WINTER 1980

## CONVENTION '80

Nearly 1000 chapter delegates, alumni, Board Members and guests are expected to come together in Los Angeles on December 27-29, 1980 for Alpha Phi Omega's biennial National Convention.

The Convention Committee has been hard at work since February to make this a memorable Alpha Phi Omega experience. Larry Pang, Gamma Gamma, University of California-Berkeley, is serving as Convention Chairman. He has been ably assisted by the following Chairmen of the Convention Subcommittees: Exhibits and Service Exchange Nancy Arata, Gamma Gamma; Floor Services — Ron Lacock, Sigma Tau, Chapman College; Sergeants-at-Arms — C. R. Cummins, Sigma Tau; Graphics — Devadas Lynton, Iota Mu, University of South Carolina; Hosting and Transportation — Susan Reed, Alpha Delta, San Diego State University; Information — Skip Goldberg, Alpha Delta; Printing and Production — Silke Schulz, Alpha Delta; Public Relations — Mike Macomber, Omega Sigma, California State University-Fullerton; Registration — Debbie Sloan, Iota Phi, University of California — Davis. Earle M. Herbert is serving as Convention Chairman and Convention Advisors are Irwin Gerst, Roger A. Sherwood, Sid Smith and Warren Stookey.

Proposals to amend the National By-Laws were mailed to all chapters in early November. Only legislative proposals submitted to the National Office by October 27, 1980 may be considered by the delegates. These proposals have been referred to the appropriate Convention Reference Committees. Reference Committees will also consider the reports of the Standing and Special Committees of the Board and resolutions related to the subject area. Every member in attendance will have the opportunity to address the issues before the Reference Committees during Committee sessions. These Committees will then present their recommendations, based upon the views presented to them, in the legislative session.

The Leadership Development Committee will offer basic and advanced Leadership Development Experiences, as well as a series of seminars designed to enable chapters to function more effectively and to operate more efficiently. Topics will include: Membership Recruitment, Education and Retention; Hosting Sectional Conferences; Program Planning; Interpersonal Communications; Chapter President's Orientation; Chapter Treasurer's Workshop; Chapter Advisors Roundtable; Parliamentary Procedure; Public Relations; Scouting Relations and Service Programs. The

basic Leadership Development Experience, which will be limited to 120 participants, offers a firm foundation in leadership. These sessions are a valuable resource to the Convention attendee.

The Nominating Committee will present nominations to the Convention for National President, National Vice President and five Board Members-at-Large, and the Convention will select those who will serve in these capacities for the next two years. The Time and Place Committee will recommend the site and dates of the next National Convention, which will be held in Chicago, Kansas City or Louisville, depending upon the decision of the delegates.

The ten regions will hold two meetings during the Convention. At the second meeting, Regions II, IV, V, VI, VIII and X will each elect a Regional Representative to serve for a four-year term on the National Board of Directors.

The last National Convention to be held on the West Coast was 24 years ago, in 1956 in Long Beach, California. The California chapters promise great hospitality and are working hard to make this a memorable experience for you. The unique opportunities the Convention offers to share with others committed to the principles of Leadership, Friendship and Service are not possible in any other setting. Those who serve on the committees and take part in the seminars will be giving leadership to the Fraternity, but they will also be gaining experiences to take back to their own campuses. It is fellowship in action, meeting members from across the nation, exchanging ideas, reinforcing ideals. Share your best ideas; take home some new ones.

Join us in Los Angeles as we form the fellowship circle to sing the Toast Song at the closing banquet. It's a thrill you'll never forget!

## A TIME FOR GIVING

By Roger A. Sherwood

National Executive Director

As the holiday season approaches, our thoughts turn to gifts for those we love. And what more appropriate gift could we consider than membership in our beloved Fraternity.

