## 1976-77 H. ROE BARTLE CHAPTER AWARDS

A record number of sixty-one chapters qualified in 1976-77 for the H. Roe Bartle Chapter Award. This award, established in 1975 in honor of H. Roe Bartle, is presented annually to those chapters which achieve excellence in chapter program and administration.

The ten areas considered in the chapter self-evaluation leading to the award are: Membership, Sectional and Regional Participation, National Participation, Fiscal Policy, Alumni, Advisors, Leadership, Friendship, Service and Public Relations. The application form for the award also enables the chapter to assess the chapter program and operations and ascertain chapter strengths and weaknesses.

The forms for the 1977-78 evaluation will be mailed to all chapters in early Spring. Every chapter is urged to complete the form, regardless of whether it feels it qualifies for the award.

Lorin A. Jurvis, National Vice President and Chairman of the Awards Committee has observed that "Brother Bartle consented to having an award named for him only after he was assured that each individual chapter would evaluate itself, and every chapter would have an equal opportunity to qualify. We have honored this request in this program and encourage every chapter to participate."

The chapters earning the award for 1976-77, and the number of years the chapter has earned the award (in parentheses) are as follows:

**LEADERSHIP DEVELOPMENT  
IN REGION IX**

*by James "Skip" Macaulay  
Leadership Development Committee*

"Leadership in its purest form is the ability to accept responsibility to move men into action." So begins our Chapter Officers and Advisors Guide.

At the Region IX Conference, held at the Normandy Inn in Minneapolis on November 11 and 12, 1977, thirty-four brothers and sisters from chapters were introduced to the Principles of Effective Leadership at the Leadership Development Workshop. This program was presented by three members of the National Committee for Leadership Development: Howard Patton, Bob Satterstrom and Skip Macaulay.

The workshop as developed and presented by Alpha Phi Omega is a six hour, intensive program designed to point out those qualities and skills important to leaders in any organization, and then to apply them to our fraternity. The material and information included comes to us from such varied sources as Wood Badge, Scout Leader Training, I.B.M. Management courses, J. C. Penney Executive School, Dale Carnegie and American Management Association courses, The United States Army and more. This material has been integrated into a concise, meaningful experience.

The course includes a mixture of role-playing, discussion, and problem-solving in a working seminar atmosphere. Each participant, at the end of the workshop, sets down his/her own goals, in writing, as a standard against which to measure his/her own growth. Finally, each participant receives some comment and encouragement on his/her leadership values and development.

This marks the ninth time that the Leadership Development Workshop has been offered to and by A.P.O.'s. It will be offered again on numerous occasions including the National Convention in Nashville next year. I hope to see you there.

**ON PARTICIPATION**

*Editor's Note - The following is from a letter to the membership of Delta Sigma Chapter, University of Connecticut, by David C. Ely, Delta Sigma Membership Vice President.*

Membership and your activity in Alpha Phi Omega is totally voluntary upon your part. I feel that one should never forget the pledge that we all took upon our initiation into A Phi O. The principles of our fraternity stress the importance of unity of the Brotherhood through service and friendship. Each member must assume equal responsibility for the welfare of the chapter. If membership or the attendance at meetings or service projects falls off, it is each member's responsibility to determine the cause of the problem and to try to resolve any difficulties. If the brunt of the task falls on only a few, these people will flounder under the weight of the burden.

As a chain is only as strong as its weakest link, so is our circle of Brotherhood, being firm and durable, dependent upon all of its members — to participate as much as possible, to attend as many meetings and functions, and, in so doing, receive as much friendship, knowledge, and inspiration as one puts in.

## BROTHER GERALD R. FORD

Gamma Pi President Kathleen Farrell pins Alpha Phi Omega service pin on Brother Gerald R. Ford.

On November 4, 1977, Former President Gerald R. Ford became an Honorary Member of Gamma Pi Chapter of Alpha Phi Omega at the University of Michigan, his alma mater. The chapter, which had been attempting for some time to confer this honor on Mr. Ford, selected the Former President for Honorary Membership because of his distinguished Scouting record and his commitment to the principles which Alpha Phi Omega represents.

## ALPHA PHI OMEGA PRESENTS JERRY LEWIS WITH CHECK FOR \$38,000

Pictured above, Bill Oster of Southwest Missouri State University presents a check for \$38,000 to Jerry Lewis on the national broadcast of the Jerry Lewis Telethon. Millions of Americans watched as Bill explained to Jerry how Alpha Phi Omega chapters across the country had put their Brotherhood into action to help thousands of children and adults afflicted with muscular dystrophy and related diseases. Bowl-a-thons, bike-a-thons, carnivals, softball marathons, dance marathons — you name it and Alpha Phi Omega chapters did it to help raise funds for the fight against muscular dystrophy.

