followed by yells led by Ron Cooley, yell king. Under the direction of Andy Anderson, three boxing bouts were presented and several knockdowns were scored. Marvin Levin and Harold McEwing wrestled in a one-fall decision match. The Trojan gym team, comprised of Ran Hall, Jim Roberts, Bill Roberts and Roger Hope, gave a tumbling demonstration for the men. A rope climbing demonstration was presented by Bob P.

Speakers for evening included

Senior Award To Be Presented by A. P. O. This Year

All Graduating Members of the
Senior Class are Eligible
for Competition

The Alpha Phi Omega Chapter of the Alpha Phi Omega Fraternity at K.C.O.S., recently announced, through Les Tavel and Dr. Crawford Miles Esterline, faculty advisor for the fraternity, that beginning this year and continuing hereafter the fraternity will present a Senior Award at graduation.

It was announced that any graduating senior is eligible for this award and all applicants will be graded on the following points: Service to the campus, 30 points, service to youth and community, 25 points, personality, 15 points, scholarship, 15 points, and extra-curricular activities, 15 points. Paid assistantships will not be counted.

The names of those competing for the award will be decided upon by the Advisory Committee of Alpha Phi Omega. The names will then be

Local Scouts To Have Field Meet

Service Fraternity Honors Senior Boys With Open House

Open house for high school seniors will be held tonight at the University under the auspices of Alpha Phi Omega fraternity, national service fraternity.

Plans include inspection of the classrooms and various departments of the University. Special features will be presented by the chemistry and physics departments, while the art department has arranged a special exhibit of the work done during the past year.

French village dormitories will be fraternity houses as well as the thrown open to the visitors.

The evening will be brought to a conclusion by a buffet supper in the cafeteria given by the University. Noted speakers are expected to give short addresses.

The affair has been under the direction of Ray Reimer, assisted by Dan Meyer, Bob Roberts, and Rob Con-

ack Cooley, and Bill McLendon.

Junk Day To Assist Building Fund

Alpha Phi Omega
To Donate Proceeds
For Religious Edifice

Few of the future students of USC will realize that part of their Religious Center building is built from papers, bottles, clothes, and rags, but the money gathered from the Alpha Phi Omega junk drive which begins May 28 will help raise funds for the proposed building.

Every student and faculty member on the campus is offered an opportunity to help build by searching in closets and attics and tags will be sold by honorary and social fraternities.

Junk day is being sponsored by Alpha Phi Omega, honorary service fraternity. Gene Zechmeister, chair-

One pledge from each fraternity is requested to come to Dr. Francis Bawin's office at 10 a.m. today to get his supply of tags for distribution. Says Gene Zechmeister, chairman of committee in charge of drive.

man of the drive committee, has asked 50 organizations including the Lancers, Faculty club Sigma Sigma, Knights, Squires, and the Blue Key to aid in the drive for more junk.

Chairmen have been chosen to collect the materials and to notify the office of the council of men as to where they can be gathered.

A purchase order on the Student Union book store will be given for the materials.

Three Troups To Compete In Friday Event

Friday afternoon on the College Athletic Field starting at 1:30 the three Concrete Scout troops will compete for prizes in the annual spring field meet, which is sponsored by Beta Delta Chapter of Alpha Phi Omega, National Service Fraternity. This college Fraternity has as one of its objectives service to the youth of America and in this spirit Beta Delta Chapter is sponsoring this event.

There will be individual awards in each event and a trophy for the winning troop. This meet is preliminary to a gigantic field meet to be held by the Fraternity this summer for all the Scouts of this district.

Events in the meet will be a first aid race, a rescue race, knot tying, water boiling, fire by friction, fire by flint and steel, tracking Scout, noise signaling, semaphore, flag, and message relay.

Alpha Phi Dance To Benefit Youth Hostel Project Here

Alpha Phi Omega Plans to Initiate Tutoring Service

Personnel Committee Ratifies
Group's Offer of Free Aid
To Begin Next Fall

With approval granted by the personnel committee, Alpha Phi Omega's free student tutoring service promises to become a reality. Harold Shapiro '39, in charge of the national service fraternity's bureau, announces that final arrangements for the service are almost complete. The temporary set-up was presented and discussed at a faculty meeting May 17.

According to Shapiro, the bureau will not become active until fall, although at the present time 20 students have applied for tutorships. Tutorships are not limited to members of the fraternity, all those desiring to aid in the service should see Shapiro before the end of the current semester or during the fall registration period.

Students may be in any field in which they have at least two courses and be maintained a B average.

From the "Echo Weekly" of Milwaukee S. T. C. May 25, 1938 (Upsilon Chapter)

A Treat for Eagle Scouts—

Saturday and Sunday more than 100 Eagle Scouts from all parts of the State will gather on the campus for serious discussion of their vocational problems and to sample University and Bloomington hospitality. Sponsors of the meeting are the University chapter of Alpha Phi Omega, national service fraternity, the White River Scout council, composed of nine Southern Indiana counties, and Indiana University.