When we become members of Alpha Phi Omega, few of us realize the impact our membership might have on our lives. In my own experience I considered Alpha Phi Omega to be a college experience. Little did I realize when I took the oath of membership that I would be working full time for the Fraternity. The same is true for most volunteers who serve and support chapters. Perhaps we're more fortunate than most in that we have the opportunity to live our Alpha Phi Omega commitment on a daily basis.

As I have worked with members of the Fraternity through the years, I have come to realize that membership in Alpha Phi Omega is a magnificent and valuable gift. It has enabled me to provide leadership to my chapter and to the Fraternity. It has given me the opportunity to serve others in meaningful ways. And it has allowed me to share a common experience and strong feeling of brotherhood with the best people on the campuses of this nation.

There is, however, something to consider about that gift of membership. It gains meaning and significance only when we are willing to give that same gift to others — to extend to our fellow students the hand of friendship — to enable them to share the same types of experiences each of us has had in Alpha Phi Omega. Without this sharing, the gift is diminished, and with it, the Torch of Service. Each of us owes it to ourself to share that gift and give it to others.

It has been said that the highest honor which can be bestowed in Alpha Phi Omega is membership. When we care enough about someone else to allow him or her to share in this exciting experience, we enhance both that individual and our organization. Make a vow to yourself that you'll continue to share this gift with others. You won't be sorry!

# A MESSAGE FROM THE NATIONAL PRESIDENT . . .

Fifty-five years ago a small group of dedicated men founded Alpha Phi Omega to bring the spirit of the Good Turn to the college campus. Since then more than 160,000 Brothers have assembled in the fellowship of Scouting principles:

- To develop and give leadership,
- To reach out and share friendship in our inclusive Brotherhood,
- To render significant service on campus, in the community and to the nation, and
- To further our American heritage of freedom.

Dedication to this purpose has made us the world's largest Greek letter student organization and our country's only National Service Fraternity.

It is well to keep our goals before us as we meet the needs of today and the challenges of tomorrow. The direction will be set by the delegates at the Convention. Let us seek new opportunities and even more relevant ways to further our mission. Through our commitment, our Service can truly light the world.

Lorin A. Jurvis  
National President

## CARRYING THE TORCH

By Dr. C. P. Zlatkovich  
National Vice President

1980 marked the start of a new program for the recognition and encouragement of major financial contributors to Alpha Phi Omega. As a part of the annual Development Campaign, alumni members of the fraternity were invited to become Torchbearers. Torchbearers are people who contribute at least \$50 per year to Alpha Phi Omega. The program has resulted in a dramatic increase in the number of major donors to Alpha Phi Omega. Last year some 82 people contributed \$50 or more to the Development Campaign. Thus far this year 287 people, whose names are listed on page 6, took up the challenge to become Torchbearers for Alpha Phi Omega.

Torchbearers have received a special recognition pin (a miniature fraternity crest) and a special membership card. Other appropriate recognition is planned in future years for multi-year Torchbearers. The Torchbearer program concept was based on the "century clubs" and other successful contributor recognition programs used by many college and university alumni associations. Details of the program were worked out by the Fraternity Development Committee in cooperation with Roger Sherwood and other interested persons. The name "Torchbearers" was suggested by Sandra Zlatkovich and Mary Cook Cameron. The generous support of the Torchbearers and other contributors to Alpha Phi Omega is sincerely appreciated.

## CHAPTER PRESIDENTS WORKSHOPS

Under the direction of Clark Israel, Chairman, in August the National Leadership Development Committee sponsored two workshops for Chapter Presidents and Sectional Staff members. In order to make the workshops more accessible, one was held at Pere Marquette State Park in the St. Louis area and the other was held at the National 4-H Conference

Center in Chevy Chase, Maryland, near Washington, D.C.