Money raised by the chapters goes to support MDA's comprehensive medical service and research programs. These funds are designed to help find the causes of and cures for muscular dystrophy and related neuromuscular diseases. And while researchers seek to find cures, the money also helps MDA provide patients with orthopedic aids and services such as wheel chairs, braces and lifts, family counseling, physical therapy and recreation at summer and winter camps and special outings.

Opportunities for involvement in the fight against muscular dystrophy are limitless and aren't restricted to fund raising. Brothers can serve as counselors at MDA's summer and winter camps and may visit patients on a one-to-one basis. Chapters can also host patient parties and recreational outings.

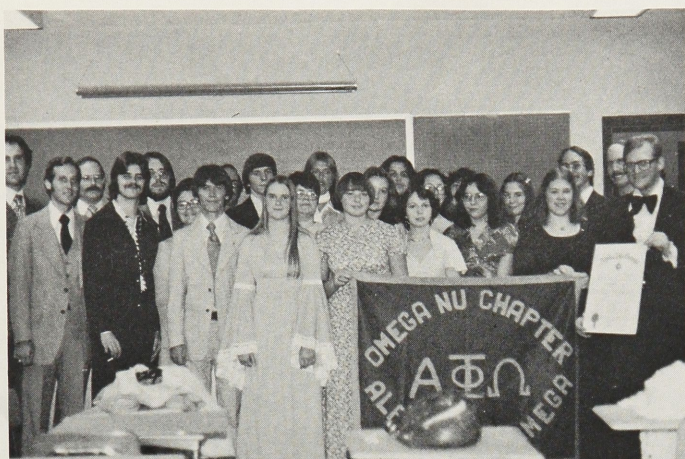

Those chapters which have already participated indicate that, in addition to promoting chapter unity, leadership, and good alumni relations, a project for MDA can help to enhance a chapter's image on campus and in the community.

Assistance in local muscular dystrophy programs is one of the national fields of interest adopted by delegates to the 1976 National Convention. For more information contact your local MDA office listed in the telephone directory or write Diane Tracy, Muscular Dystrophy Association, 810 7th Ave., New York, New York 10019.

## • LAMBDA MU - CALIFORNIA STATE UNIVERSITY - LOS ANGELES

In service to Scouting, LAMBDA MU CHAPTER, CALIFORNIA STATE UNIVERSITY, LOS ANGELES, went into action with the San Gabriel Valley Scout Council for the Explorer Olympics which took place during several weeks in May, culminating in a full day of track and field events on May 21.

Chapter President Robert Blundell and Past President Jeffrey Schwartz coordinated the efforts of Lambda Mu with the needs of the Explorers. Brothers and Sisters and Pledges of Lambda Mu aided track officials in the preparations for field events and the judging of track events. Chapter members received individual Certificates of Appreciation from the Explorer Council.

Lambda Mu regularly conducts five or six projects with local Scout Councils during each year. Often the service is a work project at a Scout camp in the mountains of Southern California. Lambda Mu has worked with six different Scout Councils in the Los Angeles area.

Another of Lambda Mu's projects last year was a work project at the Cherry Valley Scout Camp on Santa Catalina Island. The Scouts provided food and transportation. Chapter members worked hard and enjoyed the weekend. For more information about Lambda Mu's Scouting program, contact the chapter at California State University, 5151 State University Drive, Los Angeles, California 90032.

## BEST YEAR FOR BETA KAPPA'S UMOG

by Clark Odor

Beta Kappa Chapter, located at Central Missouri State University, held its 26th consecutive Ugly Man on Campus Charity Drive, with a 1976-77 goal of raising \$15,000 for charity. The Chapter organizes the contest by having campus organizations compete against each other in four different categories. The King and Queen Contests are won by the male and female organizations that donate the most money to charity. The Prince and Princess Contests are won by the male and female organizations that donate the most service hours to charity. Beta Kappa has also sponsored other contests like an auto skills race (Gymkhana) and an ice carving contest. The chapter holds a campus-wide free concert in the late spring to award trophies and plaques to the 1st, 2nd, and 3rd place winners in each category. The totals for the charity drive were \$21,917 and over 6,200 service hours donated to charity. The 1976-77 effort doubled the previous year's total of \$10,900.