These Scouts, who have proved that they are industrious workers and responsible members of society by attaining scouting's highest rank, Saturday will discuss their problems with the faculty members of the University of Indiana. From "The Indiana Daily Student" May 13, 1938 (Kappa Chapter)

Alpha Phi Omega, Service Group, in Spotlight on Boy Scout Day

Today as the University pays tribute to 8,000 boy scouts by entertaining them at the Illinois-Ohio game, Alpha Phi Omega, service fraternity unique among campus organizations, steps in to the spotlight.

The local chapter, composed of some 40 men who are scouts or have been identified with the movement, will be in charge of arrangements for caring for the visitors today.

Among the other projects of the chapter are a campus guide service for any persons interested in touring the campus, organization of the Farm and Home work through so that there is none of the confusion that characterized this event in previous years, managing the inter-scholastic wrestling meet, and erecting a Christmas tree every Christmas.

The history of this unusual organization is briefly this:

During the latter part of 1926 a scoutmaster and his troop started an Alpha Phi Omega chapter on the campus of Lafayette college in Penn-

Magician Will Entertain at Summer Hop in N. I. Men's Gym, July 15

One of the first mixer's ever to be sponsored during a summer session at N.I. will be given by Eta Chapter of Alpha Phi Omega, national service fraternity, in the men's gymnasium, Friday, July 15. Eta Chapter supervised by Dr. M. C. Hayes, is giving the dance to obtain funds for the DeKalb project of the National Youth Hostel movement which is under the auspices of Dean A. N. Annas and Dean Blanche Davidson. Many nearby cities and towns have opened units in the chain of National Youth Hostels and the DeKalb house will be a stopping over place for travellers between St. Charles and Oregon. Because of the nationwide scope of this project, the DeKalb link should prove a valuable adjunct to the college's program of publicity.

Members of the local fraternity chapter are working hard to make the hop a huge success and have planned an elaborate floor show starring Bill Douglas, magician. Douglas appeared in an assembly program at the school during the spring quarter and was well received by N.I. audiences. In addition to the program of necromancy the show will feature dancing and singing entertainers. Dee Palmer and his orchestra, featuring many original tunes and some new arrangements, will play for the dancers.

Gym has been taken for order to accommodate an audience of several hundred. I be decked out in novel lighting schemes plan members of Alpha Phi Omega school Refreshments at the hop under the Larry Keegan, Bud Terester, Roger, members of the student committee. Jerry, vice president of the , has appointed complete to plan for the dance, hom were announced in paper. Nihan is

From the "Northern Illinois" of N. I. S. T. C. June 30, 1938 (Eta Chapter)

The purpose of this fraternity was service, service to the community, service to the college, and service to the scout council. Since its inception, 57 different chapters have sprung up in colleges and universities throughout the nation. Their "good deeds" have become nationally known. It was a branch of Alpha Phi Omega that inaugurated the famous Syracuse ski jump train as one of their projects, and it proved to be so popular that it was taken over by the city and made into a permanent feature. Dan Rouse '39 is president of the local chapter, known as Alpha Alpha. Newt Law, freshman wrestling coach, is senior faculty adviser, and the other advisers are Dr. C. Delbridge, A. R. , and Professor of

From the Daily Newspaper of the Univ. of Illinois (Alpha Alpha Chapter)

Seeking publicity is not a primary objective of Alpha Phi Omega. A name in print is not the motive for the service rendered. However, newspaper articles and editorials such as shown above offer two distinct advantages: First, they express approval of work being carried on, and second, they let the public know there is a fraternity such as Alpha Phi Omega that can be depended upon for unselfish service.

THE PROGRAM OF MU CHAPTER'S EAGLE SCOUT CONFERENCE AT INDIANA UNIVERSITY

SATURDAY - - MAY 14

Morning

ALPHA UPSILON'S PROGRAM GROWS

It is interesting to compare last year's project list of Alpha Upsilon Chapter at DePauw University with the program outlined for the present school year. The following list indicates the constant growth being made in both university and community service:

1937-38

University-

Dad's Day guides.
Ping Pong Tournament.
Ushers at Centennial Banquet.
Scout Week Chapel.

City-

Rotary and Kiwanis programs in connection with Scout Week.

Scout Movement-

Regular Assistant Scoutmasters Troops 1 and 99.
System of meeting helpers.
Week in camp for a worthy Scout.
Rotary and Kiwanis programs.
Scout week drive activities and displays.
Chapel and luncheon.
Cabin and Council Ring.
Sectional Conference.

1938-39

University-

Lecturer (coinciding with Indianapolis series)-December 6.
Ping Pong-February 1.
Chapel-Approved and arranged by administration, under our auspices-Scout Week.

Red Cross collection-November 1.

County map and trails.

Golf Championship-April 22.