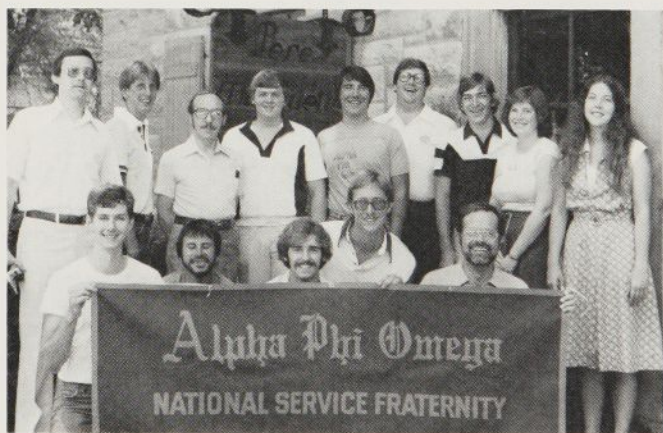

The focus of the workshops was on the development of leadership and the tools to increase the effectiveness of the Chapter President. It was a "hands-on" experience for the participants. One president at Pere Marquette, Erica Berrier of Cornell College in Iowa, wrote after the workshop: "One of the most stimulating aspects of the workshop was the contact we had with other chapters. We found we were not always alone in our problems, and that other chapters might have an answer to a problem that still plagued our chapter. We were able to exchange all kinds of ideas, ranging from pledge programs and service projects to alumni associations and the use of advisors . . . I would be willing to talk or write to any other chapter which wants to send a president to tell them about the value of the workshop."

The staff at the Pere Marquette Workshop included: Clark Israel; Earle Herbert, Region X Representative; Ron Kite, Kansas Sectional Chairman; Bill Brown, Eastern Missouri Sectional Chairman; and Roger Elliott, former Illinois Sectional Chairman. At the 4-H Center the staff included Clark Israel; Earle Herbert; Lorin A. Jurvis, National President; Robert Harris, Region III Representative; Hal Hage-meier, Region V Representative; and Howard Patton and Fred Pollack of the Leadership Development Committee.

Participating at Pere Marquette were chapter presidents Erica Berrier, Cornell College (Iowa); Mark Binkley, Western Kentucky State University; Randy Cupp, Northeast Missouri State University; Stan DeKiel, Southern Illinois University-Carbondale; Suzanne Findell, Luther College (Iowa); David McCormick, Loras College (Iowa); Mike Peters, Southwest Missouri State University; Randy Overton, Eastern Illinois University; Tim Sampson, Purdue University (Indiana); and Bob Stalzer of the Illinois Sectional Staff.

Attendance was greater at the 4-H Center and included the following chapter presidents: Frank J. Abbott, Georgetown University (Washington, D.C.); Mark Becker, University of Texas; Judy Frankel, Massachusetts Institute of Technology; Ralph Howell, College of William and Mary (Virginia); Chris Hurley, Rochester Institute of Technology (New York); Jeff Jablow, Salisbury State College (Maryland); Leslie Thompson, Gettysburg College (Pennsylvania); Mia Wadopian, Oglethorpe University (Georgia); and Carroll Wontrop, Virginia Polytechnic Institute and State University. Sectional Staff participants included: John Flower, Western Pennsylvania Chairman; Kevin Mallison, West Virginia Chairman; David McHarg, Western Upstate New York Chairman; Gerald Schroeder, Maryland and Washington, D.C. Chairman; Neal Scott, East Texas Chairman; and Frank Yoke, West Virginia Vice Chairman.

The Leadership Development Committee is enthusiastic about the response of the attendees, and looking forward to providing the workshops for more presidents next year. Be sure your chapter is among those represented.

Participants and staff at Pere Marquette Workshop.

# REPORT OF THE NATIONAL FINANCE CHAIRMAN

By Dr. John E. Hanke

The 1979-80 fiscal year was a stable one. Our budget indicated that total expenses would exceed total revenues by \$9,500. Total expenses actually exceeded total revenues by \$9,368. We finished the year \$132 better than we projected. Both revenues and expenses were approximately 2.2 percent lower than expected. The Executive Director and his staff deserve recognition and praise for holding the line in these inflationary times while maintaining a high level of service.