The major factors in Beta Kappa's successful string of charity drives are:

1. The competitive spirit among the campus organizations.
2. Collecting about \$500 from predominantly off-campus sources to pay expenses.
3. A hard-working three person planning committee.
4. A set of complete records from previous years that will describe procedures, areas of success and failure, and past funding sources.
5. A cooperative campus administration and supportive chapter advisors.

Beta Kappa chapter's UMOG contest started with humble money goals of around \$500 but over the years the contest has become a campus tradition. Being part of such a large campus-wide project truly has developed the three areas of leadership, friendship and service in the members of Beta Kappa Chapter.

We understand the differences in chapters and campuses and know our way of organizing and conducting UMOG will not work everywhere, but if you want more information, please write Craig Hughes, Box 25, University Union, Warrensburg, Missouri 64093, or Clark Odor, 605 Bertrand, Manhattan, Kansas 66502.

## • THETA IOTA - UNIVERSITY OF ARIZONA

The revitalization of THETA IOTA CHAPTER, UNIVERSITY OF ARIZONA, was effected last Spring when seven new members were initiated into the chapter. The new members have proven to be a valuable source of labor, new contacts, and resourcefulness. They have instilled new, much-needed vigor into the chapter, especially since during the Spring semester most of the actives had to go inactive due to other pressing concerns such as graduation and upper-division coursework.

At least part of the chapter revitalization was provided by the distinguished A-Phi-O member J. Frank McMullan, well-known to many members as the man for whom the Fall, 1973 Pledge Class was officially named. He has now become an advisor to the Theta Iota Chapter and the new Section 2 Chairman. His concern and initiative have resulted in the previous pledge class naming their class in his honor.

The chapter has also benefited from a new office in the Student Union Memorial Building. Organizational effectiveness has increased due to more efficient coordination of efforts made possible by this office.

Larry York has also made significant contributions. As Region X volunteer, he has traveled all over the Western United States, helping to start new chapters and revitalizing existing chapters. His expertise has been invaluable to this chapter.

During this past semester several activities have been held. A booth at the University Spring Fling carnival raised \$250 for the chapter. A small "Ugly Man on Campus" contest benefited Casa de los Ninos, a crisis-intervention nursery. The traditional clean-up of Sabino Canyon, a popular recreational facility near Tucson, was also held.

Theta Iota Chapter can be contacted at SUPO Box 20964, Tucson, Arizona 85720.

## • LAMBDA KAPPA - LORAS COLLEGE

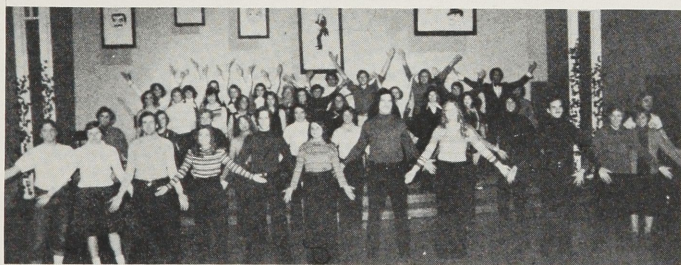

On February 6, 7, and 8, 1977, LAMBDA KAPPA CHAPTER, LORAS COLLEGE, Dubuque, Iowa sponsored its 23rd Annual Sneak Preview Variety Show. The show was a coffeehouse theater produced by Tom Giovino, 2nd Vice-President of the Lambda Kappa Chapter. He was assisted by co-directors Debbie Eckerman and Joe Schuver, who is also a member of the Fraternity. With a theme of "Good Times Are Here To Stay", the show incorporated a variety of past musical routines, along with musical numbers of the present era.

Each of the five performances had packed audiences which set new records both in attendance and profit. This year's show brought in \$1,350.00. The proceeds from the show will go toward the APO Service Scholarship for a Junior who exemplifies outstanding service to the College and the Dubuque community. Also, a sizeable sum is contributed to Muscular Dystrophy and various local organizations.

The cast for the event, a variety show with varied interest, included a chorus and an acting company. The chorus performed such numbers as "Good Times Are Here To Stay" from the Musical, *Dames at Sea*, "Send In The Clowns" from the musical *A Little Night Music*, "Bad, Bad Leroy Brown" and "We Go Together" from the musical *Grease*. The acting company performed different comedy routines that were written by students at Loras.

The show will always be noted for being an enjoyable evening of entertainment. The APO Sneak Preview 1977 left a lasting impression on everyone.

The Sneak Preview is one of the major service projects that the chapter conducts. Other projects are assistance with the Heart Fund Campaign, Muscular Dystrophy, the March of Dimes and a Blood Drive for a student who attends Loras College. You can contact Lambda Kappa at Box 648, Loras College, Dubuque, Iowa 52001.