Other Scout Week activities, exhibits, luncheon.

Outing-spring.

Armistice Day observance.

City and Scouting-

Rotary and Kiwanis programs to run through year and especially during Scout Week.

System of meeting helpers with emphasis on advancement.

Regular assistants, Troops 1, 99, 15.

County 1st Aid contest-Scout Week.

Vocational lecture at high school-November.

County trails and map-fall.

Civic and club cooperation through the year.

County Field Day-March 15.

System of cub helpers.

Sectional conference-April 29.

Writes Frank E. Duddy, Jr., President of Alpha Upsilon Chapter: "We also have in mind such things as a contribution to the University Scholarship Fund, and an Indianapolis camp retreat for the APO Chapters in this near vicinity. Impossible this year, but under consideration for the future are projects like a speakers' bureau, a homecoming dance and perhaps a regular lecture series for both townspeople and students."

Congratulations to New Chapter Officers

These officers were elected last spring and reported too late for listing in the May issue of Torch and Trefoil.

FOUR APO'S AT NATIONAL TRAINING SCHOOL

Four members of Alpha Phi Omega are attending the present session of the National Training School for Scout Executives, at the Schiff Scout Reservation, Mendham, New Jersey. This is a 45-day course, directed by the National Council, Boy Scouts of America, in preparation for professional service in Scouting.

The Alpha Phi Omega members now at school are:

Burr Blodget (Phi)
Ray Foulds (Phi)
W. J. Ryall (Alpha Epsilon)
Marion Disborough (Alpha Tau)

Recognizing the serious need for greater patriotism in the student elections at Milwaukee S. T. C., Upsilon Chapter purchased "I Voted" buttons as shown above and distributed them on election day, April 21, 1938. A keen way to build school spirit!

ALPHA PHI OMEGA SERVES AGAIN WITH TUTORING BUREAU

(Editor's Note: The following is a full reprint of an editorial which appeared in the "Echo Weekly," Milwaukee S. T. C. student newspaper, May 25, 1938, concerning the work of Upsilon Chapter.)

It is a tradition that Alpha Phi Omega, national service fraternity, offers its assistance first whenever any need arises in the college. Now it enters the classroom with a generous and worthwhile plan, that of furnishing tutors free of charge to students who have missed work because of illness, or earnest students who are having difficulty with a subject. The fraternity is to be commended not only for this venture which may mean the difference between passing or failing a course to some students, but for the altruistic line of thought its work reveals in constantly exerting its energies for the welfare of the college.

WIDE PARTICIPATION ASSURED AT NATIONAL CONVENTION

(Continued from Page 1)

of accomplishments of the past two years. Third, it offers every chapter the privilege of having a part in planning the future development of Alpha Phi Omega and formulating the policies by which the fraternity will be guided throughout 1939 and 1940.

The benefits which this meeting offers to chapters are more than worth all of the work required in organizing delegations and raising the necessary funds to pay the expenses of your representatives.

Plan Your Delegation Now

Many chapters have already made plans for sending their representatives to St. Louis for December 28 and 29. Plans laid well in advance

(Concluded on Page 20)

Meet Me There - At Hotel DeSoto, St. Louis, Mo., December 28 and 29.

WIDE PARTICIPATION ASSURED AT NATIONAL CONVENTION

(Continued from Page 19)

eliminate any last-minute anxiety about your delegation.

Eta Chapter at Northern Illinois S. T. C. (the chapter that has had the largest number of representatives at every previous Alpha Phi Omega Convention) is planning to bring 40 members to the coming meeting, and has already earned and "earmarked" a large portion of the money needed to pay their transportation and hotel expenses. Congratulations are due Dr. M. C. Hayes, Senior Faculty Advisor, and his alert staff of Chapter Officers.

Arrangements

The Hotel DeSoto in downtown St. Louis has been selected as our convention headquarters. A general convention committee of our host chapter, Alpha Phi at Washington University, is now negotiating terms with the hotel and an official announcement of the cost of the convention will be made by the committee in the near future.

Allotment From National Treasury

In accordance with action taken by your National Executive Board, the national treasury will pay the convention fee for the two official delegates from each chapter.

Who May Attend

Two official delegates from each chapter will have power to vote on convention questions. This is in accordance with provisions in the National Constitution, Article IX. One of these delegates should be an undergraduate and the other an advisor. In addition each chapter is invited to send as many non-voting representatives as can come. Every member of the fraternity who attends will be permitted to participate in the entire convention program (except balloting).

Persons interested in forming new chapters are invited to attend the convention as visitors to learn first hand about Alpha Phi Omega's service program and operating policies. Members who have friends attending other colleges where Alpha Phi Omega has not yet been established should feel free to invite them to attend the general sessions of the St. Louis meeting.

Delegates at the Seventh National Convention of Alpha Phi Omega will be building toward a greater and stronger fraternity. Won't you plan to be there?