In 1978 the Board allocated \$22,562 to fund a new "Director of Membership Services" position on a two-year trial basis. We have used \$9,930 of the allotment as of this year. In July the Board evaluated this position and concluded that the financial impact of the new Director has been beneficial. Therefore, the Board decided to continue the position for at least one more year and adopted a budget with a deficit of \$5,500.

Charts 1 and 2 were constructed to clarify where the Fraternity receives and spends its money. Chart 1 shows what percentage each revenue category is of the total. Membership fees made up 71 percent of the money we received last year. In 1969-70 we received 77.3 percent of our funds

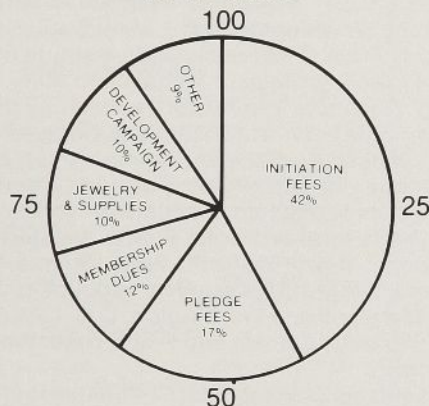

from membership fees. Chart 2 illustrates how we spent our money. Forty-seven percent of our funds was spent for personnel services which as a 6.8 percent increase over the 1969-70 fiscal year.

The continued fiscal health of Alpha Phi Omega is dependent on several factors:

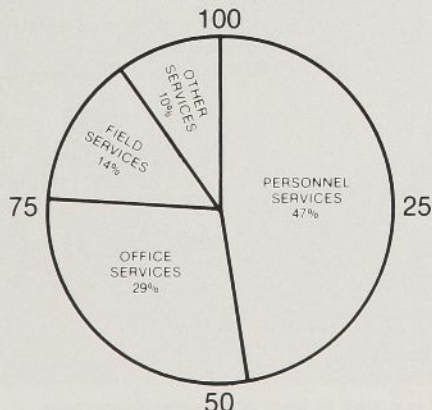

1. Since over 70 percent of our revenue comes from membership fees, we must continue to aggressively promote the growth of the Fraternity.
2. Alumni support has been excellent but must be maintained and improved.
3. We have improved our money management techniques and must do even better in the future.
4. We have tried to improve communications between the Office and individual chapters while staying within budget (note that we went over on postage by \$1,499). We must find even better and less expensive methods of communication.
5. We have to develop a better understanding of why the National Fraternity is important to individual chapters.

Discussions with undergraduates through the years have led me to the realization that some brothers and sisters do not think of themselves as part of *National*. We must correct this misunderstanding. If we are going to continue to help others and ourselves in the process, we must do it as a team. The financial implications of working together as one entity are extremely important to the future vitality of this tremendous organization.

# REPORT OF THE NATIONAL ENDOWMENT FUND BOARD OF TRUSTEES

By George F. Cahill, CAE, Chairman

*Editors Note: The Trust Agreement drawn between the Endowment Trustees and National Board of Directors requires an annual report to the National Finance Chairman of Alpha Phi Omega. The following comments are excerpts from a letter from George F. Cahill, Chairman of the National Endowment Fund Board of Trustees to Dr. John E. Hanke, National Finance Chairman.*

The twelve months ended August 31, 1980, showed some very positive results with regard to the Endowment Fund. We are better diversified than we have ever been before. The earnings from the Fund showed a significant increase over the prior twelve months. Membership deposits, Life Membership purchases, had just a slight shortfall below the preceding twelve months, making 1980 the fifth best year on record. Custodial and management's service charges were modestly higher than the preceding year, as were withdrawals for services to Alpha Phi Omega, but the net cash flow increased by \$1,300 to more than \$18,000, and the total portfolio at market closed at a record high of \$212,788.

Particular and special note should be recorded that Brother George Liske make a life-time sizable grant to the Endowment Fund and that former President M. R. Disborough, who was a member of the Codicil Club, left a bequest. We mourn his passing and we are grateful for his many services to Alpha Phi Omega. He was a great spirit, and in all the years of service on the Board, was a great promoter of the importance of the Endowment Fund, as indeed are the officers and the board members at this writing.

Your Trustees will continue to promote the Endowment Fund in the future and to work with Board to expand the Development Fund and Life Membership sales. I am pleased to report that, as of August 31, 1980, there were 7,955 Alpha Phi Omega Life Members.

We will continue to give attentive care and consideration to the management of APO's Endowment Fund throughout the ensuing year.

## • MU UPSILON — WASHINGTON AND JEFFERSON COLLEGE

For the fourth consecutive year, MU UPSILON CHAPTER, WASHINGTON AND JEFFERSON COLLEGE (PENNSYLVANIA) sponsored an "Almost Anything Goes" competition to raise funds for the American Cancer Society. The event, featuring competition in a variety of athletic events, was divided into elimination and final rounds, with the top five teams in the elimination round going into the finals. Funds were raised through entry fees of the teams and an admission fee for spectators. The chapter has raised more than \$1,200 for the American Cancer Society through this event. You can contact Mu Upsilon at Washington and Jefferson College, Box 74, 241 Beau Street, Washington, Pennsylvania 15301.

## • EPSILON ZETA CHAPTER — RENNELAER POLYTECHNIC INSTITUTE.

On October 3-5, 1980 EPSILON ZETA CHAPTER — RENNELAER POLYTECHNIC INSTITUTE, sponsored an "All Out For Scouting" camporee on Peebles Island for 500 Cubs, Scouts and Explorers of Rensselaer County, New York. The Scouts had a fantastic time while Scouting in the area received a much-needed boost.

Bean's Dream, as the event nicknamed by Epsilon Zeta, started with four Friday night campfires. On Saturday morning there was a large parade through the city of Waterford, followed by competition events and demonstrations for the Boy Scouts on the island. Scout events included firebuilding, first aid, Indian travois race, log heave, bucket brigade, two man saw cutting, and nature identification. The Cub Scouts participated in an obstacle course created by the 25 pledges of Epsilon Zeta Chapter. There were also Scouting demonstrations by many Explorer Posts, RPI groups, community groups, and individuals such as the New York State Champion Lumberjack. That night there was a camporee campfire which included troop skits, Indian dancing, and songs led by APO, folk singers, and the RPI Guitar Shop. Sunday morning there was a Conservation Project for the New York State Parks & Recreation Department. All participants and visitors at the camporee received a patch and camporee book with information about Scouting, Alpha Phi Omega, and all the Scouting units in Rensselaer County.

The planning for the camporee took a 12 Brother camporee committee two years. Almost all 90 members of Epsilon Zeta Chapter and 10 members of Xi Rho Chapter at SUNY-

Oneonta put in two thousand man-hours to run all the camporee activities, registration, security and parking. This has been one of the most enjoyable projects ever. You can contact Epsilon Zeta Chapter at 235 Student Union, Rensselaer Polytechnic Institute, Troy, New York 12181.

## • RHO THETA — CAPITAL UNIVERSITY

Baby buggies are used for more than pushing babies at RHO THETA CHAPTER, CAPITAL UNIVERSITY (OHIO). For the past six years Rho Theta has been conducting an annual Baby Buggy Marathon to raise funds for the Columbus United Way. In the past two years alone the chapter has raised \$850.00.

This has been accomplished by collecting pledges for each of the 125 kilometers run by the twenty-four man chapter. The course is set up on the campus and extends out to the Main Street of Columbus so that pedestrians and motorists may make donations on the spot. Then on the day of the Marathon, from 8:00 A.M. to 6:00 P.M., the Rho Theta Brothers keep the baby buggy moving along its 125 laps.

If any chapters would like more information about the Baby Buggy Marathon, letters can be addressed to: The Service Chairman, Alpha Phi Omega, PO Box 110, Capital University, Columbus, Ohio 43209.
